FOREWORD

The Constitution requires each house of the General Assembly to keep a Journal of its proceedings. The Journal is intended to assure a public account of legislative activity and constitutes the final official record of action by the General Assembly.

Under the provisions of Sections 6.161, 6.162 and 57.151 of the *Kentucky Revised Statutes,* the Legislative Research Commission is responsible for comparing, editing, correcting, and publishing the Journals as approved by each house of the General Assembly. This Journal represents the fulfillment of this obligation for the Regular Session of the House of Representatives of 1990.

The text of a bill is spread in full when it receives a first reading. The vote on passage of a bill is indicated upon its receipt of a third reading, or upon concurrence by the originating house in amendments by the second house. Simple and concurrent resolutions are printed on first reading when applicable or when adopted, and joint resolutions are treated as bills. A table of actions on bills and resolutions is appended. Roll calls on motions to pass legislation have been compiled in an Appendix.

Mrs. Jean Wallace, Mrs. Delores Dearborn and Mrs. Wilda Bond prepared the 1990 House Journal. The edited copy and index in this Journal reflect the cooperative efforts of the Commission's staff.

HR 13, A RESOLUTION adopting permanent rules of the House of Representatives.

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Rule 1. Hours of Meeting. The House shall meet at times set by the Committee on Committees.

Rule 2. Quorum. A majority of the members elected to the House shall constitute a quorum. If a quorum is not present at the time fixed for a meeting of the House, five members may adjourn or recess from day to day or from time to time and fifteen members may order a call of the House and send for absent members.

Rule 3. Call of the House. Upon a call of the House, the Clerk shall call the roll. Absentees are then only noted, but no excuses shall be made until the full roll is called. The Clerk shall then call the absentees again. Excuses will be heard at this time. The doors of the House Chamber shall then be closed and the absentees not excused by the House may be sent for and arrested by the Sergeant-at-Arms and the House shall determine upon what conditions they shall be discharged from arrest. Members who voluntarily appear shall be immediately admitted to the floor of the House and names returned upon the Journal as present unless the House otherwise directs. Excuses for leaves of absence must receive a consent approval of 2/3 of the members elected.

ORDER OF BUSINESS

Rule 4. Order of Business. The order of business shall be as follows:

1. Invocation.
2. Roll Call.
3. Reading and Approval of the Journal.
4. Introduction and Reading of New Bills and Resolutions Introduced by Title and Sponsor.
5. Report of Reference of Bills to Committees.
6. Report of Committees.
7. First Reading of Bills.
8. Second Reading of Bills.
9. Orders of the Day.
10. Motions, Petitions and Communications.

11. Announcements.
12. Adjournment.

No more than thirty minutes shall be allotted to Motions, Petitions and Communications.

Rule 5. Unfinished Business. Unfinished business which was being considered upon adjournment shall have precedence in the class of business to which it properly belongs upon the next succeeding legislative day.

MOTIONS

Rule 6. Reading of Motions. When a motion has been made and seconded, it shall be stated by the Speaker, or, being in written form, it shall be read by the Clerk before debate, amendment or motion concerning it shall be in order.

Rule 7. Withdrawal of Motions. Every oral motion after it has been stated by the Speaker, and every written motion, bill, resolution or other paper, after it has been read by the Clerk, shall be the property and in the possession of the House and shall not be withdrawn without consent of the House. Every written motion, report or measure may be committed or recommitted at the pleasure of the House.

Rule 8. Order of Questions. All questions, whether in Committee of the Whole or in the House, when not privileged questions, shall be propounded in the order in which they were moved, except that in filing blanks the smallest sum and the most remote date shall be put first.

Rule 9. Precedence of Motions. When a question is under consideration, no motion shall be in order except:

1. To call the House when there is no quorum present.
2. To fix the time to which the House shall adjourn.
3. To adjourn.
4. To take recess.
5. To lay on the table.
6. For the previous question.
7. To limit or extend limits of debate.
8. To postpone to a fixed time.
9. To lay on the Clerk's desk.
10. To refer or commit.
11. To amend.
12. To postpone indefinitely.

The above several motions shall have precedence in the order in which they are arranged and the first seven of them shall not be debatable.

A second motion to adjourn, to take a recess, to lay on the table, for the previous question, to limit or extend limits of debate, to postpone to a time certain, to lay on the Clerk's desk, to refer or commit or to postpone indefinitely shall not be in order on the same day, upon the same question, and at the same status unless other business intervenes; provided, however, that amendments may be made to the time to which it is proposed to adjourn, to take a recess or to postpone to a fixed time.

Rule 10. Motion to Adjourn. A motion to adjourn, to take a recess, or a motion to adjourn to a time certain, shall always be in order, except when a member is speaking, while a vote is being taken or when the Committee on Committees is reporting; subject, however, to the limitations set out in Rule 9. A motion to adjourn or a motion to adjourn to a time certain shall be taken by roll call vote.

Rule 11. Motion to Table. The adoption of the motion to table, under these rules, defeats the subject matter under consideration. The reconsideration of the motion to table shall require approval of a majority of the members elected.

Rule 12. Previous Question. When the previous question has been ordered, a vote shall be taken immediately upon the pending measure and such pending amendments as are in order. The effect of the previous question shall be to put an end to all debate; to prevent the offering of additional amendments and to bring the House to an immediate vote upon the measure and amendments aforesaid. The previous question may be ordered by a majority of the members elected. On the call of the roll, no member shall be allowed to speak more than three minutes to explain his vote and shall not speak at all if the question is not a debatable question. After the previous question has been ordered, and before the vote upon the main question, the opponents of the measure shall have ten minutes, and proponents of the measure shall have ten minutes.

Rule 13. Motion to Set the Limits on Debate. A motion to set a time limit for debate on a measure, in excess of that permitted under Rule 12, shall be in order unless the previous question shall have been ordered on the measure. The time limit set for debate under this rule shall be allotted by the Speaker evenly between the opponents of the measure and the proponents of the measure. Adoption of a motion under this rule does not prevent the offering of additional amendments.

Rule 14. Motion to Reconsider. A motion to reconsider a vote shall not be in order unless made by a member who voted upon the prevailing side of the question; nor shall such motion be in order unless made within two legislative days in which the House is in session next after the date the vote was taken; however, the motion to reconsider when coupled with the additional motion to lay that motion upon the table may be made by any member.

Rule 15. Motion to Lay on Clerk's Desk. The effect of the adoption of a motion to lay on the Clerk's desk under these rules is to place in charge of the Clerk the pending question and everything adhering to it. A motion laid on the Clerk's desk may be taken from the desk and proceeded with at any time in the same order as when laid on the Clerk's desk.

Rule 16. Motion to Strike Out Enacting Clause. A motion to amend by striking out the enacting words of a bill or resolution shall have precedence over a motion to amend; and, if adopted, shall have the same effect as though the bill or resolution were regularly voted upon and rejected.

Rule 17. Motion to Separate Part of a Measure. A motion to commit, recommit, or postpone a part of a measure so as to separate that part of the measure from the remainder shall not be in order.

Rule 18. Postponement of Measure. When a measure shall have been postponed indefinitely it shall not be in order again during the session.

Rule 19. Reading of Pending Papers. Any pending bill, resolution, motion or report shall be read by the Clerk upon the demand of any member, but it shall not again be read on the same day unless so ordered by the House.

Rule 20. Nominations. In all elections a previous nomination shall be made.

MEMBERS

Rule 21. Attendance of Members. No member shall absent himself from a session of the House without leave from the House. Written request for leave of absence may be obtained from the Clerk of the House and shall be submitted to the Speaker. The request shall state thereon the member's excuse for obtaining the leave. No excuse for leave of absence shall be heard from the floor.

Rule 22. Decorum of Members. No member shall designate another member by name.

Rule 23. Call to Order. If any member, in speech or otherwise, transgress the rules of order or decorum, he shall immediately be called to order by the chair and shall take his seat. The Clerk shall reduce the objectionable words to writing and read them to the House. After hearing a short explanation from the member called to order, or upon the withdrawal of the objectionable language, the Speaker may permit the member to proceed, or may compel silence upon him until the matter is disposed of. The ruling of the chair shall be subject to an appeal to the House. A member offending the House shall be liable to censure.

Rule 24. Debate. No member may speak more than once to the same subject until all members desiring to be heard have spoken, but nothing in this rule shall do away with the previous question if then in effect, nor permit debate on an undebatable motion.

No member shall speak more than thirty minutes in the aggregate on any question or measure, at the end of which period, or any portion thereof, the floor shall be returned to the Speaker.

Rule 25. Members Shall Vote at Seats. A member shall vote only when at his seat or visibly approaching it.

OFFICERS AND EMPLOYEES

Rule 26. Duties of Speaker. The Speaker shall take the chair every day precisely at the hour fixed for the meeting of the House and on the appearance of a quorum, shall cause the Journal of the preceding day to be read, unless the reading of the same is dispensed with by the House.

The Speaker shall preserve decorum and order and, in the event of any disorder in the gallery or in the House Chamber, may cause the same to be cleared of any persons creating disturbances or disorders.

All writs, warrants, subpoenas or other processes shall be signed by the officer who may be presiding over the House when the paper is issued; and his signature shall be attested by the Clerk, when ordered by a majority of the members.

Rule 27. Appeal from Decision of Chair. The Speaker while presiding may speak to points of order in preference to members. He shall decide points of order and manner of procedure. If two or more members arise from their respective seats and address the chair, the Speaker shall determine who was first and recognize him.

Any decision made by the Speaker shall be subject to appeal to the House. Every such appeal shall be in writing and signed by at least two members. During the pendency of an appeal to the House from a decision of the chair, the Speaker shall vacate the chair and call the Speaker Pro Tempore to preside. When the Speaker Pro Tempore is presiding on an appeal to the House from a decision of the Chair, no motion or business shall be in order except the motion on appeal from the decision of the Chair, and that motion shall not be debatable.

Rule 28. Speaker Pro Tempore. The House shall elect a Speaker Pro Tempore. The Speaker Pro Tempore shall perform the duties of the Speaker when the Speaker is absent from the House or when empowered by the Speaker to perform the duties of the chair.

Rule 29. Duties of Legislative Research Commission. The Legislative Research Commission shall have charge of all clerical, technical and procedural matters which relate to legislation including but not limited to: notification of committees of their appointment and business referred to them; keeping a calendar showing such bills as are entitled to their second reading each day, distinguishing between House and Senate bills; superintend the engrossing and enrolling of bills; and such other matters as are assigned by the Committee on Committees.

The Commission staff shall note upon the Journal all questions of order, together with the disposition of same, and the dates upon which all bills and resolutions were sent to committee and returned to the House. The House may correct errors in the Journal the day the Journal containing errors is presented to the House. No record which is in the hands of the Commission staff and is required by law to be entered upon the Journal of the House shall be copied by any person until same shall have been entered upon the Journal and said Journal shall have been approved.

Half an hour before the time fixed for the meeting of the House each day, the Commission staff shall be present at the Clerk's desk with the Journal of the preceding session for inspection of any member of the House.

The Journal for each day, as soon as it has been approved by the House, shall be delivered by the Commission staff to the public printer. The Commission staff shall proofread and index the Journal upon return from the printer and make necessary typographical corrections.

Rule 31. Custody of Papers. The Legislative Research Commission shall have custody of all records, minutes, reports, and documents pertaining to legislation, and shall not allow them to be taken from its possession without the leave of the House, unless to be delivered to the chairman of a committee to which they have been referred. The Legislative Research Commission shall cause to be enclosed on bills and papers brief notes of proceedings had thereon by the House and preserve the same in convenient files for reference.

One hour before convening of the House each day the Sergeant-at-Arms shall announce in a loud, distinct voice: "All persons not entitled to the floor of the House under the rules thereof will now vacate the House Chamber." He shall then compel all persons who are not entitled to remain therein to leave the House Chambers and shall prohibit their entry until one hour after the House has adjourned.

All bills and resolutions having been reported out of the committee to which referred and having received their second reading shall be referred to the Rules Committee. The Rules Committee may refer any bill or resolution before it back to a standing committee; provided, however, that such recommitment shall be accompanied by an explanation of the reason therefor, and that no bill or resolution shall be referred back by the Rules Committee on more than one occasion. All meetings of the Rules Committee shall be open to members of the House and to members of the Capitol Press Corps only. No electronic devices of any nature including cameras and recording devices shall be allowed in the committee room or to be used therein by any person while the Rules Committee is in session. No bill may be kept in Rules Committee for longer than five legislative days. Within that time, each bill must be reported to the floor or referred back to a standing committee.

The Majority Floor Leader shall while the Rules Committee is in session call bills and resolutions and shall call the same for consideration by the Rules Committee. A bill or resolution may be placed for consideration in the first order of business at the next regular Rules Committee meeting by a majority of the membership voting for such consideration.

Each member shall be given an opportunity upon request to appear before the Rules Committee when a bill of which he is a sponsor or co-sponsor is under consideration including the subsequent vote thereon. No measure shall be posted in the Orders of the Day for final passage except by order of the Rules Committee unless otherwise ordered posted for the next succeeding legislative day by a majority of the members voting. The Rules Committee shall arrange the Orders of the Day so that all measures shall appear thereon for the consideration of the House, but the Rules Committee may not place in the Orders of the Day any bill or other measure in the possession of a standing or special committee of the House. The Rules Committee, prior to each day's session, shall post a notice in a regular place in the House Chamber listing the bills to, be considered that day in the Orders of the Day. Should the House not complete any day's Orders of the Day, the bills and resolutions remaining unconsidered shall go to the top of the Orders of the Day on the next day that Orders of the Day are considered.

The Speaker of the House shall act as Chairman of the Rules Committee. The Majority Floor Leader of the House shall act for the Rules Committee in calling from the Orders of the Day any bills or resolutions in the order he deems proper and shall be recognized by the Speaker for said purpose during all times that the Rules Committee is in charge of posting the Orders of the Day. The Speaker Pro Tempore shall act as chairman in the absence of the Speaker.

Rule 42. Liaison Subcommittees: The Committee on Appropriations and Revenue shall be divided into the following six standing subcommittees of seven members each:

1. Subcommittee on Economic Development and Energy, Natural Resources, and Environmental Protection;

2. Subcommittee on Education;

3. Subcommittee on General Government, Finance, and Public Protection;

4. Subcommittee on Human Resources;

5. Subcommittee on Justice and Judiciary;

6. Subcommittee on Transportation.

Of the seven members of each such subcommittee four shall be members of the Committee on Appropriations and Revenue designated by the chairman of such committee, and three shall be appointed by the Committee on Committees from the membership of one or more of the remaining standing committees of the House. The chairman of each standing subcommittee shall be appointed by the chairman of the Committee on Appropriations and Revenue from the membership of such committee on the particular standing subcommittee.

The remaining three members of each standing subcommittee shall be deemed a liaison subcommittee of the standing committee or committees from which they were appointed. A vice chairman of the standing committee from which such members were appointed shall act as chairman of the liaison subcommittee. The selection of such vice chairman shall be made by the Committee on Committees. If such three members have been appointed from more than one standing committee the Committee on Committees shall determine which standing committee vice chairman shall act as chairman of the liaison subcommittee.

The liaison subcommittee members of the standing subcommittee shall have full voting authority in all matters before the standing subcommittee.

Rule 42A. Budget Review. The standing budget review subcommittees shall notify the membership of the standing substantive committees whose jurisdictional area will be affected by their action of any meetings or hearings and the members of the standing committees may participate as non-voting members.

When the budget review subcommittees have concluded their hearings and formulated their recommendations they shall communicate their recommendations to the affected standing committee or committees who may thereafter file a written response to the recommendations, which response shall be transmitted to the full Committee on Appropriations and Revenue with the subcommittee recommendations.

When the full Committee on Appropriations and Revenue has reported the final budget bill or bills to the floor, it shall notify the affected standing committees of the content of the budget relating to their areas of jurisdiction.

Any budget bill reported out of the Committee on Appropriations and Revenue shall be accompanied by a detailed explanation of modifications of the original budget. The Rules Committee shall not post for passage any budget bill less than five days after the bill has been finally reported out of committee.

Rule 43. Enrollment Committee. The Committee on Committees shall appoint an Enrollment Committee of not more than seven members. The Enrollment Committee shall be responsible for the engrossment and enrollment of bills and resolutions under the Rules of this House.

Rule 44. Committee on Conference. When a House bill has been amended in the Senate and the House refuses to concur in said amendment, or when a Senate bill has been amended in the House and the Senate refuses to concur in said amendment and when neither will recede from such action, the Committee on Committees shall appoint a Committee on Conference to meet a like committee from the Senate. The Committee on Conference shall confer with the Senate Committee and report back to the House within a reasonable time, in the same manner as reports are made for House bills. The conference report shall make no recommendation other than agreement upon or rejection of the matter or matters in controversy, and shall be voted upon, and, if adopted the bill shall immediately be put upon its final passage.

Should a committee on conference report its inability to submit a report, or if either house refuses to adopt its report, each house may appoint a committee on free conference, consisting of three or more members. A committee on free conference shall propose no new appropriation or any appropriation above the level originally designed by either chamber. The free conference report shall be voted on, and if adopted, the bill shall immediately be put upon its final passage.

Except for report of disagreement, the question of consideration of the report of a conference committee or a free conference committee shall not be in order on the same legislative day as distribution of copies of the report together with a staff analysis of the report to the members of the House.

Rule 45. Meetings of Committees. No committee except the Committee on Committees, the Committee on Enrollment and a Committee on Conference between the House and the Senate shall sit while the House is in session, unless by consent of the House. The Committee on Committees and Committee on Enrollment may report at any time except during roll call or while a vote is being taken.

The Committee on Committees, in conference with committee chairmen, shall schedule a definite time and place for the regular weekly meetings of each committee, such schedule to be posted in the House Chamber and published in the Legislative Record. A committee shall meet at the regular weekly scheduled time and place so long as business is pending before the committee. Nothing herein shall prevent the Chairman or a majority of any committee from calling a special meeting in addition to those regularly scheduled.

The Chairman shall keep a record of the attendance of members at meetings, which record shall be filed with the Clerk.

The Director of the Legislative Research Commission, under the direction of the Committee on Committees, shall assign a secretary to each committee and provide any professional, clerical or other employees required by any committee.

The Committee on Committees shall meet on call of the Speaker or on call of a majority of the members of the Committee on Committees.

Rule 46. Committee Reports. No bill or resolution shall be considered by the House except on report of committee. Upon the call of standing committees, the Clerk or the Chairman or ranking member of the committee may report the bill in the following manner:

"With the expression of opinion that the same should pass," or

"With the expression of opinion that the same should pass, with the committee amendment attached thereto," or

"With the expression of opinion that the same should pass, with the committee substitute attached thereto," or

"With the expression of opinion that the same should not pass."

Rule 47. Majority and Minority Reports. It shall require a majority of the committee membership to report a bill. The chairman shall keep a record of the vote of each member on the disposition of each bill, and shall report the total vote on each side to the House. The chairman may sign reports on behalf of a majority of the committee members. His signature shall attest to the action of a majority, but shall not be construed as his personal approval or disapproval of the bill.

A committee report may be accompanied by a minority report, signed by those members who have dissented from the committee's report, and it shall be in order to move the adoption of the minority report as a substitute for the committee's report when the committee offers its report. It shall require a majority of the members elected to adopt the minority report. The committee's report shall always be read before the minority report is read.

Rule 48. Failure to Report. Whenever a committee fails or refuses to report within a reasonable time a bill submitted to it, any member may by filing with the Clerk a written request signed by twenty-five or more members, call the same up for consideration on the next succeeding legislative day after the filing of said request. If a majority of the members elected to the House concur therein, the bill shall be considered as though it had been regularly reported.

Rule 49. Procedure in Committee. The rules of procedure in the House shall be observed in committee insofar as the same are applicable. The committee chairman, or the committee by majority vote in a regularly called meeting, shall post at least three calendar days prior to their consideration the bills and resolutions to be considered by the committee at its next meeting provided that no bill or resolution shall be posted by the chairman or the committee by a majority vote unless and until a request for posting form has been filed with the committee chairman or secretary and approved as containing satisfactory information by the committee chairman. No measure shall be considered except those posted. A list of the measures to be considered shall be filed with the Clerk at least three calendar days prior to the meeting. In the case of prefiled bills receiving a favorable expression from the interim joint committee to which they were assigned, posting by the chairman or the committee shall occur during the first week of the session, and such bills shall be considered by the appropriate committee during the first three weeks of the session. No posting request shall be required for such prefiled bills. This rule does not apply to bills with a fiscal impact of more than $20,000.

BILLS AND RESOLUTIONS

Rule 50. Form of Bills. All bills introduced shall be printed on the computerized bill preparation system of the Legislative Research Commission, and none otherwise prepared shall be accepted for introduction. Bills shall be offered as one original and three distinctly legible copies. Identical bills for introduction in the other chamber may be exact reproductions of original bill provided one copy is authenticated by the Director of the Legislative Research Commission as the original to be introduced in the other chamber. The original shall be the official bill, and shall be retained by the Legislative Research Commission staff for the use of the House until engrossed and sent to the Senate. A replacement original of a bill, generated pursuant to these Rules, shall thereafter be considered the original and official bill. One copy shall be used by committees; one copy shall be for the use of the press and shall be given to a person designated by the Press Club; and one copy shall be retained by the Legislative Research Commission for its work file. Each copy shall be backed with a protective cover, as provided for this purpose by the Legislative Research Commission. The title of the bill, or a portion thereof, and the signature of the member introducing the bill shall be placed on each cover.

In all bills, as introduced and as printed, any new matter contained therein shall be underscored; and when an amendment proposes the omission or elimination of matter in an existing law, such omission or elimination shall be indicated on the bill by placing the material proposed to be eliminated in brackets, and by striking through the words to be omitted or eliminated with a single line so as not to render such words illegible. In any bill seeking to repeal existing sections of the Kentucky Revised Statutes said sections sought to be repealed shall be identified by way of inclusion of the headnotes applied to each such section as it appears in the Kentucky Revised Statutes. The Legislative Research Commission staff shall see that all bills introduced have been prepared through the computerized bill preparation system of the Legislative Research Commission.

Rule 51. Introduction of Bills. Bills and resolutions may be introduced by filing them with the Bill Introduction Clerk in her office at any time the same is open. Bills and resolutions introduced by filing them with the Bill Introduction Clerk after the House has concluded Item 4, in Rule 4, Order of Business, shall be considered as having been introduced the next succeeding legislative day. The Bill Introduction Clerk shall number bills in the order received and transmit a copy immediately after introduction on the House floor to the Committee on Committees for reference to committee. No bill or resolution having the force of law shall be introduced after the thirty-eighth legislative day of the session. The last two legislative days preceding the veto recess shall be reserved by the House exclusively for the business of concurring in amended House bills.

Rule 52. Fiscal Note Required. A sponsor of a measure may at any time prior to the filing of a request for posting form require a fiscal analysis to be made by the Legislative Research Commission upon the same and a fiscal note attached thereto.

The chairman of the committee to which the measure has been referred may, at any time after a request for posting form is filed with the committee by the sponsor, determine that a fiscal analysis is required on any measure not carrying a fiscal note. The chairman upon such determination shall cause a fiscal analysis to be made by the Legislative Research Commission and a fiscal note attached prior to posting the measure for consideration.

After posting the measure, a majority of the committee may determine that a fiscal analysis is required on any measure not already carrying a fiscal note and shall direct the same to be accomplished and fiscal note attached with all dispatch. A committee may consider any measure on the date for which it is posted even if it is determined by the committee on that date that a fiscal analysis is required, however, no final action shall be taken by the committee upon said measure until a fiscal note is presented to the committee and attached to the measure.

Any member proposing to amend from the floor a bill or resolution which carries a fiscal note or if the proposed amendment itself carries a fiscal implication, the member proposing the amendment shall cause a fiscal analysis of the amendment to be made and a fiscal note attached to the proposed amendment at the time of introduction. In the event an amendment is introduced without a fiscal note, any member may raise the question of fiscal implication to the amendment by a motion and by majority vote require a fiscal analysis to be made and a fiscal note attached to the amendment. If a fiscal analysis and note is required by the membership, action on the bill or resolution to be amended along with the proposed amendment shall be passed over in the Orders of the Day but retained in the Orders of the Day. A fiscal note required by the membership shall be filed and attached to the amendment prior to the convening of the session of the next legislative day. In the event it is impossible to complete the analysis and prepare a fiscal note before the convening of the session on the next legislative day, the Director of the Legislative Research Commission shall so advise the membership by letter and state a time in which the same can be completed and filed with the House.

If the Director of the Legislative Research Commission certifies that the fiscal note cannot be completed within the prescribed time, the amendment shall not be in order unless the members, by majority vote, determine either: (1) act on the amendment and the bill or resolution without the benefit of the fiscal note, or to (2) pass over the bill or resolution in the Orders of the Day and allow it to be retained in the Orders of the Day until the fiscal note is filed.

Rule 52A. Local Mandate Impact Statement. Any bill which relates to any aspect of local government or any service provided thereby shall be analyzed by the Legislative Research Commission for its fiscal impact upon local governments and if determined to contain a local mandate shall have a local mandate impact statement attached prior to final consideration.

No measure which contains a local mandate shall be placed in the Orders of the Day until the local mandate impact statement is attached unless the requirement of the statement has been waived by a vote of two-thirds of all members of the House.

Any member proposing to amend from the floor a bill which contains a local mandate or if the proposed amendment itself contains a local mandate, shall cause a fiscal analysis of the amendment to be made and a local mandate impact statement attached to the proposed amendment. Until such time as the local mandate impact statement is prepared and attached to the amendment, action on the bill to be amended along with the proposed amendment shall be passed over in the Orders of the Day but retained in the Orders of the Day.

Rule 53. Proposed Administrative Regulations. (1) Before committee consideration of any bill originating in the House, which contains the authority for any agency, board or political subdivision of state government to promulgate regulations, the bill shall have attached a copy of a statement of legislative intent for the bill, including a summary of guidelines to be followed in preparing regulations pursuant to the bill.

Every committee shall have the exclusive right to determine whether the summary submitted meets the requirements of this rule. The committee may waive the provisions of this rule by majority vote, and shall acknowledge on its committee report the receipt of and consideration of the matters submitted with the bill pursuant to this rule.

The purpose of the requirements of this rule is to inform the House of the general scope of the regulations authorized by the bill and to provide a permanent record of legislative intent; and pursuant thereto, when any bill subject to the provisions of this rule becomes law the Director of the Legislative Research Commission shall cause to be filed with the Administrative Regulation Review Subcommittee of the Legislative Research Commission the summary of the regulations submitted with the bill to be used by the Administrative Regulation Review Subcommittee when reviewing regulations promulgated pursuant to the bill. The Administrative Regulation Review Subcommittee shall use the material submitted with the bill to determine legislative intent.

Nothing contained in this rule shall preclude the promulgation of regulations differing from those filed or summarized and submitted with the bill.

(2) This amendment of the Rules of the House of Representatives shall apply only to bills introduced after February 5, 1980.

Rule 54. Rejected Administrative Regulations. When an administrative regulation has been referred by the Clerk to a standing committee of the House, the committee shall review the regulation and take such action as it deems appropriate. If the committee recommends rejection it must set forth in its report the reasons for its rejection which shall be for either of the following reasons, or both: (1) The administrative regulation does not conform to statutory authority. (2) It does not carry out legislative intent.

Unless the House and Senate committees both recommend rejection of the regulation in their committee reports and the committee reports are thereafter adopted by at least two-fifths of the members elected to each house, and a majority of the members voting, the regulation shall become effective.

When a House committee report recommending rejection has been adopted by the House as set forth above, the House Clerk shall so notify the Clerk of the Senate.

If both the Senate and the House have approved committee reports recommending rejection of a regulation, a report to that effect shall be signed by both clerks and sent to the promulgating agency and the regulations compiler. A copy of this report shall be on file in the office of the Clerk of the Senate and in the office of the Clerk of the House.

Proposed regulations that have been properly laid before the General Assembly shall become effective upon sine die adjournment of the General Assembly unless the General Assembly in regular session shall disapprove the proposed regulation.

Rule 55. Reference of Bills. The Committee on Committees shall refer all bills to the proper standing committee not later than the second day in which the House is in session after the date of introduction. When a House bill has been amended in the Senate and has been returned to the House for concurrence in the amendment, it may be referred to a committee in the same manner as original bills are referred. Bills originating in and passed by the Senate when reported to the House shall be referred to the Committee on Committees and shall take the same course as other bills.

Rule 56. Printing of Bills. Upon receipt of a bill, the Legislative Research Commission shall examine the form of the bill to ensure that it is free from errors of form or typography and has been assigned the proper KRS section or chapter numbers. If a formal change is necessary the Commission shall request the sponsor of the bill to sign a form approving the specified changes. If a bill is found to be correct, or corrections have been approved, the Commission shall authorize its printing.

The Legislative Research Commission shall have printed at least two hundred copies of each bill or resolution carrying the force and effect of law introduced in the House and of each bill or resolution carrying the force and effect of law acted on by the Senate and reported to the House. Bills shall be printed in the order in which they are introduced and shall be distributed to members immediately upon receipt from the printer.

Rule 57. Readings of Bills. If a bill be reported with the expression of opinion that it should not pass a vote may then be taken on whether it shall be read at length and be placed on the Calendar, if a majority of the members elected to the House shall concur therein. When reported favorably by the committee, the bill shall then be given its first reading at length and shall be placed by the Commission staff upon the Calendar to be kept by the staff, and shall then be entitled to its second reading the next succeeding legislative day.

Every bill shall be read at length on three different legislative days; but the second and third readings thereof at length may be dispensed with by a majority of all the members elected to the House and the bill read by its title.

Rule 58. Calendar; Consent Calendar. (1) In order to reduce the time required for final passage of bills posted in the Orders of the Day, a consent procedure for the consideration of uncontested bills shall be established and designated as follows:

(a) The Commission staff shall keep a Regular Calendar and a Consent Calendar for each legislative day showing the bills receiving their second reading.

(b) The Commission staff shall also keep a Regular Orders and a Consent Orders showing bills posted for final passage by the Rules Committee.

(2) Bills reported by a Standing Committee with a regular "should pass" or "should pass with committee amendment/substitute attached" recommendation shall be shown in the Regular Calendar on the day on which they are entitled to a second reading.

(3) A Standing Committee may at the time of favorably reporting any House or Senate Bill, recommend that it be placed in the Consent Calendar provided:

(a) The primary sponsor has so requested when it is a House Bill, and

(b) The bill receives a "should pass" or "should pass with committee amendment/substitute attached" recommendation from such committee by a unanimous vote of the members present.

Any House or Senate Bill thus reported shall be first placed in the Consent Calendar on the day on which it is entitled to a second reading and shall continue to be shown in said Calendar until taken therefrom by the Rules Committee and posted in the Consent Orders. Bills receiving a second reading should be so designated to distinguish them from bills which have already received their second reading.

(4) A certificate shall be attached to each bill recommended for the Consent Calendar showing the request of the sponsor of any House Bill, and the unanimous recommendation of the members present signed by the Chairman.

(5) After a sufficient number of bills have accumulated in the Consent Calendar, the Rules Committee may post any or all of said bills to the Consent Orders for a day certain. On that day certain the Consent Orders shall be called before the Regular Orders.

(6) Upon the call of the Consent Orders each bill in said Orders shall be given a third reading by title only. The Speaker shall then allow a reasonable time for questions from the floor and any explanation necessary by the sponsor or committee chairman. Consent Order bills may not be amended from the floor.

(7) The Commission staff shall attach a roll call to each bill in the Consent Calendar and any member may at any time prior to passage of the Consent Orders record with the Commission staff his "nay" or "pass" vote on any bill within the Consent Calendar or Consent Orders.

(8) Upon the call for the question on the Consent Orders, the Speaker shall instruct the Commission staff to announce the "nay" and "pass" votes previously filed on each bill in the Consent Orders. All other members present in the chamber on the day and at the time the Consent Orders are called shall be considered as having voted "aye" and the roll call attached to each bill shall so reflect as the final vote.

(9) Upon the written petition of any five members objecting to the placement or retention of any bill in the Consent Calendar or Consent Orders, such bill shall cease to be so considered and shall be placed in the Regular Calendar or Regular Orders as provided in these rules.

Rule 59. Orders of the Day. When a bill has had its second reading it shall be placed in the Orders of the Day, or be recommitted, and when next reached in the House it shall be ready for recommitment, or to be read a third time and placed upon its passage, and the Speaker shall so announce to the House.

A bill may be recommitted or amended in accordance with these rules at any time before its passage. Bills shall be placed in the Orders of the Day in the order in which they have been given their second reading, and shall be taken therefrom in accordance with Rule 41. When a House bill is in the Orders of the Day, it shall be in order on motion of the author to substitute for it an identical Senate bill which is in the Calendar of the House.

No bill shall be taken from the Orders of the Day unless it shall have been printed and previously distributed to members.

Rule 60. Final Passage. When a House bill has been amended in the Senate and the House has concurred in the amendment, the bill as amended shall immediately be placed upon its passage.

Rule 61. Amendments to Bills. All amendments offered shall be on sheets with a proper heading printed in black, furnished by the Commission staff, and shall bear the signature of the members offering the same. All amendments shall give the proper page and line of the printed bill. Three copies of each amendment shall be introduced. No amendment shall be in order that is not germane to the matter under consideration and unless it shall have been printed and previously distributed by the Clerk to members at least one legislative day prior to consideration of the bill or resolution and unless it complies with Rule 52 relative to fiscal analysis; and the Speaker, when the question is raised, shall rule as to the admissibility of the proposed amendment, subject to appeal to the House.

Any amendment to a House bill under consideration containing the substantial text of the language of another bill shall require for its consideration the affirmative vote of a majority of the members of the House. The commission staff shall cause such amendments to be identified when the bill proposed to be amended thereby is posted on the Orders of the Day. When a question is raised as to the identity of the proposed amendment containing the substantial text of another bill the Speaker shall rule thereon, subject to appeal to the House.

Rule 62. Engrossment of Bills. Every House bill and joint resolution, together with the amendments thereto, which has been passed by the House and not subject to further amendment or motion, shall be engrossed by the Commission staff. The Clerk shall endorse thereon the day of passage or adoption. The bill shall be delivered to the Senate in open session by the Clerk or someone designated by him, and Senate concurrence asked therein. A like procedure shall be observed toward Senate bills.

When engrossing a bill, the Commission staff may incorporate amendments by means of typing or by generating a replacement original of the bill through computerized process.

Rule 63. Enrollment of Bills. All House bills and resolutions which have passed both the Senate and the House shall be delivered by the Commission staff to the Enrolling Clerk, taking a receipt therefor, in the order in which passed. The Commission staff shall keep the number and title of all bills and joint and concurrent resolutions carrying the force and effect of law, passed by the House of Representatives and the Senate in a suitable record book attesting the fact and date of passage.

In the event a bill which originates in the House is amended by the Senate and the House concurs in the amendments proposed and adopted by the Senate, the Commission staff shall engross said amendments in the original copy of the bill by typing or may generate a replacement original copy of the House bill through computerized process, before delivering the bill to the Enrolling Clerk of the House.

In cases of extreme emergency and during the last three days prior to sine die adjournment, where no correct printed copy can be produced, the Enrolling Clerk may enroll such bill or resolution by typing the same.

The original bill or resolution or replacement therefor, if applicable, and an enrolled copy shall be delivered to the Committee on Enrollment. The Enrolling Clerk shall certify that each are in the exact form as finally passed prior to such delivery. The Committee on Enrollment and the Enrolling Clerk shall jointly compare the original bill with the enrolled copy, and if the enrollment is ascertained to be correctly done, the Committee shall report the same to the House. If any bill or resolution is found not correctly enrolled, it shall be returned to the Enrolling Clerk to be properly enrolled and delivered to the Committee on Enrollment as is first provided herein.

Rule 64. Signing of Bills. The Enrolling Clerk of the House shall deliver the original and enrolled copies of House bills and resolutions signed by the Speaker to the Chairman of the Enrollment Committee of the Senate for presentation to the President of the Senate for his signature. When signed by the President of the Senate, the enrolled bill or resolution and the original copy thereof shall be returned by the Enrolling Clerk to the Clerk of the House who shall present the enrolled bill or resolution to the Governor for his approval and take his receipt for same.

Rule 65. Resolutions. Resolutions having the force and effect of law shall be treated and considered as bills in all respects under these rules. However, simple resolutions expressing the will of the House and all resolutions recommending a study by an interim committee may be considered for adoption after receiving a recommendation from a standing committee and being posted for passage by the Rules Committee. All resolutions recommending a study by an interim committee shall include an approximate cost of the proposed study. All resolutions recommending or requiring a study, or which recommend or create a task force or special committee of the Legislative Research Commission shall be concurrent or joint resolutions.

Rule 66. Legislative Citations. For the purpose of extending the commendations, condolences or congratulations of the General Assembly to a particular person, or to recognize a particular event or occasion, there may be issued a "Legislative Citation." Citations may not be used for procedural matters, matters of a controversial or partisan political nature, nor in place of resolutions memorializing the U.S. Congress, but only when appropriate to express the feeling of the House or of the General Assembly with reference to a person or event.

Each such citation shall be prepared in single copy on an artistically designed form, suitable for framing, shall bear the signature of the sponsor and the name of the person or event cited, and upon adoption shall be spread at length upon the Journal. Citations shall be considered in the order of business "Motions, Petitions and Communications," and without objection shall be adopted *en bloc* after reading individually by title. Citations shall be offered for consideration through presentation to the Clerk.

A resolution shall not be accepted for introduction if offered in lieu of a legislative citation.

VOTING

Rule 67. Roll Call. Any member, with a second, may demand a roll call on any matter pending before the House. The names of members shall be arranged alphabetically when taking a yea and nay vote.

Any time these rules require a roll-call vote, or a yea and a nay vote of the members, such vote may be taken by either a voice roll call or the electrical voting system, as ordered by the Speaker.

The Speaker, before each roll-call vote is taken, shall instruct the Clerk to sound the warning chimes installed in that part of the Capitol assigned to the use of the House.

During a roll call any one member, with a second, may request and be afforded a delay of two minutes prior to the closing of the roll. Only one such motion shall be observed during any one roll call.

Rule 68. Electrical Voting System. When the House is ready to vote upon any question requiring a roll call, and the vote is to be taken by the electrical roll call system, the Speaker shall announce:

"The question is on the passage of (designating the matter to be voted upon). All in favor of such question shall vote 'yea,' and all opposed shall vote 'nay.' The House roll is now open for voting."

The Speaker shall recognize any member who rises for the purpose of explaining his vote. No member shall be allowed to speak more than three minutes to explain his vote, and shall not speak at all if the question is not a debatable question.

When sufficient time has been allowed the members to vote and to explain their vote, the Speaker shall announce: "Have all voted?" "Does anyone desire to change his vote?" And after sufficient pause shall lock the roll call system and instruct the Clerk to record the vote. It shall be the responsibility of each member to determine the accuracy of his individual vote as registered opposite his name on the electrical roll call board and advise the Speaker of any desired change before the roll call system is locked.

The Clerk shall immediately start the recording equipment, and when completely recorded, shall present the result to the Speaker who shall announce same to the House. The Clerk shall enter upon the Journal the result in the manner provided by the rules of the House.

At the same time the vote is recorded by the electric recording equipment an original and five duplicate roll call sheets shall be made showing the vote, two of which duplicates shall be for use of the press, and one copy shall be furnished to the Legislative Research Commission.

Rule 69. Voting for Others Prohibited. No member shall vote for another member, nor shall any person not a member cast a vote for a member. In addition to such penalties as may be prescribed by law, any member who shall vote or attempt to vote for another member may be punished in such manner as the House may determine. If a person not a member shall vote or attempt to vote for any member he shall be barred from the floor of the House for the remainder of the session and may be further punished in such manner as the House may deem proper, in addition to such punishment as may be prescribed by law.

Rule 70. Pairing. All pairs announced in the House shall be entered on the Journal.

Rule 71. Adjournment Extended During Roll Call. When the roll is being called in taking a yea and nay vote, and the hour of an adjournment arrives, the same shall stand extended until after said yea and nay vote has been completed and the result announced.

PRIVILEGE OF THE FLOOR

Rule 72. Persons Entitled to the Floor. No person shall be permitted upon the floor of the House when in session and two hours before and after the House is in session except the present members of the General Assembly and all officers and employees of the General Assembly. Bona fide newspaper correspondents designated in writing by the daily newspapers or press service they represent, shall be admitted to the floor when recommended by the Committee on Committees and shall be governed by the rules of the House and assigned by the Committee on Committees to a press section specifically set aside for them.

A special section of the gallery shall be reserved for the families and guests of members, who shall be admitted upon presentation of an identification card. Other persons shall be admitted to that part of the galleries not reserved for members' families. Members may submit the names of guests to the Clerk, who shall read the names to the House. Members shall not introduce guests from the floor.

Rule 73. Restriction of lobbying and access to the House Chambers and office areas. No person shall engage in lobbying for or against any measure while the House is in session, or in recess, in any of the corridors or passages or in any of the rooms in that part of the Capitol assigned to the use of the House, and no registered lobbyist shall enter that part of the Capitol while the House is in session. This rule shall not be construed to prohibit the use of the corridors or passages in going to and from the House galleries by any person.

The General Assembly finds and declares that some areas within the Commonwealth have suffered persistent, severe economic distress, and that these areas are in need of special assistance and extraordinary consideration by state government in the application of various state economic development programs by targeting public resources to local governments and to qualified businesses within these areas to create jobs, to retain and to upgrade existing employment, to stimulate economic growth and development, and to reverse trends of prolonged periods of area dilapidation and economic decay by facilitating the upgrade of public infrastructure and by attracting private investments. It is not the intent of this Act to supplant existing state economic development programs, but rather, to enhance the application of those programs in those areas of the Commonwealth which are suffering from persistent, severe economic distress.

Speaker Pro Tempore Worthington assumed the Chair.

Representative Deskins moved that the rules be suspended for the purpose of a mock debate as part of the Bicentennial celebration. Agreed.

LEGISLATOR 2 (Mike):

Mr. Speaker, those of us who have been chosen by our fellow Kentuckians to represent them in this, the first-ever session of the legislature, have a grave responsibility. No, not just a responsibility, but rather, an obligation to provide for the future generations of Kentuckians yet unborn. I'm sure I speak for all of us here when I stress that our greatest concern is for our children. They are this state's life's blood, and they deserve a better life than we have had. Gentlemen, it is incumbent upon us to guarantee their safety and well being — safety against the possibility of Indian attacks and an environment free and conducive to raising the present standard of living.

LEGISLATOR 4 (Lonnie):

That's telling 'em, Mike, and to guarantee all those things we've got to education 'em, every gosh dern one of 'em.

SPEAKER PRO TEM:

Order, Order. I'm afraid you're out of order, Mr. Napier. The chair recognizes Mr. Morris.

LEGISLATOR 3 (Ramsey):

Mr. Speaker, I object. What's being proposed here is the worst possible type of government infringement on the rights of the individual . . . in this instance, the parents across this glorious state of ours . . . . to educate their own children in the manner and fashion they deem best suited to that end. After all, what do the boys of this state need to know other than how to hunt and fish and plow? These skills are all that a decent and God-fearing man needs to know to survive in this great and rich sovereign state of ours.

LEGISLATOR 5 (Hank):

And our women, Mr . . .
LEGISLATOR 3 (Ray):

Our women? What about them? They'll spend their time sewing, cooking, and having babies, of course - the way they always have.

LEGISLATOR 5 (Hank):

Mr. Speaker, if I may? (The Speaker Pro Tem nods) The needs of any society change with time. History bears me out on that fact. The skills and even the values of one-generation can drastically change with the next. Hunting and fishing, which we all consider essential tasks to our very survival and prosperity, may be merely hobbies to most in generations to come. That should give us pause and serious comtemplation.

LEGISLATOR 3 (Ramsey):

HORSE MANURE!

LEGISLATOR 5 (HANK):

What was that, Mr. . . .
LEGISLATOR 3 (Ray):

I said, "Horse manure," Mr. Hancock. Just another essential task that I'm sure will become a "mere hobby" in generations to come.

SPEAKER PRO TEM:

Order, Order! (Look at Hank) The chair recognizes Rep. Ward.

LEGISLATOR 2 (Mike):

It is true, we have no way of knowing what the future may bring; however, one thing is certain . . . the future will bring change. And to prepare for change, we must provide a sound educational system. Our children's futures are in our hands. Several private academies have already opened their doors for the purpose of educating our young people, one right here in Frankfort. When are we, as a state, going to wake up to that responsibility???

LEGISLATOR 4 (Lonnie):

That's right. I can't afford to send my children to one of those fancy academies, not all nine of 'em. But they're a right smart lot, each one of 'em and each in a different way, if you follow my meaning, and I want 'em all, the girls too, to have what I never formally had but always hankered for, the how-to to read and write easy and fast like and to understand the magic of numbers and how to use 'em beyond countin' the digits I've got on the ends of my hands.

LEGISLATOR 3 (Ramsey):

But it costs money, Mr. Napier. You know as well as I, those dern academies keep hounding all of us to provide each of them with some kind of financial support. Can you imagine what it would be like if we got into the real business of trying to educate every man's son and daughter, God forbid! We'd never hear the end of it. They'd drain us dry.

LEGISLATOR 5 (Hank):

And I say every penny spent would be worth it. Knowledge is the most precious gift we can give our children. Provide it, and we insure a prosperous future for the state; deny it, and we file for bankruptcy.

LEGISLATOR 2 (Mike):

I agree. And to insure against that bankruptcy, we must provide the very best in higher education as well. We don't want our brightest young men to be lured away to other states. They're needed here.

LEGISLATOR 3 (Ramsey):

We've heard a great deal of talk already about the possibility of opening a college in Lexington. Transylvania, I believe, they intend on calling it.

LEGISLATOR 4 (Mike):

Yes, but we shouldn't expect the private sector to provide the only institutions for higher education. They're too expensive, and besides, there are so many advancements we could make as a state if we only had the knowledge.

LEGISLATOR 1 (Herbie);

The Gentleman's right, Mr. Chairman, therefore I suggest we introduce a tax on all real property in the Commonwealth, and not just the land, but the houses and cabins as well.

LEGISLATOR 4 (Lonnie) AMEN!!!

LEGISLATOR 3 (Ray):

I knew it. Next thing you know, he'll want to tax all our cattle.

LEGISLATOR 1 (Herbie):

Why not? That's a great idea, Mr. Deskins. The tax should extend to all cows, horses, pigs, and other livestock.

LEGISLATOR 3 (Ramsey):

I disagree. The state has no business usurping power in areas where it has no right to. I propose that we leave the business of educating children to those who know children best, their parents.

LEGISLATOR 2 (Mike):

It's unfortunate that our state was settled much too early to be included under the provisions of the Northwest Ordinance of 1787. As you may know, that legislation provides that every sixteenth parcel of land in each township be set aside for the support of public education. That would keep us from having to encroach on parental rights, while still providing a measure of support for the education of our children.

LEGISLATOR 3 (Ramsey):

I still say that all this talk about education is, if nothing else, premature, Mr. Speaker.

LEGISLATOR 4 (Lonnie):

Well, perhaps Mr. Morris has a point. Perhaps first we should look at the more important issue of our roads. I'm here to tell you that they're in a sorry sight! Take the Wilderness Road. It's our oldest and most important road. It cuts right down and through the state and nearly every one doing some serious travel uses it. Well, I'm here to tell you, it's in a sorry state of repair, gentlemen. We can't hope to help the educational cause in this state until we are less dependent on our rivers for transportation and trade. We must have better roads, there's no getting around it; roads that are safe and free from those cursed Indian attacks.

LEGISLATOR 5 (Hank):

I agree with the fine Gentlemen from Garrard, Mr. Chairman. Overland transportation is becoming more and more a major concern for our citizens. Though we may find it difficult to believe, I am convinced that in the future, more goods will be moved over land than are currently moved on our rivers. And to meet that need, I suggest that we consider building turnpikes across the state from both east to west and from north to south.

LEGISLATOR 3 (Ramsey):

Poppycock! I've never heard such fantasizing. The very idea that overland transportation can replace the natural commerce and transportation system we have here in the Ohio River Basin is ridiculous!

LEGISLATOR 5 (Hank):

My learned colleague from Christian should be somewhat more open minded. What about the transportation of farm goods to markets right here in our state? A good road from Lexington to Louisville, say, would literally cut hours off a trip that now must be made on the Kentucky and Ohio Rivers. I say that overland roads are paramount to the growth of our state and the well being of our citizens.

LEGISLATOR 1 (Herbie):

Mr. Speaker, I stand second to no one in my belief that this state needs improved roads, however have we not gotten away from our original discussion about providing financial support for the education of our young? Are they not our most valuable resource, and isn't their well being what's really paramount to us? Now, I have an alternative method of providing funds for education. Why not sell some of the vast amounts of publicly-owned land that currently exist in the state?

LEGISLATOR 2 (Mike):

Personally, I think that Lotteries are the most viable means for raising monies for education and we, as members of the General Assembly have the power to authorize such games.

LEGISLATOR 3 (Ramsey):

Lotteries?!?!?

LEGISLATOR 2 (Mike):

Why not? Look what the Dutch Presbyterian Society in Louisville was able to accomplish. They recently raised enough funds to build a new sanctuary and the majority of it was from lottery proceeds.

LEGISLATOR 4 (Lonnie):

That's right, lotteries are a right fine source of recurring revenue, unlike the land which, once sold, is gone forever.

LEGISLATOR 3 (Ray):

No, No!! The revenue that is produced from lotteries is too subject to the whims of chance. We need to take a long-term view toward solving the problems of this state, rather than make hasty decisions based upon the immediate crisis at hand, Mr. Speaker.

LEGISLATOR 1 (Herbie):

Well, for once I agree with the Mr. Morris. That is why I proposed that we enact legislation that will provide funding on a more permanent basis. To do this we should base a tax upon personal property including houses, farms, livestock, and any other property that is owned.

LEGISLATOR 5 (Hank):

But Mr. Chairman, improvements in our transportation system must come first. They are of vital concern to all of us, not just our children. If we can build roads overland, we can cut drastic amounts of time off our trips from, say Frankfort to Lexington, or Lexington to Louisville or even Harrodsburg to Cincinnati. Imagine it! I know that may seem like a dream but just think of the time saved compared to the length of time now required to make those trips by riverboat.

LEGISLATOR 2 (Mike):

I must agree that improved roads are becoming more and more an important issue. Have you not read the plea from the recently opened Kentucky Manufacturing Society in Danville? They produce cotton cloth and stockings which are in great demand. They're begging us to improve and build new roads to meet their market demands not only in this state but across the country.

LEGISLATOR 5 (Hank):

Further, Gentlemen, every citizen has the right to ready access to our seat of government here in Frankfort. To this end we need to improve our roads and build turnpikes across the state so that all Kentuckians will have the opportunity to visit here and see this beautiful city that General Wilkinson founded as Frank's Ford.

LEGISLATOR 2 (Mike):

Why the argument, Gentlemen? Shouldn't we be doing both .improving our roads and supporting public education?

LEGISLATOR 5 (Hank):

And there's another area that is likely to require vast amounts of money . . . our penal system. The day is rapidly approaching when our local city and county jails will be unable to hold all the convicts that are put into our current system. I submit to you that if we as the Legislature are going to pass criminal laws, we have a responsibility to provide for the incarceration of those people who are convicted under the statutes we have passed.

LEGISLATOR 1 (Herbie):

Gentlemen! Gentlemen! All these issues are equally important, and I am sure there are other worthy issues that need our equal time and support, however, Gentlemen, let us be realistic! It is impossible to fund every needed project in this state on the income from turnpikes and by authorizing lotteries. We have got to buckle down and make some tough decisions if we are going to support education as well as improve our roads, and improve our penal system, and meet the demands of our militia, and support our court system, and meet all the other needs of the people of this state.

LEGISLATOR 3 (Ray):

HEAR! HEAR!

LEGISLATOR 4 (Lonnie):

That's right. Where are we going to find the money? Don't forget, we had to borrow funds from Robert Breckinridge to begin our operations here. If it wasn't for Breckinridge, we wouldn't have a state government.

LEGISLATOR 3 (Ray):

We'll never be able to pay for all of these things? Kentucky is not a wealthy state like New York or Pennsylvania. We cannot be expected to provide everyone with everything like our richer eastern counterparts.

LEGISLATOR 2 (Mike):

We must decide our priorities and use our limited resources to meet our most important needs.

LEGISLATOR 1 (Herbie):

We have identified the priorities. That's not the issue. The issue is our reluctance to pass legislation that would increase the financial burden on our constituents. Why? For fear of antagonizing them and causing our defeat at the next election? Is this to be the legacy of this state, or will we make the tough decisions that need to be made for the betterment of our children? I for one hope that we make decisions that will insure our growth and well being of our children regardless of the political consequences that we have to face and endure.

In this connection, all persons, firms, corporations, associations, or the agents for same, responsible under the terms and meaning of KRS 260.775 to 260.845[~~,~~] to collect, assemble, and make payments to the director of the university of Kentucky Agricultural Experiment Station, [~~are~~] also ***shall be*** required to submit certified reports with moneys paid, on forms prescribed by the director, covering the milk and milkfat in cream converted to milk equivalent.

HB 20, AN ACT relating to telecommunication services for hearing-impaired or speech-impaired persons.

(1) "Telecommunications device for the deaf" or "TDD" means a keyboard mechanism attached to a standard telephone set which allows for messages to be typed rather than spoken.

(2) "Dual party relay service" means a procedure by which a hearing-impaired or speech-impaired TDD user can communicate with an intermediary party, who then verbally relays the first party's message or request to a third party, or vice versa. The service includes the switching, transmitting, and the voice and typed translation of calls but does not include the furnishing of TDDs or other telecommunication devices to users of the system.

SECTION 2. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

The commission shall establish a program to make dual party relay services available not later than October 1, 1991. The dual party relay service shall be operated seven (7) days a week for twenty-four (24) hours per day for all hearing-impaired or speech-impaired telephone subscribers within the Commonwealth. In order to determine the most cost effective method of providing dual party relay services that will meet the requirements of the hearing-impaired and speech-impaired, the commission shall initiate an investigation, conduct public hearings, and solicit the advice and counsel of hearing-impaired persons and speech-impaired persons and the organizations serving them.

SECTION 3. A NEW SECTION OF KRS CHAPTER 278 IS CREATED TO READ AS FOLLOWS:

Users of a dual party relay service shall pay rates no greater than the rates paid for functionally equivalent voice communication services provided without a dual party relay. The commission shall determine the appropriate funding mechanism for the dual party relay system. The telecommunications industry shall not be required to absorb the cost of funding the dual party relay service. The commission may use assistance from public agencies of the state or federal government or from private organizations to accomplish the purposes of this Act.

Section 4. The Public Service Commission shall prepare and submit a report on the establishment and implementation of a dual party relay service program to the Legislative Research Commission on or before July 1, 1991. The Legislative Research Commission shall then submit the report to the appropriate interim committee for review.

The Committee on Health and Welfare reported **HB 64** and **HB 120** with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

(1) "Cabinet" means the Cabinet for Human Resources;

(2) "Dead body" means a human body or such parts of such human body from the condition of which it reasonably may be concluded that death recently occurred;

(3) "Fetal death" means death prior to the complete expulsion or extraction from its mother of a product of human conception, irrespective of the duration of pregnancy; the death is indicated by the fact that after such expulsion or extraction the fetus does not breathe or show any other evidence of life such as beating of the heart, pulsation of the umbilical cord, or definite movement of voluntary muscles. This definition shall exclude induced termination of pregnancy;

(4) "File" means the presentation of a vital record provided for in this Act for registration by the Office of Vital Statistics;

(5) "Final disposition" means the burial, interment, cremation, removal from the Commonwealth, or other authorized disposition of a dead body or fetus;

The state registrar of vital statistics shall enter the name of a non-husband on the birth certificate as the father and the surname of the child shall be any name chosen by the mother.

(c) If a question of paternity determination arises which is not resolved under paragraph (b) of this subsection, it shall be settled by the District Court.

The state registrar shall upon acknowledgement of paternity by the father and with consent of the mother, enter the father's name on the certificate. The surname of the child shall be any name chosen by the mother and father. If there is no agreement, the child's surname shall be determined by the parent with legal custody of the child.

(b) If an affidavit of paternity has been properly completed and the certificate of birth has been filed accordingly, any further modification of the birth certificate regarding the paternity of the child shall require an order from the District Court.

(c) In any case in which paternity of a child is determined by a court order, the name of the father and surname of the child shall be entered on the certificate of birth in accordance with the finding and order of the court.

(d) In all other cases, the surname of the child shall be any name chosen by the mother.

(2) The place where the child was found shall be entered as the place of birth.

(3) A report registered under this section shall constitute the certificate of birth for the child.

(4) If the child is identified and a certificate of birth is found or obtained, the report registered under this section shall be placed in a special file and shall not be subject to inspection except upon order of a Circuit Court.

SECTION 10. A NEW SECTION OF KRS CHAPTER 213 IS CREATED TO READ AS FOLLOWS:

(1) If a certificate of birth of a living person born in the Commonwealth has not been filed within

the time period as provided in Section 8 of this Act, a certificate of birth may be filed in accordance with the administrative regulations of the cabinet. The certificate shall be registered subject to such evidentiary requirements as the cabinet shall by regulation prescribe to substantiate the alleged facts of birth.

(2) In accordance with the provisions of this section and the administrative regulations established thereunder, the state registrar may issue a record of foreign birth for a person born outside the United States registration area who is subsequently adopted by a Kentucky resident and whose record of birth cannot be obtained from the country of birth. Such certificates shall be plainly endorsed, "not evidence of United States citizenship."

(3) Certificates of birth registered one (1) year or more after the date of birth shall be made on forms prescribed and furnished by the state registrar marked "delayed" and shall show on the face of the certificate the date of the delayed registration.

(4) A summary statement of the evidence submitted in support of the delayed registration shall be endorsed on the certificate.

(5) The cabinet may refuse to accept any application for a delayed birth certificate or record of foreign birth on which the applicant fails to provide such information as the cabinet may required.

SECTION 11. A NEW SECTION OF KRS CHAPTER 213 IS CREATED TO READ AS FOLLOWS:

(1) Upon notification by the Justice Cabinet that a child born in the Commonwealth is missing, the state registrar of vital statistics shall flag the birth certificate record of the child in such a manner that whenever a copy of the birth certificate or information regarding the birth record is requested, the state registrar shall be alerted to the fact that the certificate is that of a missing child.

(2) Upon notification by the Justice Cabinet that a missing child has been recovered, the state registrar shall remove the flag from the child's birth certificate record.

(3) In response to any inquiry for a copy of a flagged birth certificate of a missing child, the state registrar shall not provide a copy of the birth certificate except as approved by the Justice Cabinet.

(4) When a copy of a flagged birth certificate is requested in person, the state registrar or the designee accepting the request shall inform the person making the request that a copy of a certificate will be mailed to the requester. The state registrar shall, upon the departure of the requesting person, immediately notify the Justice Cabinet as to the request and the information obtained pursuant to this subsection.

(5) When a copy of a flagged birth certificate is requested in writing, the state registrar shall immediately notify the Justice Cabinet as to the request and shall provide a copy of the written request.

SECTION 12. A NEW SECTION OF KRS CHAPTER 213 IS CREATED TO READ AS FOLLOWS:

(1) For each adoption decreed by a Circuit Court in the Commonwealth, the court shall require the preparation of a report of adoption on a form prescribed and furnished by the state registrar. The report shall include the facts necessary to establish a new certificate of birth of the person adopted, identify the order of adoption, and be certified by the clerk of the court.

(2) Information necessary to prepare the report of adoption shall be furnished by each petitioner for adoption or the petitioner's attorney. The Department for Social Services or any other agency or person having knowledge of the facts shall supply the court with the additional information necessary to complete the report. The provision of the information shall be prerequisite to the issuance of a final decree in the matter by the court.

(3) If an adoption decree is amended or annulled, the clerk of the court shall prepare a report thereof which shall include the facts necessary to identify the original adoption report and the facts amended in the adoption decree necessary to properly amend the birth record.

(4) Not later than the fifteenth (15th) day of each calendar month or more frequently, the clerk of the court shall forward to the state registrar reports of decrees of adoption, annulments of adoption, and amendments of decrees of adoption which were entered in the preceding month, together with such related reports as the state registrar shall require.

(5) If the state registrar receives a report of adoption, annulment of adoption, or amendment of a decree of adoption for a person born outside this state, the state registrar shall forward the report to the state registrar in the state of birth. If the birth occurred in a foreign country and the child was not a citizen of the United States at the time of birth, the state registrar shall prepare a record of foreign birth as provided by Section 10(2) of this Act. If the child was born in Canada, the state registrar shall also send a copy

of the report of adoption, annulment of adoption, or amendment of a decree of adoption to the appropriate registration authority in that country.

SECTION 13. A NEW SECTION OF KRS CHAPTER 213 IS CREATED TO READ AS FOLLOWS:

(1) The state registrar shall establish a new certificate of birth for a person born in the Commonwealth when the state registrar receives the following:

(a) A report of adoption as provided in Section 12 of this Act or a report of adoption prepared and filed in accordance with the laws of another state or foreign country or a certified copy of the decree of adoption, together with the information necessary to identify the original certificate of birth and to establish a new certificate of birth; or

(b) A request that a new certificate be established as prescribed by administrative regulation and the evidence as required by administrative regulation proving that the person has been legitimated, or that a court of competent jurisdiction has determined the paternity of the person, or that both parents have acknowledged the paternity of the person in which case the surname of the child shall be changed in accordance with Section 8 of this Act.

(2) If paternity is determined in a court action, the clerk shall report the findings of the court to the state registrar on forms prescribed and furnished for that purpose. The reports shall be made no later than the fifteenth (15th) of the month following the date of the order.

(3) If a new certificate is established, the actual place and date of birth shall be shown except in the case of adoption. If the adopted child is under eighteen (18) years of age, the birth certificate shall not contain any information revealing the child is adopted and shall show the adoptive parent or parents as the natural parent or parents of the child. The new birth certificate, when issued, shall not contain the place of birth, hospital, or name of the doctor or midwife. This information shall be given only by an order of the court in which the child was adopted. If the child was born in the Commonwealth, the new birth certificate shall show the residence of the adoptive parents as the birthplace of the child, and this shall be deemed for all legal purposes to be the birthplace of the child.

(4) The new certificate shall be substituted for the original certificate of birth in the files, and the original certificate of birth and the evidence of adoption, paternity determination, or paternity acknowledgement shall not be subject to inspection except upon order of a court of competent jurisdiction or as provided by regulation.

(5) If any judgment under this section is reversed, amended, modified, or vacated in any particular, the clerk of the court shall notify the state registrar of the reversal or modification, and the state registrar shall make the changes if any, in the records as may be necessary by the reversal or modification.

(6) If a new certificate of birth is established by the state registrar, all copies of the original certificate of birth on file in the local health department shall be sealed and forwarded to the state registrar as the state registrar shall direct.

(7) If no birth certificate is on file for an adopted child born in Kentucky, the state registrar shall prepare a certificate of birth in accordance with information furnished by the clerk of the Circuit Clerk which issued the adoption order. The state registrar shall furnish the clerks of the Circuit Courts the necessary forms to carry out the provisions of this section.

SECTION 14. A NEW SECTION OF KRS CHAPTER 213 IS CREATED TO READ AS FOLLOWS:

(1) A certificate of death or a provisional certificate of death for each death which occurs in the Commonwealth shall be filed with the cabinet or as otherwise directed by the state registrar prior to final disposition, and it shall be registered if it has been completed and filed in accordance with this section. The funeral director, or person acting as such, who first takes custody of a dead body shall be responsible for filing the certificate of death. The funeral director, or person acting as such shall obtain the required personal and statistical particulars from the person best qualified to supply them over the signature and address of the informant. The funeral director, or person acting as such, shall within five (5) days of the death, present the certificate to the attending physician, if any, or to the health officer or coroner as directed by the state registrar, for the medical certificate of the cause of death and other particulars necessary to complete the record as required by this Act.

(a) It shall be unlawful for an institution to release a dead human body until the funeral director, or person acting as such, has completed and filed with the local registrar or person in charge of the institution, a provisional certificate of death. If death occurs outside an institution, the provisional certificate shall be filed with the local registrar by the funeral director, or person acting as such, prior to final disposition of the dead body. A copy of the provisional certificate of death signed by the person with whom it was filed,

shall constitute authority for the possession, transportation, and, except for cremation, final disposition of the body.

(b) All persons having in their possession a completed provisional certificate of death shall file the certificate at not more than weekly intervals with the local registrar.

(c) If the place of death is unknown but the dead body is found in the Commonwealth, the certificate of death shall be completed and filed in accordance with this section. The place where the body is found shall be shown as the place of death. If the date of death is unknown, it shall be determined by approximation subject to amendment upon completion of any postmortem examination required to be performed.

(d) If death occurs in a moving conveyance in the United States and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, and the place where it is first removed shall be considered the place of death. If a death occurs on a moving conveyance while in international waters or air space or in a foreign country or its air space and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, but the certificate shall show the actual place of death insofar as can be determined.

(2) If any certificate of death is incomplete or unsatisfactory, the state registrar shall call attention to the defects in the certificate and require the person responsible for the entry to complete or correct it. The state registrar may also require additional information about the circumstances and medical conditions surrounding a death in order to properly code and classify the underlying cause.

(3) The medical certification shall be completed, signed, and returned to the funeral director within five (5) working days after presentation to the physician, dentist, or chiropractor in charge of the patient's care for the illness or condition which resulted in death, except when inquiry is required by KRS 72.400 to 72.475. In such cases, the coroner shall complete and sign the certificate within five (5) days after receiving results of the inquiry as required by KRS 72.400 to 72.475. In the absence of the physician, dentist, or chiropractor, or with such person's approval, the certificate may be completed and signed by his associate physician, dentist, or chiropractor, or the chief medical officer of the institution in which death occurred, or the physician who performed an autopsy upon the decedent, or a physician employed by the local health department, if the individual has access to the medical history of the case and death is due to natural causes.

(4) If death occurs more than thirty-six (36) hours after the decedent was last treated or attended by a physician, dentist, or chiropractor, the case shall be referred to the coroner for investigation to determine and certify the cause of death. In the event that a coroner is not available to sign the certificate and there is no duly appointed deputy, the county judge/executive shall appoint a competent person to investigate the death and certify to its cause.

(5) The physician, dentist, chiropractor, or coroner who certifies to the cause of death shall return the certificate to the funeral director, or person acting as such, who, in turn, shall file the certificate directly with the Office of Vital Statistics. Any certified copies of the record requested at the time of filing shall be issued in not more than two (2) working days.

(6) The Office of Vital Statistics shall provide self-addressed, color-coded envelopes for the funeral homes in the Commonwealth of Kentucky.

(7) Three (3) free verification of death statements shall be provided to the funeral director by the Office of Vital Statistics for every death in the Commonwealth of Kentucky.

(8) The body of any person whose death occurs in Kentucky shall not be interred, deposited in a vault or tomb, cremated or otherwise disposed of, or removed from or into any registration district, until a provisional certificate of death has been filed with the local registrar of the registration district in which the death occurs. If the death occurred from a disease declared by the Cabinet for Human Resources to be infectious, contagious, or communicable and dangerous to the public health, no permit for the removal or other disposition of the body shall be granted by the registrar except under conditions prescribed by the Cabinet for Human Resources and the local health department. The Cabinet for Human Resources shall identify by regulation those communicable diseases which require blood and body fluid precautions. If a person who has been diagnosed as being infected with a communicable disease for which blood and body fluid precautions are required, dies within a health facility as defined in KRS 216B.015, the facility shall notify any embalmer or funeral director to whom the body will be transported of the need for such precautions. The notice shall be provided by including the statement "Blood and Body Fluid Precautions" on the provisional report of death form as prescribed by the Cabinet for Human Resources. Lack of this notice shall not relieve any embalmer or funeral director from taking universal blood and body fluid precautions as are recommended by the United States Department of Health and Human Services, Centers for Disease Control for Morticians' Services. No embalmer or funeral director shall charge more for embalming the remains of a person with a communicable disease which requires blood and body fluid precautions than the price for embalming services

listed on the price list funeral providers are required to maintain and provide to consumers pursuant to 16 C.F.R. Sec. 453.2 (1988).

(9) A burial-transit permit for the final disposition issued under the law of another state which accompanies a dead body or fetus brought into the Commonwealth shall be the authority for final disposition of the body or fetus in the Commonwealth and may be accepted in lieu of a certificate of death. There shall be noted on the face of the record made for return to the local registrar that the body was shipped to Kentucky for interment and the actual place of death.

(10) Nothing in this section shall be construed to delay, beyond a reasonable time, the interment or other disposition of a body unless the services of the coroner or the health officer are required or the Department for Health Services deems it necessary for the protection of the public health. If compliance with this section would result in unreasonable delay in the disposition of the body the funeral director, or person acting as such, shall file with the local registrar or deputy registrar prior to interment a provisional certificate of death which shall contain the name, date and place of death of the deceased, the name of the medical certifier, and an agreement to furnish within ten (10) days a complete and satisfactory certificate of death.

(11) No sexton or other person in charge of any place in which interment or other disposition of dead bodies is made shall inter or allow interment or other disposition of a dead body or fetus unless it is accompanied by a copy of the provisional certificate of death. The sexton, or if there is no sexton, the funeral director, or person acting as such, shall enter on the provisional certificate over his signature, the date, place, and manner of final disposition and file the certificate within five (5) days with the local registrar.

(12) Authorization for disinterment, transportation, and reinterment or other disposition shall be required prior to disinterment of any human remains. The authorization shall be issued by the state registrar upon proper application. The provisions of this subsection shall apply to all manners of disposition except cremation and without regard for the time and place of death. The provisions of KRS 381.765 shall not apply to remains removed for scientific study and the advancement of knowledge.

(13) After a death certificate has been on file for five (5) years, it may not be changed in any manner except upon order of a court. Prior to that time, requests for corrections, amendments, or additions shall be accompanied by prima facie evidence which supports the requested change.

SECTION 15. A NEW SECTION OF KRS CHAPTER 213 IS CREATED TO READ AS FOLLOWS:

(1) No person shall cremate or cause to be transported for the purpose of cremation the body of any person whose death occurs in the Commonwealth, without first obtaining from the coroner of the county in which the death occurred, a permit stating the cause of death and authorizing the cremation or transportation for cremation of the body. The permit shall be filed immediately following cremation with the local registrar of vital statistics.

(2) The provisions of this section shall not apply to the cremation of fetal death remains in the absence of any indication of a criminal act.

SECTION 16. A NEW SECTION OF KRS CHAPTER 213 IS CREATED TO READ AS FOLLOWS:

If a death is presumed to have occurred within the Commonwealth but the body cannot be located or recovered, a death certificate may be prepared by the state registrar upon receipt of an order of a court of competent jurisdiction, which shall include the finding of facts required to complete the death certificate. Such a death certificate shall be marked "presumptive" and shall show on the certificate the date of registration and shall identify the court and the date of decree.

SECTION 17. A NEW SECTION OF KRS CHAPTER 213 IS CREATED TO READ AS FOLLOWS:

If the fetal death

occurs in a hospital, the person in charge of the institution or the person's designated representative shall complete the certificate, obtain the medical certification, and file the certificate with the local registrar.

(2) The name of the father shall be entered on the fetal death report in accordance with the provisions of Section 8 of this Act.

(3) All induced terminations of pregnancy shall be reported in the manner prescribed in Section 19 of this Act and shall not be reported as fetal deaths.

SECTION 19. A NEW SECTION OF KRS CHAPTER 213 IS CREATED TO READ AS FOLLOWS:

If the induced termination of pregnancy was performed outside an institution, the attending physician shall prepare and file the report within fifteen (15) days after the end of the month in which the termination occurred. The report shall collect no information which will identify the physician, woman, or man involved.

SECTION 20. A NEW SECTION OF KRS CHAPTER 213 IS CREATED TO READ AS FOLLOWS:

The reports required under Section 19 of this Act are statistical reports to be used only for medical and health purposes and shall not be incorporated into the permanent official records of the system of vital statistics.

SECTION 1. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) The Cabinet for Human Resources shall develop, and enact by administrative regulation, procedures, instructions, worksheets and scales for the determination of a parent's monthly child support obligation, which shall be known as the Kentucky child support guidelines, and which shall take into account:

(a) The child's needs;

(b) The parents' gross income, or potential income if voluntarily unemployed or underemployed;

(c) The parents' assets;

(d) The parents' needs; and

(e) Any other factors the cabinet deems relevant.

(2) The Kentucky child support guidelines shall:

(a) Allocate the costs of raising children between the parents based on the concept that the child should receive the same proportion of parental income that he or she would have received if the parents lived together;

(b) Allow a deduction from gross income for the costs of health insurance coverage for the child;

(c) Allow the custodial parent an income disregard to provide a minimum self support reserve and recognize the non-monetary responsibilities of a custodial parent;

(d) Allow a deduction from gross income for the amount of pre-existing orders for child support to the extent payment is actually made under such orders;

(e) Allocate child care costs incurred due to employment, job search or education leading to employment, between the parents.

(3) The Cabinet for Human Resources shall review the Kentucky child support guidelines at least once every four (4) years to ensure that their application results in the determination of appropriate child support amounts.

(4) Copies of the Kentucky child support guidelines shall be made available to the courts, county offices, prosecuting attorneys, and, upon request, to any other state or county office or agency in any way engaged in child support collection and enforcement.

SECTION 2. A NEW SECTION OF KRS 403.210 TO 403.215 IS CREATED TO READ AS FOLLOWS:

(1) An action to establish or enforce child support may be initiated by the parent, child, or person or agency substantially contributing to the support of the child. The action may be brought in the county in which the child resides or where the defendant resides.

(2) In any proceeding to establish or modify child support, whether temporary or permanent, including proceedings for dissolution of marriage, legal separation, maintenance, child support, establishment of paternity, and juvenile proceedings, domestic violence proceedings or criminal proceedings where support is established, the court shall order either or both parents owing a duty of support to pay an amount for the support of the child or children, without regard to marital misconduct, in accordance with the Kentucky child support guidelines. There shall be a rebuttable presumption that the amount of the award which would result from the application of the Kentucky child support guidelines is the correct amount of child support to be awarded. A written finding that the application of the guidelines would be unjust or inappropriate in a particular case shall be sufficient to rebut the presumption and allow for an appropriate adjustment of the guideline award if based upon one (1) or more following criteria:

(a) A child's medical or dental needs or other extraordinary needs;

(b) A child's educational needs;

(c) A party's own extraordinary needs, such as medical expenses;

(d) Shared physical custody arrangements by which each parent exercises physical custody for more than thirty percent (30%) of the calendar year, defined as more than thirty percent (30%) of all overnights during the year;

(e) The independent financial resources, if any, of the child or children;

(f) Combined parental income in excess of the Kentucky child support guideline; and

(g) Any similar factor of an extraordinary nature specifically identified by the court which would make application of the guidelines inappropriate.

(3) When a party has defaulted or the court is otherwise presented with insufficient evidence to determine gross income, the court shall order child support based upon the needs or standard of living of the child, whichever is greater. The order may be retroactively modified upward, without a showing of change in circumstances at the time as sufficient evidence becomes available.

(4) Agreements between the parties establishing the amount of child support shall be in accordance with the Kentucky child support guidelines.

(5) All child support orders shall provide for health care coverage for dependent children if the coverage is reasonable under all the circumstances.

WHEREAS, debt issued by non-appropriation supported, independent state debt-issuing authorities accounts for over forty percent of the debt issued by state authorities and represents the fastest growing category of state debt since 1980; and

WHEREAS, there exists considerable uncertainty regarding the legal and practical fiscal liability of the General Assembly in the event of a default on a bond issued by a local government or a non-appropriation supported, independent state debt-issuing authority; and

WHEREAS, the General Assembly may want to establish more stringent oversight and reporting procedures regarding the debt for which it does have significant legal and practical responsibility;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. Section 2. That the study be completed no later than July 1, 1991, for referral to the appropriate committee of jurisdiction to consider study recommendations.

Section 3. Staff services to be utilized in completing this study are estimated to cost ten thousand dollars ($10,000) and shall be provided from the regular Legislative Research Commission budget, subject to he limitations and other research responsibilities of the Commission.

HCR 9, A CONCURRENT RESOLUTION reauthorizing and reestablishing a task force to study debt limits and other issues related to the creation of debt.

WHEREAS, the 1988 Regular Session of the General Assembly authorized and established a task force to determine safe levels of debt and develop a debt capacity model;

WHEREAS, the task force has prepared legislation for adoption by the 1990 Regular Session of the General Assembly the effects of which, if adopted, should be observed by a body familiar with the intent of the legislation; and

WHEREAS, the task force, during the course of its deliberations and study, identified areas related to the question of debt limits which were not addressed due to insufficient time to do so, but should be addressed;

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 131.170 is amended to read as follows:

The Revenue Cabinet may, when extension is not otherwise provided for, grant a reasonable extension of time for filing reports or returns whenever, in its judgment, good cause therefor exists. The cabinet shall keep a record of such extensions. Except where a taxpayer is abroad, no extension shall be granted for more than six (6) months, and in no case for more than one (1) year. If any extension operates to postpone a tax payment, interest at the ***tax interest rate as defined in KRS 131.016(6)*** [~~rate of one-half of one percent (.5%) per month or part thereof~~] shall be collected. The cabinet may condition the extension upon a bond sufficient to cover any tax and penalty determined to be due. The cabinet may, on request, permit a person to file a tax return or report or pay tax on a date other than that prescribed by statute, or to change the fiscal period covered by such return or report, if such a variation will not ultimately effect a reduction in revenue.

Section 2. KRS 136.050 is amended to read as follows:

(1) Except where otherwise specially provided, all corporations required to make reports to the Revenue Cabinet shall pay all taxes due the state from them into the State Treasury at the same time as natural persons are required to pay taxes, and when delinquent shall pay the same rate of interest and penalties as natural persons who are delinquent.

(2) All state taxes assessed against any corporation under the provisions of KRS 136.120 to 136.200 shall be due and payable as provided in KRS 131.110. All county, city, school and other taxes so assessed shall be due and payable thirty (30) days after notice of the amount of the tax is given by the collecting officer. The state, county, city, school and other taxes found to be due on any protested assessment or portion thereof shall begin to bear legal interest on the sixty-first day after the Kentucky Board of Tax Appeals acknowledges receipt of a protest of any assessment or enters an order to certify the unprotested portion of any assessment until paid, except that in no event shall interest begin to accrue prior to January 1 following March 31 of the year in which the report is due. Every corporation so assessed that fails to pay its taxes when due shall be deemed delinquent, a penalty of ten percent (10%) on the amount of the tax shall attach, and thereafter the tax shall bear interest at the ***tax interest rate as defined in KRS 131.010(6)*** [~~rate of ten percent (10%) per annum~~].

(2) On or before December 31 in each year each [~~such~~] person ***engaged in the business of conducting a race track*** shall file a final report with the Revenue Cabinet giving in summary form a recapitulation of the information furnished by the previous tentative reports filed during the year, computing the final license tax due the state for the year ending November 30 and showing the amount of license tax actually paid during ***the*** [~~such~~] year. Any balance of license tax due the state as shown on ***the*** [~~said~~] final report shall be paid at the same time as the filing thereof. Any overpayment in license tax disclosed by ***the*** [~~said~~] final report shall, at the option of the taxpayer, be promptly refunded by the state or credited against the license tax to be due from the taxpayer in the following year.

(3) Any person who fails to pay the tax due in the time specified shall pay a penalty equal to twenty percent (20%) of the amount of tax due and delinquent, together with interest at ***the tax interest rate as defined in KRS 131.010(6)*** [~~six percent (6%) per annum on both the original tax and the penalty~~].

Section 4. KRS 138.4631 is amended to read as follows:

(1) If any holder of a permit under KRS 138.463(2) fails or refuses to file a return or furnish any information requested in writing, the cabinet may, from any information in its possession, make an estimate of the permit holder's gross rental or lease charges and issue an assessment against ***the*** [~~such~~] permit holder based on the estimated gross rental or lease charges and add a penalty of ten percent (10%) of the amount of the assessment so determined. This penalty shall be in addition to all other applicable penalties provided by law.

(2) If any holder of a permit under KRS 138.463(2) fails to make and file a return required by KRS 138.463 on or before the due date of the return or the due date as extended by the cabinet, then, unless it is shown to the satisfaction of the cabinet that the failure is due to a reasonable cause, five percent (5%) of the tax found to be due shall be added to the tax for each thirty (30) days or fraction thereof elapsing between the due date of the return and the date on which filed, but the total penalty shall not exceed twenty-five percent (25%) of the tax; provided, however, that in no case shall the penalty be less than ten dollars ($10).

(3) If the tax imposed by KRS 138.463, whether assessed by the cabinet or the permit holder, or any installment or portion of the tax is not paid on or before the date prescribed for its payment, there shall be collected, as a part of the tax, interest upon the unpaid amount at the ***tax interest rate as defined in KRS 131.010(6)*** [~~rate of twelve percent (12%) per annum~~] from the date prescribed for its payment until payment is actually made.

Section 5. KRS 139.610 is amended to read as follows:

(1) The cabinet shall upon written request received on or prior to the due date of the return or tax, for good cause satisfactory to the cabinet, extend the time for filing the return or paying the tax for a period not exceeding thirty (30) days.

(2) Any person to whom an extension is granted and who pays the tax within the period for which the extension is granted shall pay, in addition to the tax, interest at the ***tax interest rate as defined in KRS 131.010(6)*** [~~rate of eight percent (8%) per annum~~] from the date on which the tax would otherwise have been due.

Section 6. KRS 140.210 is amended to read as follows:

(1) All taxes imposed by this chapter, unless otherwise provided in this chapter, shall be due and payable to the Revenue Cabinet at the death of the decedent. If they are paid within nine (9) months a discount of five percent (5%) shall be allowed, and if they are paid within eighteen (18) months no interest shall be charged and collected thereon. If the taxes due are not paid within eighteen (18) months, a penalty of ten percent (10%) per annum shall be charged and collected from the time the taxes accrued, except in cases where, by reason of claims made upon the estate, necessary litigation, or other unavoidable cause of delay, the estate of the decedent or a part thereof cannot be settled at the end of eighteen (18) months from the death of the decedent. In such cases ***interest at the tax interest rate as defined in KRS 131.010(6)*** [~~only eight percent (8%) per annum~~] shall be charged upon the tax from the expiration of ***the*** [~~said~~] eighteen (18) months until the cause of the delay is removed.

In the event a qualified person sells, conveys, or otherwise transfers the ownership, directly or indirectly, of the qualified real estate to any person or persons other than another qualified person who is a joint owner or the qualified real estate is converted to a use other than agricultural or horticultural use, then the qualified persons to whom the property passed at the death of the decedent in whose estate the agricultural or horticultural value shall cause to be paid, pursuant to regulations issued by the Revenue Cabinet, the additional inheritance tax that would have been due on the decedent's estate if fair market value had been used to compute the tax due on the estate rather than the agricultural or horticultural value, along with interest on the unpaid tax at the ***tax interest rate as defined in KRS 131.010(6)*** [~~rate of eight percent (8%) per annum~~].

Section 8. KRS 143A.110 is amended to read as follows:

In every case, any tax not paid on or before the due date shall bear interest at the ***tax interest rate as defined in KRS 131.010(6)*** [~~rate of ten percent (10%) per annum~~] from the date due until the date of payment.

(d) The annual normal retirement allowance for a member with ten (10) or more years of service, in the Kentucky employees retirement system, at least one (1) of which is current service, shall not be less than five hundred twelve dollars ($512); and

(e) The annual retirement allowance for a member of the Kentucky employees retirement system or County Employees Retirement System shall not exceed the maximum benefit as set forth in the Internal Revenue Code.

(2) (a) Upon service retirement prior to normal retirement date, a member may receive an annual retirement allowance payable monthly during his lifetime which shall be determined in the same manner as for retirement at his normal retirement date with years of service and final compensation being determined as of the date of his actual retirement, but the amount of the retirement allowance so determined shall be reduced to reflect the earlier commencement of benefits.

(b) There shall be no reduction in the retirement allowance of the member ***of the County Employees Retirement System who has twenty-seven (27) or more years of service credit, at least fifteen (15) of which are current service, or of the Kentucky Employees Retirement System member*** who has thirty (30) or more years of service credit, at least fifteen (15) of which are current service. A member who has earned vested service credit in a retirement system, other than the Teachers' Retirement System, sponsored by a Kentucky institution of higher education may count such vested service toward attaining thirty (30) years of service credit to qualify for an unreduced retirement allowance. Such credit from a Kentucky institution of higher education shall not be used, however, to calculate his retirement allowance pursuant to this section. The provisions of this paragraph shall not be construed to limit the use of teachers' retirement system credit pursuant to KRS 61.680(2)(a).

(3) The retirement allowance shall be calculated by using the member's known creditable compensation prior to his last month's employment and an estimate of his creditable compensation during the last month he was employed. Based upon this calculation, the state treasurer shall be requested to issue the initial retirement payment.

(4) A new calculation shall be made when the official report has been received of the member's creditable compensation during his last month's employment. However, the retirement allowance determined in accordance with subsection (3) of this section shall be the official retirement allowance unless the new calculation derives an amount which is one dollar ($1) greater or less than the amount of the initial retirement payment.

Section 2. KRS 78.610 is amended to read as follows:

(1) Each employee shall, commencing on August 1, ***1990*** [~~1986~~], contribute for each pay period, for which he receives compensation ***five percent (5%)*** [~~four and twenty-five hundredths percent (4.25%)~~] of his creditable compensation. Any other provisions of KRS 78.510 to 78.852 notwithstanding, any reemployed retiree, as described in KRS 61.637, shall contribute ***five percent (5%)*** [~~four and twenty-five hundredths percent (4.25%)~~] of his creditable compensation, or the amount required by KRS 61.592(3) if applicable, if he anticipates that he will receive more than the maximum permissible earnings, as provided by the federal Social Security Act, in compensation as a result of reemployment during the calendar year.

(2) The treasurer, attorney, clerk, jailer and sheriff of a participating county shall cause to be deducted from the "creditable compensation" of each employee for each and every payroll period subsequent to the date the county participated in the system, including the assumed creditable compensation of fire fighters employed by a district created pursuant to KRS 75.010, the contribution payable by such member as provided in KRS 78.510 to 78.852. The attorney, clerk, jailer and sheriff shall promptly pay such deducted employee contributions to the treasurer for forwarding to the board in accordance with KRS 78.625.

(3) The deductions provided for herein shall be made notwithstanding that the minimum compensation provided by law for any employee shall be reduced thereby. Every employee shall be deemed to consent and agree to the deductions made as provided herein; and payment of salary or compensation less such deductions shall be a full and complete discharge of all claims for services rendered by such person during the period covered by such payment, except as to any benefits provided by KRS 78.510 to 78.852.

(4) Each employer shall, solely for the purpose of compliance with section 414(h) of the United States Internal Revenue Code, pick up the employee contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(9). These contributions shall not be included as gross income of the employee until [~~such time as~~] the contributions are distributed or made available to the employee. The picked up employee contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982 by the employee contribution, and the picked up employee contribution shall be in lieu of an employee contribution. Each employer shall pay these picked up employee contributions from the same source of funds which is used to pay earnings to the employee. The employee shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employee contributions picked up after August 1, 1982 shall be treated for all purposes of KRS 78.510 to 78.852 in the same manner and to the same extent as employee contributions made prior to August 1, 1982. Employee contributions of volunteer fire fighters based upon an assumed salary pursuant to KRS 78.510(13) shall not be picked up by the employer.

Section 3. KRS 61.559 is amended to read as follows:

(1) In lieu of any other benefits due under KRS 61.510 to 61.705 and KRS 78.520 to 78.852 a member who has attained the age of sixty-five (65) and who has obtained at least one (1) month of service credit but no more than forty-seven (47) months of service, may elect to receive an annual retirement allowance payable monthly or less frequently as determined by the board which shall be determined by multiplying his accumulated contributions by two (2) and converting this amount to an annual retirement allowance based on an annuity rate adopted by the board which would pay the actuarial equivalent of twice his accumulated contributions over the lifetime of the retired member.

(2) A member sixty-five (65) years of age or older is eligible for a retirement allowance determined under KRS 61.595 provided such member has forty-eight (48) months of service, at least twelve (12) of which are current service, or a retirement allowance determined under KRS 61.595 prior to age sixty-five (65) provided:

(a) The member has attained age fifty-five (55) and has service of sixty (60) months at least twelve (12) of which are current service; or

(b) The member is a retired member of the State Police Retirement System, has attained age fifty-five (55), and has service of forty-eight (48) months at least twelve (12) of which are current service; or

(c) The member is less than age fifty-five (55) and has twenty-five (25) or more years of service, at least fifteen (15) of which are current service; or

(d) The member ***of the Kentucky Employees Retirement System*** has thirty (30) or more years of service at least fifteen (15) of which are current service***, or the member of the County Employees Retirement System has twenty-seven (27) or more years of service at least fifteen (15) of which are current service***; or

(e) The member has attained age fifty-five (55) and was an employee of a parted employer at the time his employer became ineligible to continue participation in the system, and his service in the system when added to his service with the parted employer subsequent to his separation from state government equals the early retirement service eligibility requirement of the system on the date his employer became ineligible to continue participation in the system.

As used in this chapter, unless the context clearly requires otherwise:

(1) "Base period" means the first four (4) of the last five (5) completed calendar quarters immediately preceding the first day of a worker's benefit year.

(2) "Benefit year" for any worker means the fifty-two (52) week period beginning with the first day of the week with respect to which he first requests a determination which establishes his status as a fully insured worker after the termination of his last preceding benefit year, if any, except that the last preceding

benefit year shall be a fifty-three (53) week period if fifty-two (52) weeks would result in the overlapping of any calendar quarter of the base period of the new benefit year with the same calendar quarter of the base period of the previous benefit year. As used in this subsection, a worker shall be considered as having insured status, without regard to any other provision of this chapter, if at the time of his request he has satisfied the conditions required under subsection (5) of KRS 341.350.

(3) "Base-period wages" means the wages paid to a worker during his base period by subject employers for covered employment. The secretary [~~shall~~], upon request of ***the*** employee, with respect to this subsection, ***shall*** consider wages payable to mean wages paid[~~, if necessary to make the employee meet the earnings requirement in KRS 341.350~~] in order to prevent inequities ***caused by employer failure to meet a regularly scheduled payday. Lump sum payments deemed to be wages under this chapter shall be reallocated to periods covered by the payments*** [~~in particular cases~~].

Section 3. KRS 341.190 is amended to read as follows:

(1) Each employing unit shall keep true and accurate work records of all workers employed by it, of the wages paid by it to each worker, and such other information as the secretary for human resources considers necessary for the proper administration of this chapter. ***The*** [~~Such~~] records shall be open for inspection and subject to being copied by the secretary or his authorized representatives at any reasonable time and as often as necessary.

(2) The secretary for human resources may require any employing unit to furnish to the department at its central office from time to time information concerning the total amounts of wages paid, total number of persons employed, an individual record of each worker employed, an individual record of each worker whose employment has been terminated or who has been laid off, an individual wage and hour record of each worker employed part time entitled to benefits, and other related matters, including hours worked, which the secretary for human resources considers necessary to the effective administration of this chapter.

(3) ***Information obtained from an employing unit or individual and other records made by the cabinet in the administration of this chapter are confidential and*** [~~All letters, reports, communications, and other matters, written or oral, from employer or worker, to the secretary for human resources or any of his agents, representatives, or employes, or to the commission, or to any board or official functioning under this chapter, which have been written, sent, or made in connection with the requirements and administration of this chapter, shall be absolutely privileged and shall not be the subject matter or basis for any suit for slander or libel in any court, but no employer or employe, or his representative, testifying before the commission, the secretary for human resources or any duly authorized representative thereof, shall be exempt from punishment for perjury. Information thus obtained~~] shall not be published or be open for public inspection except ***as provided below:***

(a) Information may be made available to public employees in the performance of their duties, ***but the agency receiving the information shall assure the confidentiality, as provided for in this section, of all information so released*** [~~in any manner revealing or indicating the employing unit's identity, but any claimant at a hearing before the commission, the secretary for human resources or his duly authorized representative, shall be supplied with information from such records to the extent necessary for the proper presentation of his claim~~].

(b) A claimant or employing unit or his legal representative shall be provided upon request information or records maintained by the cabinet in the administration of his claim, or his reserve account, or any proceeding under this chapter to which he is a party.

(c) Statistical information derived from information and records obtained or made by the cabinet may be published, if it in no way reveals the identity of any claimant or employing unit.

(d) Nothing in this section shall preclude the secretary or any employee of the cabinet from testifying in any proceeding under this chapter or in any court, or from introducing as evidence information or records obtained or made by the cabinet in an action for violation of state or federal law to which the cabinet is a party or upon order of the court.

(4) No information or records held confidential under subsection (3) of this section shall be the subject matter or basis for any suit for slander or libel in any court, but no employer or employee, or his representative, testifying before the commission, the secretary or any duly authorized representative thereof, shall be exempt from punishment for perjury.

Section 4. KRS 341.370 is amended to read as follows:

(1) A worker shall be disqualified from receiving benefits for the duration of any period of unemployment with respect to which:

(a) He has failed without good cause either to apply for available, suitable work when so directed by the employment office or the secretary or to accept suitable work when offered him, or to return to his customary self-employment when so directed by the secretary; or

(b) He has been discharged for misconduct or dishonesty connected with his most recent work, or from any work which occurred after the first day of the worker's base period and which last preceded his most recent work, but legitimate activity in connection with labor organizations or failure to join a company union shall not be construed as misconduct; or

(c) He has left his most recent suitable work or any other suitable work which occurred after the first day of the worker's base period and which last preceded his most recent work voluntarily without good cause attributable to the employment. No otherwise eligible worker shall be disqualified from receiving benefits for leaving his next most recent suitable work [~~to return to work with his usual employer or to avoid imminent layoff (of which he has been given notice by his employer) by accepting other work, or for leaving work~~] which was concurrent with his most recent work, [~~or for leaving part-time work which preceded his most recent suitable work to accept such most recent suitable work~~] or for leaving work which is one hundred (100) road miles or more, as measured on a one-way basis, from his home to accept work which is less than one hundred (100) road miles from his home ***or for otherwise accepting*** [~~provided the~~] work ***which*** is a bona fide job offer with a reasonable expectation of continued employment.

(2) A worker shall be disqualified from receiving benefits for any week with respect to which he knowingly made a false statement to establish his right to or the amount of his benefits, and, within the succeeding twenty-four (24) months, for ***the*** [~~such~~] additional weeks immediately following the date of discovery, not to exceed a total of fifty-two (52), as may be determined by the secretary.

(3) No worker shall be disqualified under paragraph (b) or (c) of subsection (1) of this section unless the employer, within a reasonable time as prescribed by regulations promulgated by the secretary, notifies the Cabinet for Human Resources and the worker in writing of the alleged voluntary quitting or the discharge for misconduct.[~~; provided, however, that~~] Nothing in this subsection shall restrict the right of the secretary [~~for human resources~~] to disqualify a worker whose employer has refused or failed to notify the Cabinet for Human Resources of the alleged voluntary quitting or discharge for misconduct, if ***the*** [~~such~~] alleged voluntary quitting or discharge for misconduct is known to the secretary [~~for human resources~~] prior to the time benefits are paid to ***the*** [~~such~~] worker.[~~; provided, further, that~~] The exercise of ***the*** [~~such~~] right by the secretary [~~for human resources~~], in the absence of timely notice from the employer, shall not relieve the employer's reserve account of benefit charges under the provisions of subsection (3) of KRS 341.530.

(4) As used in this section and in subsection (3) of KRS 341.530, "most recent" work shall be construed as that work which occurred after the first day of the worker's base period and which last preceded the week of unemployment with respect to which benefits are claimed; except that, if the work last preceding ***the*** [~~such~~] week of unemployment was seasonal, intermittent or temporary in nature, most recent work may be construed as that work last preceding ***the*** [~~such~~] seasonal, intermittent or temporary work.

(5) No worker shall be disqualified or held ineligible under the provisions of this section or KRS 341.350, who is separated from employment pursuant to a labor management contract or agreement, or pursuant to an established employer plan, program or policy, which permits the employer to close the plant or facility for purposes of vacation or maintenance.

(6) "Discharge for misconduct" as used in this section shall include, but not be limited to, separation initiated by an employer for falsification of an employment application to obtain employment through subterfuge; knowing violation of a reasonable and uniformly enforced rule of an employer; unsatisfactory attendance if the worker cannot show good cause for absences or tardiness; damaging the employer's property through gross negligence; refusing to obey reasonable instructions; reporting to work under the influence of alcohol or drugs or consuming alcohol or drugs on employer's premises during working hours; conduct endangering safety of self or co-workers; and incarceration in jail following conviction of a misdemeanor or felony by a court of competent jurisdiction, which results in missing at least five (5) days work.

(7) "Duration of any period of unemployment," as that term is used in this section, shall be the period of time beginning with the worker's discharge, voluntary quitting, or failure to apply for or accept suitable work and running until ***the*** [~~such~~] worker has worked in each of ten (10) weeks, whether or not consecutive, and has earned ten (10) times his weekly benefit rate in employment covered under the provisions of this chapter or a similar law of another state or of the United States.

HB 152, AN ACT relating to workers' compensation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 342.700 is amended to read as follows:

(1) Whenever an injury for which compensation is payable under this chapter has been sustained under circumstances creating in some person other than the employer a legal liability to pay damages, the injured employee may either claim compensation or proceed at law by civil action against such other person to recover damages, or proceed both against the employer for compensation and such other person to recover damages, but he shall not collect from both. If the injured employee elects to proceed at law by civil action against such other person to recover damages, he shall give due and timely ***written*** notice to the employer ***and its insurance carrier*** of the filing of such action. ***The injured employee shall also give due and timely written notice of the civil action to the special fund and uninsured employer's fund in the event either or both have been or will be parties to the employee's workers' compensation action.*** If compensation is awarded under this chapter, the employer, his insurance carrier, the special fund, and the uninsured employer's fund, or any of them, having paid the compensation or having become liable therefor, may recover in his or its own name or that of the injured employee from the other person in whom legal liability for damages exists, not to exceed the indemnity paid and payable to the injured employe, less the employe's legal fees and expense.

(2) A principal contractor, intermediate or subcontractor shall be liable for compensation to any employee injured while in the employ of any one of his intermediate or subcontractors and engaged upon the subject matter of the contract, to the same extent as the immediate employer. Any principal, intermediate or subcontractor who pays such compensation may recover the amount paid from any subordinate contractor through whom he has been rendered liable under this section. Every claim to compensation under this subsection shall in the first instance be presented to and instituted against the immediate employer, but such proceedings shall not constitute a waiver of the employe's rights to recover compensation under this chapter from the principal or intermediate contractor nor shall such claim be barred by limitations, provided such claim is filed against the principal or intermediate contractor within one year after a final unappealed order has been rendered by an administrative law judge determining that immediate employer has insufficient security to pay the full and maximum benefits that could be determined to be due him under this chapter. The collection of full compensation from one employer shall bar recovery by the employee against any other. But he shall not collect from all a total compensation in excess of the amount for which his immediate employer is liable. This subsection shall apply only in cases where the injury occurred on, in or about the premises on which the principal contractor has undertaken to execute work or which are under his control otherwise or management.

HR 42, A RESOLUTION commending the Louisville *Courier-Journal* for its series of articles entitled "Kentucky Schools at a Crossroads".

A crossroads is the point where one must choose between different courses of action.

WHEREAS, the high court of Kentucky placed its citizens at the crossroads of their childrens future by declaring the educational system to be unconstitutional; and

WHEREAS, since June of 1989 when the court's edict was issued, the members of the General Assembly, both individually and collectively, have been struggling to make some of the most critical decisions ever faced in the 197 year history of the Commonwealth; and

WHEREAS, the journalistic excellence of the Louisville *Courier-Journal* has greatly assisted the legislature with its task — for "Kentucky Schools at a Crossroads" has stripped the facade from the problems in which our educational system has been entrenched; and

WHEREAS, beginning in August 1989 with a special Bluegrass State Poll, the *Courier-Journal* found that Kentuckians would be willing to see their taxes increased for school reform if general administration and financial management of local systems could be improved and "politics" removed from our schools; and

WHEREAS, the segment on "Paying for Reform" dispelled many misconceptions about the tax burden in Kentucky and revealed that the tax burden on business and individuals is actually lower here than in other states; and

WHEREAS, "Paying for Reform" exposed the numerous flaws of Kentucky's system of property assessment — disclosing the prevalent practice of under assessing real estate; and

WHEREAS, "Paying for Reform" also reviewed how other states have tried to equalize school funding and proffered a step by step method for Kentucky that was very similar to the equalization formula recently proposed by a consultant to the special Task Force on Education Reform; and

WHEREAS, "Crises in Appalachia" was a superlative expose on the conditions and problems unique to poverty stricken areas that severely limit the opportunities of students in these systems; and

WHEREAS, the exhaustive efforts of the staff of the *Courier-Journal* revealed areas of Virginia that although located in Appalachia, the school systems have conquered the same historical problems that continue to plague Eastern Kentucky; and

WHEREAS, "Kentucky Schools at a Crossroads" attempted to answer the question of what constitutes an "adequate" education by evaluating problems and suggesting solutions to "how to obtain a better education"; and

WHEREAS, "Demographics of School Reform" was a segment that focused on how limited resources should be spent in the years ahead because in the future, there will be less of a need to concentrate on bricks and mortar and an increased need to concentrate limited resources on a growing number of disadvantaged students; and

WHEREAS, "Kentucky Schools at a Crossroads" provided an excellent overview of curriculum needs, targeting not only the inadequacy of pre-school programs and the disparities in course offerings between systems, but publicizing the innovative programs that are in desperate need of financial support — programs like the KET Star Channel and PACE; and

WHEREAS, "Kentucky Schools at a Crossroads" concluded with a look into the "troubles in teaching", bringing to light the frustration and poor working conditions of teaching in some public schools; and

WHEREAS, the authors of "Kentucky Schools at a Crossroads" had the courage to address the problems associated with tenure and the difficulties associated with removing a bad teacher from the classroom; and

WHEREAS, "Kentucky Schools at a Crossroads" was an exhaustive research project that contained a wealth of information, invaluable to the individuals who must soon choose a course of action;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. That the members of this august body do hereby commend and laud the Louisville *Courier-Journal* for its exemplary series "Kentucky Schools at a Crossroads".

Section 2. That the House does hereby praise every staff member of the *Courier-Journal* that contributed to this outstanding series.

Section 3. That the members of the House praise and esteem the Louisville *Courier-Journal* for its leadership role in education reform.

Section 4. That the Clerk of the House is directed to transmit a copy of this resolution to Mr. David Hawpe, Editor, Louisville *Courier-Journal.*

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) It is the finding of the General Assembly of the Commonwealth of Kentucky that circumstances have arisen in the waste disposal industry which encourage the incineration of solid waste. It is also a finding that the environmental consequences of burning solid waste are not completely known and that specific controls are yet to be written. To avoid the potential for environmental degradation which may result from a failure to respond on a timely basis to using incineration as a disposal method for solid waste, the cabinet shall develop standards for the design and operation of solid waste incinerators. It is the intent of the General Assembly that all facilities in Kentucky which burn solid waste shall comply with the standards.

(2) No permit shall be issued by any state agency authorizing the construction or operation of an incinerator fueled in part or in whole with solid waste until the offices of the cabinet with the responsibility for the management of waste and air quality have developed standards governing the design, construction, maintenance, closure, inspection, and operation of such facilities.

Section 2. KRS 141.990 is amended to read as follows:

(1) If any taxpayer fails or refuses to file a return or furnish any information requested in writing by the cabinet, the cabinet may make an estimate of the net income from any information in its possession, assess the tax at not more than twice the amount estimated to be due and add a penalty of twenty-five percent of the amount of any deficiency tax assessed concerning ***the*** [~~such~~] failure or refusal to file a return or furnish any information. (2) If any taxpayer fails to make and file a return required by this chapter on or before the due date of the return or the due date as extended by the cabinet, [~~or fails to pay the tax imposed by this chapter within the time prescribed,~~] then, unless it is shown to the satisfaction of the cabinet that the failure is due to reasonable cause, five percent of the tax found to be due by the cabinet shall be added to the tax for each thirty days or fraction thereof that [~~either~~] filing the return [~~or paying the tax~~] is beyond the time prescribed or extended, but the total penalty shall not exceed twenty-five percent of the tax.

(3) If any taxpayer fails to pay the tax imposed by this chapter on or before the due date of the return or the due date as extended by the cabinet, unless it is shown to the satisfaction of the cabinet that the failure is due to reasonable cause, there shall be added to the tax found to be due by the cabinet one-half percent (0.5%) of the amount of the tax if the failure is for not more than one (1) month, with an additional one-half percent (0.5%) for each additional month or fraction thereof that payment of the tax is made beyond the time prescribed or extended, but the total penalty shall not exceed twenty-five percent (25%) of the tax.

(4) If any corporation granted an extension of time to file its income return under the provisions of KRS 141.170(2) fails to pay any remaining balance shown on the return by the extended due date of the return, or fails to pay, prior to the granting of the extension, an amount equal to either:

(b) Ninety percent (90%) of its liability for the taxable year after the liability is reduced by any estimated tax payments, overpayments from prior years or other prepayments which may be properly claimed as a credit, then, unless it is shown to the satisfaction of the cabinet that the failure is due to reasonable cause, the penalty provided for in subsection (3) of this section shall be imposed from the original due date of the return.

(5)[~~(3)~~] If any part of any deficiency is due to negligence, or intentional disregard of rules and regulations but without intent to defraud, five percent of the total amount of the deficiency, in addition to the deficiency and other penalties provided in this section, shall apply.

(6)[~~(4)~~] If any part of any deficiency is due to fraud with intent to evade tax fifty percent of the total amount of the deficiency, in addition to the deficiency and other penalties provided in this section, shall apply.

However, where such failure is shown to be due to reasonable cause the cabinet may reduce the penalty provided herein to an amount equal to five percent of the amount of taxes that should have been properly withheld and paid over to the cabinet but not to exceed one hundred dollars, or ten dollars ($10), whichever is greater, for each such penalty. Each penalty shall be assessed and collected by the cabinet and the assessment of such penalty may be reviewed only in the manner provided in KRS 131.110. Installment underpayment is the installment determined by subsection (1) of KRS 141.044, less the installment actually paid, based upon seventy percent of the income tax shown to be due on the final return for the year reduced by five thousand dollars ($5,000).

(11)[~~(9)~~] Any penalty imposed by subsections (1), (2), (3), (4), (5), (6), (7), or (8) of this section shall be assessed, collected, and paid in the same manner as if it were a deficiency.

(12)[~~(10)~~] Every tax imposed by this chapter, and all increases, interest and penalties thereon, shall become, from the time it is due and payable, a personal debt to the state from the taxpayer or other person liable therefor.

(13)[~~(11)~~] In addition to the penalties herein prescribed, any taxpayer or employer, who willfully fails to make a return or willfully makes a false return, or who willfully fails to pay taxes owing or collected, with intent to evade payment of the tax or amount collected, or any part thereof, shall upon conviction thereof be fined not less than five hundred dollars nor more than five thousand dollars, or confined in the penitentiary for not less than twelve months or more than five years, or both.

(d) The sentencing court shall immediately notify the designated facility of the sentence and its effective date.

(e) The secretary of the Cabinet for Human Resources, or his designee, may authorize transfer of the person from the initially designated facility to another facility for therapeutic purposes. The sentencing court shall be notified of termination of treatment by the terminating facility.

(f) Responsibility for payment for treatment services rendered to persons pursuant to this section shall be as under the statutes pertaining to payment of patients and others for services rendered by the Cabinet for Human Resources, unless the person and the facility shall arrange otherwise.

(g) Any person found guilty of a subsequent offense of possession of controlled substances in violation of subsection (8) of this section shall be confined in the county jail for not more than one (1) year or be fined not more than five hundred dollars ($500), or both.

(h) Prior to the imposition of sentence upon conviction of a second or subsequent offense, the court shall obtain a report of case progress and recommendations regarding further treatment from the facility at which the person was treated following his first conviction. If such material is not available, the court shall notify the secretary of the Cabinet for Human Resources, and the secretary shall cause the person to be examined by a psychiatrist employed by the cabinet to evaluate his mental condition and to make recommendations regarding treatment and rehabilitation. The psychiatrist making the examination shall submit a written report of his findings and recommendations regarding treatment and rehabilitation to the court which shall make the report available to the prosecuting attorney and the attorney for the defendant. The court shall take such reports into consideration in determining sentence. The secretary may decline to cause such examination to be made if the number of psychiatrists on duty in the cabinet is insufficient to spare one from his regular duties or if no such service may be purchased at regular cabinet rates; in such event the secretary shall notify the clerk of the court to that effect within three (3) days after receipt of notification by the court.

(i) For purposes of this section, an offense is considered a second or subsequent offense, if, prior to his conviction of the offense, the offender has at any time been convicted under this chapter or under any statute of the United States or of any state relating to the substances classified as controlled substances.

(j) None of the provisions of this subsection shall be deemed to preclude the court from exercising its usual discretion with regard to ordering probation or conditional discharge.

(k) In the case of any person who has been convicted for the first time of possession of controlled substances, the court may set aside and void the conviction upon satisfactory completion of treatment, probation or other sentence, and issue to the person a certificate to that effect. A conviction voided under this subsection shall not be deemed a conviction for purposes of disqualifications or disabilities imposed by law upon conviction of a crime. Voiding of conviction under this subsection and dismissal may occur only once with respect to any person.

(9) Any person who knowingly and unlawfully possesses for his own use or transfers less than eight (8) ounces of marijuana shall be confined in the county jail for not more than ninety (90) days or be fined not more than two hundred fifty dollars ($250).

(a) Any person found guilty of violating subsection (9) above may be ordered to a facility designated by the secretary of the Cabinet for Human Resources where a program of education, treatment, and rehabilitation not to exceed ninety (90) days in duration shall be prescribed. The person ordered to the designated facility shall present himself for registration and initiation of a treatment program within five (5) days of the date of sentencing. If without good cause, the person fails to appear at the designated facility within the specified time, or if any time during the program of treatment prescribed, the authorized clinical director of the facility finds that the person is unwilling to participate in his treatment and rehabilitation, the director shall notify the sentencing court. Upon receipt of notification, the court shall cause the person to be brought before it and may continue the order of treatment and rehabilitation, or may order confinement in the county jail for not more than ninety (90) days or a fine of not more than two hundred fifty dollars ($250), or both. Upon discharge of the person from the facility by the secretary of the Cabinet for Human Resources, or his designee, prior to the expiration of the ninety-day period or upon satisfactory completion of ninety (90) days of treatment, the person shall be deemed finally discharged from sentence. The secretary, or his designee, shall notify the sentencing court of the date of such discharge from the facility.

(b) The secretary of the Cabinet for Human Resources, or his designee, shall inform each court of the identity and location of the facility to which a person sentenced by that court under this chapter shall be initially ordered.

(c) In the case of a person ordered to a facility for treatment and rehabilitation pursuant to this chapter, transportation to the facility shall be provided by the court when the court finds the person unable to convey himself to the facility within five (5) days of sentencing by reason of physical infirmity or financial incapability.

(d) The sentencing court shall immediately notify the designated facility of the sentence and its effective date.

(e) The secretary of the Cabinet for Human Resources, or his designee, may authorize transfer of the person from the initially designated facility to another facility for therapeutic purposes. The sentencing court shall be notified of termination of treatment by the terminating facility.

(f) Responsibility for payment for treatment services rendered to persons pursuant to this section shall be as under the statutes pertaining to payment by patients and others for services rendered by the Cabinet for Human Resources, unless the person and the facility shall arrange otherwise.

(g) None of the provisions of this chapter shall be deemed to preclude the court from exercising its usual discretion with regard to ordering probation or conditional discharge.

(h) In the case of any person who has been convicted of possession of marijuana, the court may set aside and void the conviction upon satisfactory completion of treatment, probation or other sentence, and issue to the person a certificate to that effect. A conviction voided under this subsection shall not be deemed a conviction for purposes of disqualifications or disabilities imposed by law upon conviction of a crime.

(10) Any person who knowingly and unlawfully possesses lysergic acid diethylamide or phencyclidine for his own use shall, for the first offense, be confined in the penitentiary for not less than one (1) year nor more than five (5) years or be fined not less than three thousand dollars ($3,000) nor more than five thousand dollars ($5,000), or both, and for each subsequent offense shall be confined in the penitentiary for not less than five (5) years nor more than ten (10) years or be fined not less than five thousand dollars ($5,000) nor more than ten thousand dollars ($10,000), or both.

(13) Any person who violates subsection (6) of KRS 218A.140 or who violates any other provision of this chapter, for which a specific penalty is not otherwise provided, shall be guilty of a misdemeanor and shall upon conviction be imprisoned for not more than ninety (90) days or fined not more than five hundred dollars ($500), or both.

(14) Any person who violates any of the provisions of KRS 218A.350 shall be guilty of a Class A misdemeanor for the first offense and a Class D felony for subsequent offenses.

HB 113, AN ACT relating to medical care.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) The general assembly finds that all adults have the fundamental right to control the decisions relating to their own medical care, including the decision to have medical or surgical means or procedures calculated to prolong their lives provided, withheld or withdrawn.

(2) In order that the dignity, privacy and sanctity of adults with terminal conditions may be respected even after they are no longer able to participate actively in decisions concerning their medical care, the general assembly hereby declares that the laws of the Commonwealth of Kentucky shall recognize the right of an adult to make a written declaration pursuant to the provisions of Section 3 of this Act, instructing the adult's physician to withhold or withdraw life-prolonging treatment in the event such person is diagnosed as having a terminal condition.

SECTION 2. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

As used in this Act:

(1) "Adult" means a person eighteen (18) years of age or older and who is of sound mind.

(2) "Attending physician" means the physician who has primary responsibility for the treatment and care of the patient.

(3) "Declaration" means a witnessed document in writing, voluntarily made by the declarant in accordance with the requirements of Section 3 of this Act.

(4) "Health care facility" means any institution, place, building, agency or portion thereof, public or private, whether organized for profit or not, used, operated or designed to provide medical diagnosis, treatment, nursing, rehabilitative or preventive care, and licensed pursuant to KRS Chapter 216B.

(5) "Life-prolonging treatment" means any medical procedure, treatment or intervention which:

(a) Utilizes mechanical or other artificial means to sustain, prolong, restore or supplant a spontaneous vital function or is otherwise of such a nature as to afford a patient no reasonable expectation of recovery from a terminal condition; and

(b) When applied to a patient in a terminal condition, would serve only to prolong the dying process. "Life-prolonging treatment" shall not include the administration of medication or the performance of any medical procedure deemed necessary to alleviate pain or for nutrition or hydration.

(6) "Physician" means a person licensed to practice medicine in the Commonwealth of Kentucky.

(7) "Qualified patient" means an adult patient of sound mind who has:

(a) Made a declaration in accordance with this Act;

(b) Been diagnosed by the attending physician and one (1) other physician as having a terminal condition, with said condition noted by both in the patient's medical record; and

(c) Who is not known to be pregnant.

(8) "Terminal condition" means a condition caused by injury, disease or illness which, to a reasonable degree of medical probability, as determined pursuant to subsection (5) of this section, solely by the qualified patient's attending physician and one (1) other physician, is incurable and irreversible and will result in death within a relatively short time, and where the application of life-prolonging treatment would serve only to artificially prolong the dying process.

SECTION 3. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) An adult may, prior to or after having been diagnosed as having a terminal condition, make a written declaration directing the withholding or withdrawal of life-prolonging treatment.

(2) Except as provided in Section 7 of this Act, a declaration made pursuant to this Act shall be honored by a declarant's family, regular family physician or attending physician, and any health care facility of or in which the declarant is a patient. A declaration made pursuant to this Act shall be substantially in the following form, and may include other specific directions. Should any other specific directions be held by a court of appropriate jurisdiction to be invalid, such invalidity shall not affect the declaration.

Declaration

Declaration made this _____ day of ________, ____ (month, year). I, __________________, wilfully and voluntarily make known my desire that my dying shall not be artificially prolonged under the circumstances set forth below, and do hereby declare:

If at any time I should have a terminal condition and my attending and one (1) other physician in their discretion, have determined such condition is incurable and irreversible and will result in death within a relatively short time, and where the application of life-prolonging treatment would serve only to artificially prolong the dying process, I direct that such treatment be withheld or withdrawn, and that I be permitted to die naturally with only the administration of medication or the performance of any medical treatment deemed necessary to alleviate pain or for nutrition or hydration.

In the absence of my ability to give directions regarding the use of such life-prolonging treatment, it is my intention that this declaration shall be honored by my attending physician and my family as the final expression of my legal right to refuse medical or surgical treatment and I accept the consequences of such refusal.

If I have been diagnosed as pregnant and that diagnosis is known to my attending physician, this directive shall have no force or effect during the course of my pregnancy.

I understand the full import of this declaration and I am emotionally and mentally competent to make this declaration.

It shall be the responsibility of the declarant to provide for notification to the declarant's attending physician that a declaration has been made. In the event the declarant is comatose, incompetent or otherwise mentally or physically incapable, any other person may notify the attending physician of the existence of a declaration. An attending physician who is so notified shall promptly make the declaration or a copy of the declaration a part of the declarant's medical records.

Upon receiving notice of the revocation, the attending physician or health care facility shall record, in the declarant's medical record, the time, date and place of such notice receipt. No physician or health care facility shall be subject to any liability for acting in good faith upon the knowledge, or lack thereof, of the existence or revocation of a declaration.

SECTION 6. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) A health care facility, physician or other person acting under the direction of a physician shall not be subject to criminal prosecution or civil liability or be deemed to have engaged in unprofessional conduct as a result of the withholding or the withdrawal of life-prolonging treatment from a patient in a terminal condition in accordance with this Act. A person who authorizes the withholding or withdrawal of life-prolonging treatment from a patient in a terminal condition in accordance with a declaration shall not be subject to criminal prosecution or civil liability for such action.

(2) The provisions of this section shall apply unless it is shown by a preponderance of the evidence that the person authorizing or effectuating the withholding or withdrawal of life-prolonging treatment did not, in good faith, comply with the provisions of this Act. A declaration made in accordance with this Act shall be presumed to have been made voluntarily and validly executed unless the attending physician or health care facility has actual knowledge to the contrary.

SECTION 7. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

Where an individual has been diagnosed as having a terminal condition and has executed a declaration, prior to or at the time of admission to a health care facility, the individual or the family or guardian of the individual shall inform the attending physician and health care facility of the existence of a declaration. An attending physician or health care facility which refuses to comply with the declaration of a qualified patient shall immediately inform the patient and the family or guardian of the patient of such refusal. No physician or health care facility which refuses to comply with the declaration of a qualified patient shall impede the transfer of such patient to another physician or health care facility which will comply with the declaration. In cases where the patient, the family, or the guardian of the patient, has requested and authorized a transfer, the transferring attending physician and health care facility shall supply the patient's medical records and other information or assistance, as may be medically necessary for the continued care of the patient, to the receiving physician and health care facility.

SECTION 8. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

Nothing in this Act shall be construed to condone, authorize or approve mercy killing or euthanasia, or to permit any affirmative or deliberate act to end life other than to permit the natural process of dying.

SECTION 9. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) The withholding or withdrawal of life-prolonging treatment from a qualified patient in accordance with the provisions of this Act shall not, for any purpose, constitute a suicide. Nor shall the making of a declaration pursuant to this Act affect the sale, procurement or issuance of any policy of life insurance, nor shall it be deemed to modify the terms of an existing policy of life insurance. No policy of life insurance shall be legally impaired or invalidated by the withholding or withdrawal of life-prolonging treatment from an insured qualified patient, notwithstanding any term of the policy to the contrary.

(2) No physician, health care facility, or other health care provider shall require any person to make a declaration as a condition of receiving health care services. No contract for health insurance under KRS 304.5-040, disability insurance, credit health insurance or insurance under nonprofit hospital, medical, surgical, dental and health service corporation, self-insured private employer group plan, or health maintenance organization as defined in KRS Chapter 304 shall require any person to make a declaration as a condition of being insured for health care services; neither shall any of the aforementioned health insurance contracts or plans be legally impaired or invalidated in any manner by the making of a declaration or the withholding or withdrawal of life-prolonging treatment from an insured qualified patient, notwithstanding any term of the policy to the contrary.

SECTION 10. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) This Act creates no presumption concerning the intention of an adult who has revoked or has not executed a declaration with respect to the use, withholding, or withdrawal of life-prolonging treatment in the event of a terminal condition.

(2) This Act shall not affect the right of an adult to make decisions regarding the use of life-prolonging treatment, so long as the adult is able to do so, or impair or supersede any right or responsibility that an adult has to effect the withholding or withdrawal of medical care.

SECTION 11. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) Any person who willfully conceals, cancels, defaces, obliterates, or damages the declaration of another without the declarant's consent or who falsifies or forges a revocation of the declaration of another, thereby causing life-prolonging treatment to be utilized in contravention of the previously expressed intent of the patient shall be civilly liable.

(2) Any person who falsifies or forges the declaration of another, or willfully conceals or withholds personal knowledge of the revocation of a declaration, with the intent to cause a withholding or withdrawal of life-prolonging treatment, contrary to the wishes of the declarant, and thereby, because of such act, directly cause life-prolonging treatment to be withheld or withdrawn and death to be hastened, shall be guilty of a Class B felony.

HB 126, AN ACT establishing a birth defects registry and making an appropriation therefor.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 200 IS CREATED TO READ AS FOLLOWS:

The General Assembly hereby finds and declares that birth defects, stillbirths, and miscarriages represent problems of significant health importance about which too little is known; that such conditions lead to severe mental anguish on the part of parents and frequently to high medical care costs; and that a system to obtain more information about these conditions could result in development and implementation of preventative measures to decrease their incidence and prevalence in the future. Therefore, it is the intent of the General Assembly to:

(1) Provide information on the incidence, prevalence and trends of birth defects, stillbirths, and miscarriages;

(2) Provide information as to the possible causes of birth defects, stillbirths, and miscarriages; and

(3) Develop prevention strategies for reducing the incidence of birth defects, stillbirths, and miscarriages.

SECTION 2. A NEW SECTION OF KRS CHAPTER 200 IS CREATED TO READ AS FOLLOWS:

(1) The Kentucky Commission for Handicapped Children shall establish and maintain, through its executive director, a birth defects registry that will provide a system for the collection of information concerning birth defects, stillbirths, and miscarriages. In establishing the system, the commission, through its executive director, may require general acute care hospitals licensed under the provisions of KRS Chapter 216B to maintain a list of patients up to age five (5) years, diagnosed with any birth defect as incorporated within the World Health Organization's International Classification of Diseases — 9th Revision and any subsequent revisions — diagnostic code categories 740 through 759.9, and all women discharged with a diagnosis of stillbirth or miscarriage. The list shall be made available to commission staff upon request and shall be used solely for purposes provided for in this Act.

(2) The executive director may require general acute care hospitals and free standing birthing centers licensed under the provisions of KRS Chapter 216B to make available to commission staff the medical records of any patients who have been diagnosed with any birth defect or who were discharged with a diagnosis of stillbirth or miscarriage as provided in this section.

(3) The system may cover all or any part of the Commonwealth, depending on funding and other appropriate considerations, including an assessment of the need to obtain the information and the ability of the commission to utilize the information for the purposes of this Act.

(4) The commission may, subject to the provisions of KRS Chapter 13A, issue administrative regulations necessary to implement the provisions of this Act.

SECTION 3. A NEW SECTION OF KRS CHAPTER 200 IS CREATED TO READ AS FOLLOWS:

(1) The executive director of the commission shall appoint an advisory committee to advise on the implementation of this Act. The advisory committee shall have representation from the disciplines of obstetrics and gynecology, pediatrics, genetics, epidemiology, biostatistics, hospital administration, and at least one (1) parent of a child with a birth defect. Other disciplines may be represented at the discretion of the executive director and as need dictates.

(2) If the commission finds it necessary to collect information from sources other than general acute care hospitals and free standing birthing centers, the executive director shall first consult with the advisory committee.

SECTION 4. A NEW SECTION OF KRS CHAPTER 200 IS CREATED TO READ AS FOLLOWS:

(1) All information collected and analyzed pursuant to this Act shall be held confidential insofar as the identity of the individual patient is concerned. Staff of the commission may use the information to make referral for medical care and any other service deemed necessary by the parents of a child with a birth defect.

(2) Access to information assembled by the birth defects registry shall be limited to the staff of the commission and to qualified persons or organizations with a valid scientific interest as determined by the executive director of the commission, who are engaged in demographic, epidemiological or other similar studies related to health and health care provision and who agree, in writing, to maintain confidentiality.

(3) The commission shall maintain an accurate record of all persons who are given access to the information in the system. The record shall include: the name of the person authorizing access; name, title and organizational affiliation of persons given access; dates of access; and the specific purpose for which information is to be used. The record of access shall be open to public inspection during normal operating hours of the commission.

(4) Nothing in this section shall prohibit the publishing by the commission of statistical compilations relating to birth defects, stillbirth, or miscarriage which do not in any way identify individual cases or individual sources of information.

Section 5. KRS 200.490 is amended to read as follows:

(1) Except as provided under Sections 1 through 4 of this Act, all information as to medical data, personal facts, and circumstances obtained by the commission for handicapped children staff shall constitute privileged communications, shall be held confidential and shall not be divulged without the consent of the father, mother, guardian, person who committed the child, or the patient involved, except as may be necessary to provide additional services to children through other medical, welfare or service agencies and institutions. ***The*** [~~Such~~] information may be disclosed in summary, statistical or other form which does not identify particular individuals.

(2) Any person who, in violation of a written agreement to maintain confidentiality, discloses any information provided under this Act or who uses information provided under this Act in a manner other than that approved by the committee for the protection of human subjects pursuant to Section 4 of this Act may be denied further access to any confidential information maintained by the commission. That person shall also be subject to a civil penalty of five hundred dollars ($500). The penalty provided in this subsection shall not be construed as restricting any remedy, provisional or otherwise, provided by law for the benefit of the commission or any person.

Section 6. To carry out the purposes of this Act, there is appropriated to the Commission for Handicapped Children out of the general fund in the State Treasury the sum of $157,800 for the 1990-91 fiscal year and $149,700 for the 1991-92 fiscal year.

(c) Any appropriate law enforcement officer may take a child into protective custody and may hold that child in protective custody without the consent of the parent or other person exercising custodial control or supervision if there exist reasonable grounds for the officer to believe that the child is in danger of imminent death or serious physical injury or is being sexually abused and that the parents or other person exercising custodial control or supervision are unable or unwilling to protect the child. (b) For retirements effective January 1, 1984, and thereafter, the annual allowance shall be determined as set out in subsection (1)(a) of this section, except that the allowance for service performed after January 1, 1984, shall be valued at the annual rate of two and one-half percent (2 1/2%) of the final average salary for all members not employed by a state university or college. The above minimums shall apply to the retired members receiving annuity payments and to those members retiring on or subsequent to the effective dates listed in this subsection. Eligibility for the benefits provided under this subsection shall be determined after applying any other cost-of-living adjustments provided by statute to the June, 1986 and June, 1987 annuity payment of the member.

(4) The minimum provided in this section shall apply in the case of teachers retired or retiring under an option other than a life annuity with refundable balance in the same proportion to the benefits of the teacher and his beneficiary or beneficiaries as provided in the duly adopted option tables at the time of the member's retirement.

Eligibility for this payment shall continue for the life of such child or until such time as the mental ***or physical*** condition creating the dependency no longer exists or the child marries. The board of trustees shall be the sole judge of eligibility or dependency and may require formal application or information relating thereto.

When the earnings on investments of the retired teacher savings exceeds the actuarial assumed rate of interest, the board of trustees may allocate such excess earnings toward the funding of the amortized payments required during the 1988-90 biennium for the cost-of-living increases approved under subsection (5) of this section.

(7) When the wife is pregnant at the time the petition is filed, the court may continue the case until the pregnancy is terminated.

(8) Unless the court otherwise directs, the petitioner shall file a sworn disclosure statement on a form approved by the Kentucky Supreme Court, copies of which can be obtained from the Administrative Office of the Courts. This form shall be filed within thirty (30) days after the filing of the response or after the expiration date for filing of the response. The respondent shall file a sworn financial disclosure statement on the same form within fifteen (15) days of the petitioner's filing the statement. No actions shall be assigned for a pretrial conference without both disclosure statements in the file. To the extent possible, the respondent shall present information in the same order as that used by the petitioner.

(9) Extensions of the time required under subsection (8) of this section shall be by leave of court for good cause shown.

Section 2. KRS 403.160 is amended to read as follows:

(1) In a proceeding for dissolution of marriage or for legal separation, or in a proceeding for disposition of property or for maintenance or support following dissolution of the marriage by a court which lacked personal jurisdiction over the absent spouse, either party may move for temporary maintenance [~~or temporary support of a child of the marriage entitled to support~~]. The motion shall be accompanied by an affidavit setting forth the factual basis for the motion and the amounts requested.

(2) ***Upon motion by either party accompanied by an affidavit setting forth the number of children of the marriage and income of the parties, the court, without a hearing, shall order an amount of temporary child support based upon guidelines as provided by law, the order effective immediately; either party may move for a hearing before the court to contest or modify the order pursuant to the rules of the local court.***

(3) As part of a motion for temporary maintenance or support or by independent motion accompanied by affidavit, either party may request the court to issue a temporary injunction or restraining order pursuant to the Rules of Civil Procedure.

(4)[~~(3)~~] On the basis of the showing made and in conformity with KRS 403.200 [~~and 403.210~~], the court may issue a temporary injunction or restraining order and an order for temporary maintenance [~~or support~~] in amounts and on terms just and proper in the circumstances.

(5)[~~(4)~~] A temporary order or temporary injunction:

(a) Does not prejudice the rights of the parties or the child which are to be adjudicated at subsequent hearings in the proceeding;

(b) May be revoked or modified before final decree on a showing of the facts necessary to revocation or modification under the circumstances; and

(c) Terminates when the final decree is entered or when the petition for dissolution or legal separation is voluntarily dismissed.

Section 3. KRS 403.210 is amended to read as follows:

(1) In a proceeding for dissolution of marriage, legal separation, maintenance, or child support, the court may order either or both parents owing a duty of support to a child of the marriage to pay an amount reasonable or necessary for his support, without regard to marital misconduct, after considering all relevant factors including:

(a)[~~(1)~~] The financial resources of the child;

(b)[~~(2)~~] The financial resources of the custodial parent;

(c)[~~(3)~~] The standard of living the child would have enjoyed had the marriage not been dissolved;

(d)[~~(4)~~] The physical and emotional condition of the child, and his educational needs[~~, including educational needs of a child who has attained the age of eighteen (18) years or older and who is enrolled on a full-time basis in high school~~]; and

(e)[~~(5)~~] The financial resources and needs of the noncustodial parent.

(2) The court shall include in its order or decree a provision stating an amount reasonable for the education of the child through the completion of high school, but not beyond June 1 of the school year during which the child reaches the age of nineteen (19) years.

Section 4. KRS 454.275 is amended to read as follows:

In a proceeding to determine child support liability, a court may exercise personal jurisdiction over a person whose marital domicile ***was*** [~~is~~] in Kentucky, ***and whose minor child or children reside in Kentucky,*** and who, [~~for the purpose of avoiding support and maintenance of his minor children,~~] removes himself from the jurisdiction of the court. In such cases service may be had as provided in KRS 454.210 and 454.270.

Section 5. KRS 403.220 is amended to read as follows:

The court from time to time after considering the financial resources of both parties may order a party to pay a reasonable amount for the cost to the other party of maintaining or defending any proceeding under this chapter and for attorney's fees, including sums for legal services rendered and costs incurred prior to the commencement of the proceeding or after entry of judgment. ***In a proceeding to enforce payment of child support, there shall be a presumption in favor of an award of attorney's fees to the prevailing party.***

The court may order that the amount be paid directly to the attorney, who may enforce the order in his name.

Section 6. KRS 403.200 is amended to read as follows:

(1) In a proceeding for dissolution of marriage or legal separation, or a proceeding for maintenance following dissolution of a marriage by a court which lacked personal jurisdiction over the absent spouse, the court may grant a maintenance order for either spouse only if it finds that the spouse seeking maintenance:

(a) Lacks sufficient property, including marital property apportioned to him, to provide for his reasonable needs; and

(b) Is unable to support himself through appropriate employment or is the custodian of a child whose condition or circumstances make it appropriate that the custodian not be required to seek employment outside the home.

(2) Fault shall not be considered in determining whether a spouse is entitled to maintenance under subsection (1) of this section.

(3) The maintenance order shall be in such amounts and for such periods of time as the court deems just, and after considering all relevant factors including:

(a) The financial resources of the party seeking maintenance, including marital property apportioned to him, and his ability to meet his needs independently, including the extent to which a provision for support of a child living with the party includes a sum for that party as custodian;

(b) The time necessary to acquire sufficient education or training to enable the party seeking maintenance to find appropriate employment;

(c) The standard of living established during the marriage;

(d) The duration of the marriage;

(e) The age, and the physical and emotional condition of the spouse seeking maintenance; and

(f) The ability of the spouse from whom maintenance is sought to meet his needs while meeting those of the spouse seeking maintenance.

(4) Upon determination by the court that a party is entitled to maintenance, fault by either party may be considered in determining the amount and duration of maintenance.

(5) The transfer to a spouse of an interest in a retirement plan qualified under the provisions of the Internal Revenue Code shall not be considered as a factor to deny, revoke, or modify a maintenance award if the following conditions are satisfied:

(a) The interest has been awarded under KRS 403.190 to a spouse seeking maintenance; and

(b) The interest is transferred to another retirement plan within sixty (60) days of receipt by virtue of the order dividing the property.

A transfer qualifying under this subsection shall not be considered changed circumstances under KRS 403.250 until withdrawals are made from the account.

(6) If the spouse seeking maintenance meets the criteria provided in subsection (1) of this section and had been married ten (10) years or longer, there shall be a rebuttable presumption of maintenance for the lifetime of the spouse seeking maintenance, subject to review.

Section 7. KRS 403.250 is amended to read as follows:

(1) Except as otherwise provided in subsection (6) of KRS 403.180 ***and subsection (4) of this section,*** the provisions of any decree respecting maintenance or support may be modified only upon a showing of changed circumstances so substantial and continuing as to make the terms unconscionable. The provisions as to property disposition may not be revoked or modified, unless the court finds the existence of conditions that justify the reopening of a judgment under the laws of this state.

(2) Unless otherwise agreed in writing or expressly provided in the decree, the obligation to pay future maintenance is terminated upon the death [~~of either party~~] or [~~the~~] remarriage of the party receiving maintenance ***but not by the death of the party obligated to pay maintenance. When a party obligated to pay maintenance dies, the amount of maintenance may be modified, revoked, or commuted to a lump sum payment, to the extent just and appropriate in the circumstances.***

(3) Unless otherwise agreed in writing or expressly provided in the decree, provisions for the support of a child are terminated by emancipation of the child but not by the death of a parent obligated to support the child. When a parent obligated to pay support dies, the amount of support may be modified, revoked, or commuted to a lump sum payment, to the extent just and appropriate in the circumstances.

(4) The court may consider the voluntary cohabitation of a party receiving maintenance with a member of the opposite sex as a factor to modify or terminate periodic payments of maintenance unless expressly provided in the decree that maintenance shall not terminate upon the remarriage of the party receiving maintenance. As used in this subsection, the term "cohabitation" means the dwelling together continuously and habitually of a man and a woman as though married even though the relationship has not been solemnized as a marriage according to law.

Section 8. KRS 161.700 is amended to read as follows:

[~~(1)~~] ***Except in a proceeding as provided in KRS 403.190(1) and as provided in this chapter,*** the right of a teacher to a retirement allowance and to the return of contributions, any benefit or right accrued or accruing to any person under the retirement system, and the money in the various funds of the retirement system are exempt from any state or municipal tax, are not subject to execution, garnishment, attachment or other process, and are unassignable [~~except as provided in this chapter~~].

[~~(2) Retirement allowance, disability allowance, accumulated contributions or any other benefit under the retirement system shall not be classified as marital property pursuant to KRS 403.190(1). Retirement allowance, disability allowance, accumulated contributions or any other benefit under the retirement system shall not be considered as an economic circumstance during the division of marital property in an action for dissolution of marriage pursuant to KRS 403.190(1)(d).~~]

Section 9. KRS 61.690 is amended to read as follows:

(1) ***Except in a proceeding as provided in KRS 403.190(1),*** all retirement allowances and other benefits accrued or accruing to any person under the provisions of KRS 61.510 to 61.705, 16.505 to 16.652 and 78.510 to 78.852, and the accumulated contributions and cash securities in the funds created under KRS 61.510 to 61.705, 16.505 to 16.652 and 78.510 to 78.852, are hereby exempt from any state, county, or municipal tax, and shall not be subject to execution, attachment, garnishment, or any other process whatsoever, nor shall any assignment thereof be enforceable in any court.

(2) [~~A retirement allowance, a disability allowance, a member's accumulated contributions or any other benefit under the system shall not be classified as marital property pursuant to KRS 403.190(1) in an action for dissolution of marriage if the property of the other party to the action is exempted from a marital property classification pursuant to KRS 161.700(2).~~

~~(3)~~] Qualified domestic relations orders issued by a court shall be honored by the retirement systems if the orders are in compliance with the policy adopted by the board pursuant to KRS 61.645(9)(e).

Section 10. KRS 427.120 is amended to read as follows:

Except in a proceeding as provided in KRS 403.190(1), no part of any police or fire fighter's pension fund established in a city of the first, second or third class shall, before or after its order for distribution to any person entitled thereto, be seized or levied upon by any writ or decree for the payment of any debt, claim or judgment against the beneficiary of the fund.

Section 11. KRS 427.125 is amended to read as follows:

Except in a proceeding as provided in KRS 403.190(1), no portion of a pension fund created under KRS 95.761 to 95.785 shall, before or after its order for distribution by the board of trustees to the persons entitled thereto, be held, seized, taken, subjected to or detained or levied upon by virtue of any attachments, execution, injunction, writ, interlocutory, or other order, or decree, or any process or proceeding whatever issued out of or by any court of this state for the payment or satisfaction, in whole or in part, of any debt, damage, claim, demand or judgment against the beneficiary of said fund, but said fund shall be held and distributed for the purpose of KRS 95.761 to 95.785, and for no other purpose whatever.

Section 12. KRS 421.210 is amended to read as follows:

(1) In all actions between husband and wife, or between either or both of them and another, either or both of them may testify as other witnesses, except as to confidential communications between them during marriage, provided, however, that in an action for absolute divorce or divorce from bed and board, either or both of them may testify concerning any matter involved in the action, including questions of property[~~; and provided further, that neither may be compelled to testify for or against the other~~]. ***Neither husband or wife may be compelled to testify for or against the other; however, this privilege shall not apply to criminal***

acts committed before the marriage.

(2) Subject to the provisions of subsection (6) of this section, no person shall testify for himself concerning any verbal statement of, or any transaction with, or any act done or omitted to be done by an infant under fourteen (14) years of age, or by one who is of unsound mind or dead when the testimony is offered to be given except for the purpose, and to the extent, of affecting one who is living, and who, when over fourteen (14) years of age and of sound mind, heard such statement, or was present when such transaction took place, or when such act was done or omitted, and except in actions for personal injury, death or damage to property by negligence or tortious acts, unless:

(a) The infant or his guardian shall have testified against such person, with reference to such statement, transaction or act; or

(b) The person of unsound mind shall, when of sound mind, have testified against such person, with reference thereto; or

(c) The decedent, or a representative of, or someone interested in, his estate, shall have testified against such person, with reference thereto; or

(d) An agent of the decedent or person of unsound mind, with reference to such act or transaction, shall have testified against such person, with reference thereto, or be living when such person offers to testify, with reference thereto.

(3) No person shall testify for himself, in chief, in an ordinary action, after introducing other testimony for himself, in chief; nor in an equitable action, after taking other testimony for himself, in chief.

(4) No attorney shall testify concerning a communication made to him, in his professional character, by his client, or his advice thereon, without the client's consent; nor shall an ordained minister, priest, rabbi or accredited practitioner of an established church or religious organization be required to testify in any civil or criminal case or proceedings preliminary thereto, or in any administrative proceeding, concerning any information confidentially communicated to him in his professional capacity under such circumstances that to disclose the information would violate a sacred or moral trust, unless the person making the confidential communication waives such privilege herein provided.

(5) If the right of a person to testify for himself be founded upon the fact that one who is dead or of unsound mind has testified against him, the testimony of such person shall be confined to the facts or transactions to which the adverse testimony related.

(6) A person may testify for himself as to the correctness of original entries made by him against persons who are under no disability — other than infancy — in an accounting, according to the usual course of business though the person against whom they were made may have died or have become of unsound mind; but no person shall testify for himself concerning entries in a book, or the contents or purport of any writing, under the control of himself, or of himself and others jointly, if he refuse or fail to produce such book or writing, and to make it subject to the order of the court for the purposes of the action, if required to do so by the party against whom he offers to testify.

(7) The assignment of a claim by a person who is incompetent to testify for himself shall not make him competent to testify for another.

(8) A party may be examined as if under cross-examination at the instance of the adverse party, either orally or by deposition as any other witness; but the party called for such examination shall not be concluded thereby, but may rebut it by counter testimony.

(9) None of the preceding provisions of this section applies to affidavits for provisional remedies, or to affidavits of claimants against the estates of deceased or insolvent persons, or affect the competency of attesting witnesses of instruments which are required by law to be attested.

Section 1. KRS 426.720 is amended to read as follows:

(1) A final judgment for the recovery of money or costs in the courts of record in this Commonwealth, whether state or federal, shall act as a lien upon all real estate in which the judgment debtor has any ownership interest ***or acquires any ownership interest subsequent to the judgment***, in any county in which the following first shall be done:

(a)[~~(1)~~] The judgment creditor or his counsel shall file with the county clerk of any county a notice of judgment lien containing the court of record entering the judgment, the civil action number of the suit in which the judgment was entered, and the amount of the judgment, including principal, interest rate, court costs, and any attorney fees;

(b)[~~(2)~~] The county clerk shall enter the notice in the lis pendens records in that office, and shall so note the entry upon the original of the notice;

(d)[~~(4)~~] The judgment creditor or his counsel shall certify on the notice of judgment lien that a copy thereof has been mailed to the judgment debtor in compliance with subsection (3) of this section.

(2) In an action in which an appeal is taken from a final judgment within the provisions of subsection (1) of this section, the owner of real property against which a judgment lien has been asserted under that subsection may, at any time before the finality endorsement issues on the decision of the appellate court, execute before the county clerk of any county in which real property subject to the judgment lien lies a bond for double the amount of the final judgment, including principal, interest, court costs, and any attorney fees, with good sureties to be approved by the clerk, conditioned upon the obligors satisfying the final judgment in the event that it is sustained on appeal. The bond shall be preserved by the clerk, and upon its execution the judgment lien upon the real property within that county shall be discharged. If a judgment lien under subsection (1) of this section has been filed in more than one (1) county, a separate bond shall be executed in each of those counties in which the judgment lien is sought to be discharged.

HB 217, AN ACT relating to statutory liens.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 376.275 is amended to read as follows:

(1) When a motor vehicle has been involuntarily towed or transported pursuant to order of police, other public authority, or private person or business for any reason or when ***the*** [~~said~~] vehicle has been stolen or misappropriated and its removal from the public ways has been ordered by police, other public authority, or by private person or business, or in any other situation where a motor vehicle has been involuntarily towed or transported by order of police, other authority, or by private person or business, the police, other authority, private person or business shall attempt to ascertain from the Transportation Cabinet the identity of the registered owner of the motor vehicle or lessor of a motor carrier as defined in KRS Chapter 281 and within ten (10) business days of the removal shall, by certified mail, attempt to notify the registered owner at the address of record of the make, model, license number and vehicle identification number of the vehicle and of the location of the vehicle, and the requirements for securing the release of said motor vehicle.

If after a period of ***forty (40)*** [~~sixty (60)~~] days the reasonable or agreed charges for storing or towing a motor vehicle have not been paid, the motor vehicle may be sold to pay the charges after the owner has been notified by certified mail ten (10) days prior to the time and place of the sale. ***If*** [~~Should~~] the proceeds of the sale of any vehicle pursuant to this section ***are*** [~~be~~] insufficient to satisfy accrued charges for towing, transporting, ***and*** [~~and/or~~] storage, ***the*** [~~said~~] sale and collection of proceeds shall not constitute a waiver or release of responsibility for payment of unpaid towing, transporting, ***and*** [~~and/or~~] storage charges by the owner or responsible casualty insurer of ***the*** [~~said~~] vehicle. January 18, 1990

Lt. Governor Jones, Mr. Speaker, Distinguished Members of the General Assembly, Mr. Chief Justice Stephens, Members of the Supreme Court, Honored Guests.

Perhaps once in a generation we face a moment like this, a moment when the eyes of history focus squarely on our Commonwealth and its leaders must rise to the challenge of change. I welcome this chance to set a course that will propel the Commonwealth into the 1990's and the 21st century. I call on you today and as you labor through the weeks ahead to keep your "eyes on the prize" and win a significant, even an historic, victory for all the people of Kentucky, especially our children. This budget is about the future of Kentucky. But in setting a course for the future, it is essential that we not repeat the mistakes of the past. It is critical that we present solutions equal to the challenges we face. We must address the accumulated deficiencies caused by years of "business as usual" in Frankfort, years of neglect, of inadequacy, of indecision and timidity. This budget lifts this Commonwealth up on a host of fronts, but especially in the programs and policies that affect our children and our future. This speech, like the budget it presents, is about reality, not rhetoric. There is a time for rhetorical flourishes, but that time is not now. Now is the time to get down to business. So bear with me for awhile as we make our way through these numbers, and forge a new future for Kentucky.

You will have an opportunity in the next 48 legislative days to completely examine and dissect these proposals in your committee meetings and deliberations. I welcome your scrutiny. I welcome your interest, constructive revisions, and improvements. I believe we have a sound package that must be enacted. We shall not soon have this opportunity again. We cannot afford to squander it. This budget sets priorities that concentrate our resources where they need to be focused, on education; human services; economic revitalization; on the environment and quality of life; on roads, bridges, airports, and water, sewer, and utility systems; on maintenance, improvement, and renovation of our major investments in parks, schools; and on our universities, hospitals, and prisons and on good management. Within these priorities, this budget emphasizes equity not only in elementary and secondary education, but for expanded access to higher education, community college funding, welfare reform and medicaid, and ultimately in our state revenue structure.

One new piece of Kentucky's revenue pie is the lottery. In 1988, the people of Kentucky voted overwhelmingly to create a state lottery. Now that we have a lottery, it is appropriate to dedicate its proceeds to education and to senior citizens' programs. The people of Kentucky expect that the lottery will pay for a portion of the education budget. We know that it cannot pay for all that is needed. But it is critical that the lottery be dedicated to education and senior citizens after the Vietnam veterans receive their bonus. We cannot call on the citizenry to support enhanced revenues if we do not first pledge the lottery to the education reform effort.

Education Reform and Education Funding

The Executive Budget for 1990-92 provides an increase in state funds for elementary and secondary education of 25 percent compared to the current biennium. This increase will support the final product of the task force on education reform. It will support a restructuring of our school system as required by the Kentucky Supreme Court. More importantly, it will support the most significant strides ever made in Kentucky for equity in funding for education. The Executive Budget includes an increase of $263 million during the biennium for school equalization funding. Let me repeat that figure, $263 million more for equity. This will increase by 125 percent our commitment to equalization by the end of the biennium. These funds will enable our poorer school districts to provide the teachers, classroom supplies, instructional materials, and school buildings necessary for a better education. We will have done more for school equalization during my administration than in the previous eleven years since the equalization program was started.

Every major national study of education has concluded that early childhood education is an essential part of a successful educational program. I am proposing that, for the first time ever, we initiate a statewide program of early childhood education for four-year olds at risk of educational failure. This program will be funded from the state lottery at a cost of $51 million in the next two years. I believe there is no higher priority for educational funding than early childhood education. It is fitting that this new program be funded with these new lottery revenues. The lottery has been successful beyond even my expectations. It can comfortably sustain this program for educating our four-year olds who are at risk. When the Kentucky Supreme Court struck down our system of elementary and secondary education it issued a challenge to restructure educational delivery systems throughout the state. That is what the task force on education is all about. Not simply more money, but more results.

This budget provides new revenues to implement the recommendations of the task force with respect to school based management, restructuring, reforms in governance, and curriculum improvements plus, outcome-based performance standards. These initiatives are the essential components of a redirected educational system. They satisfy a mandate from the court, and more importantly from the people, to do more than just put more money into the same old system. We must provide a more adequate financial foundation. Toward that goal, this budget provides a total of 780 million additional dollars over the biennium for education, 780 million new dollars. Of that total, 512 million new dollars are for programs beyond regular continuation, beyond 5 percent increments and beyond 3 percent current operating expenses. These new dollars are targeted for the full range of equity adjustments and adequacy enhancements being considered by the task force on education reform. The additional funds are to provide more and better classroom supplies, state of the art technology, including computers, basic instructional aids and equipment. It is appalling that too many Kentucky classrooms are under-equipped and under-supplied. These funds will allow a giant step forward in remedying that situation. Moreover, the KET star channels program presents an opportunity for Kentucky to be a national leader in interactive classes provided through technology. I am proposing that nearly $20 million in lottery funds be channeled into this initiative as an operating and capital investment. The number of interactive classes will be expanded and every school will be able to receive and participate in course offerings not available on the local level.

Next to good teachers, the bedrock of learning is good books. Recognizing that, general funds totaling $652,800 over the biennium will be directed toward the beginning of a statewide library network. Library records will be converted to automated form, and libraries across the state will be phased into the network. Soon, each library patron in the state will have access to books and research materials previously found only in the state's largest and best stocked libraries. In addition, I recommended $1 million in new funds to replace or retrofit aging bookmobiles across the Commonwealth and bring books to the people.

We will continue an aggressive program of school building construction in the new biennium. The budget includes $125 million in new construction authority for the school facilities construction commission. This is the largest school construction program to be authorized in any biennium.

Finally, our budget addresses certain fundamental aspects of our education program that we must support simply to continue ongoing operations. Eighty-two million dollars has already been included for annual pay increases for teachers and school administrators. This is in addition to any funds that may be recommended for this purpose by the task force on education reform and the General Assembly. The existing health and life insurance coverage has been continued at a cost of $212 million for the biennium, with funds for state health insurance alone increasing 21 percent per year. Current operating expenses have been funded for a three percent per year increase costing $15.5 million over the biennium. The teachers' retirement system will receive an increase in the minimum benefits paid to those teachers who taught and retired many years ago when teaching salaries were particularly low.

After we pay the price of educational reform and equity, we will need to ensure that our dollars are well spent. I've said it before, but it bears repeating, the people of Kentucky will not spend new money for the same old stuff. I support funding for improvements in our evaluation of student achievement and school performance. We simply have to have solid results from this effort. We cannot allow the money to be abused or wasted. Therefore, I am suggesting the development and implementation of a new statewide testing program that will allow comparisons both within Kentucky and against the standards of other states.

An evaluation of school management is a necessary corollary to this initiative. I urge the task force to continue its groundbreaking work in this area in ways that will ensure better efficiency and the use of sound management techniques. Moreover, I believe we should continue to monitor and to assist schools and school districts in managing the educational enterprise. Beyond dollars, we can say that we have met this challenge, responded on behalf of the children, and answered the Supreme Court with a program that is both responsible and progressive. This is the beginning of a great day and a great session for education in Kentucky.

Higher Education

I am proposing a general fund increase of $206 million over the next biennium for universities and colleges. This infusion of needed funds comes only after an exhaustive review of higher education financing and accountability that has been completed during this biennium. Funds are included for faculty and staff salary upgrades, increased operating expenses, maintenance and operations for new buildings. A major commitment will be made to accommodate enrollment growth and the backlog of physical plant needs at our universities. Some $102 million in new construction, renovations, and life and safety improvements are recommended. In short, I want to place our first emphasis where it ought to be, on maintaining, improving and properly funding our existing system and campus facilities.

Having substantially done that, I am also recommending important new construction projects on campus that will be funded in cash from the lottery. These include a new academic building at the University of Louisville for $15 million and a major expansion of the library at Northern Kentucky University for $9.1 million. I am proposing a new civil engineering building at the University of Kentucky for $11.65 million in bond funds that we anticipated will be supplemented with additional private giving. As you know, the community colleges continue to be the fastest growing part of our public higher education system. I am proposing that we complete the new community college at Owensboro with $4.5 million, construct a new academic and technical building at Henderson Community College for $4 million, and provide Hazard Community College with a $3 million academic and technical building. These too will be funded from the lottery.

I have long been an advocate for our community colleges as I know many of you have been. I believe that they have suffered from an inequity in funding within the higher education community for some time. This budget will correct that inequity. The gap between the highest funded institution and the community colleges is over 20 percent at present. That gap will be reduced to just 4.1 percent by the close of the new biennium when the community colleges will have attained their highest funding level since formula funding was initiated. That is significant progress.

I have placed a priority on putting more money into higher education not only to achieve better results, but also to provide better access to a higher education for Kentuckians. Far too many Kentuckians are denied access to higher education because they cannot afford it. That should not be.

My budget contains a new initiative called the college access program (CAP) designed for freshmen and sophomores to attend public or private colleges and universities in Kentucky. Its cost will be 12 million new dollars and will ensure that no academically qualified student is denied access to higher education due solely to a lack of money. Another new effort is our A-plus program. We are going to reward academic achievers in every high school in Kentucky. A top student at each of Kentucky's high schools will be selected by the school principal to receive a renewable $2,500 scholarship to attend any Kentucky college or university, public or private. The cost will be 3 million new dollars over the biennium. In total, my budget recommendation includes $41.7 million in general fund support for state student aid programs for the new biennium. This represents a 145 percent increase in general fund support for student aid programs during my administration.

Economic Development and Tourism

I have been committed to improving employment opportunities and the economic foundation of our state for a long time. The economic development program included in the biennial budget is one that aims beyond just the next two years. It provides economic revitalization that will carry Kentucky into the next century. I am proposing specific projects as part of a new $100 million community development bond program. The $100 million is earmarked for specific initiatives. Leading the list is $50 million for the expansion of Standiford Field in Louisville. This tremendous investment of state resources is a key to the long-term development of Louisville/Jefferson County and the surrounding area. Five million dollars will be earmarked for downtown revitalization in Paducah as part of a plan to revitalize the existing downtown area, open the floodwall for riverfront development, and tie new developments together with the existing business base in Paducah.

The other major features of the community development bond program are a $19 million commitment to the new convocation center and arena at Northern Kentucky University. This project will serve the needs of the university first. But it carries with it the potential for future expansion into a Kentucky base for an NBA pro basketball franchise.

Two projects are proposed for Bowling Green. The first is a $4 million civic and convention center, and $3.5 million will be directed to the new institute for economic development at Western Kentucky University. These efforts will boost the economy and long-term development of the entire region.

Eighteen million five hundred thousand dollars will be earmarked for the state's contribution to a new world trade and cultural center in downtown Lexington. This complex will serve the entire state and work with the economic development cabinet in a partnership to strengthen the commercial and industrial future of Kentucky in the global economy.

Beyond those earmarked projects, I am recommending that the long-standing economic development bond program be renewed with some $35 million. These funds will be for statewide economic development initiatives. I am recommending that up to $5 million of this authority be identified for tourism and agriculture enterprises to aid in the diversification of our economy. When Kentucky is seeking new investment and jobs, or seeking to retain existing jobs the incentive most often requested of us by employers is job training money. For this reason, I have recommended an expansion of the customized training program offered by the Bluegrass State Skills Corporation. With $2 million provided in a current year appropriation and expansion funds of $2 million in each year of the new biennium our most successful job training program will be strengthened. I am also recommending that we continue the $1 million job training certificate pilot program, initiated in the current biennium, to help unemployed Kentuckians who need training to get new jobs. I have included $16.on in general funds to honor in full the state's previous commitments to job training for the Toyota and Budd plants.

Perhaps most significantly in this area, I have announced the formation of a new Cabinet for Workforce Development. The goals of this cabinet are to revitalize Kentucky's job training and adult education system and make them more responsive to the marketplace. In other words, provide training for real jobs. In fact, I want to hold this program to an 80 percent effective placement standard. I am asking that the General Assembly support this reorganization by approving the enabling legislation for it.

Existing vocational programs should be re-oriented into an adult technical education system, and I have included an additional $30 million in new funding over the next biennium to make good on that policy direction. This includes some $15.8 million in program expansions and $14.3 million in lottery funds for capital construction for major programs at Ashland, Madisonville, and Lexington. We must insist that these programs be fine tuned to accurately match skills being taught to real jobs. Without a redirection, such as I am advocating, I don't think we can count on that goal being achieved.

Other key components of the workforce development initiative are assessment and placement centers in 14 regions throughout the Commonwealth. Modern equipment that is actually used on the job must be provided if the training is to be meaningful. I am recommending $3 million in additional funds to support this objective. Moreover, the Executive Budget includes $700,000 for additional evening courses in high demand locales for job training and retraining to reach non-traditional students and to accommodate the welfare reform law enacted by Congress. As with elementary and secondary education, we must do more than simply put more money into the same old programs. Therefore, I have included $1.5 million for reprogramming and redesigning curricula in the technical education area.

Often job training for single parents is critically impeded by the lack of child care services. I am recommending increases in our child care programs in the adult technical education system at a cost of approximately $900,000. The emphasis on additional technical education needs to be accompanied by a continued commitment to basic literacy. I am recommending a 45 percent increase in general fund support for the Kentucky literacy commission over the current biennium. I am also recommending $1.3 million in the new biennium to expand adult basic education to meet increased demand.

I am committed to providing job opportunities for our blind and visually impaired citizens who are now learning employment skills in an inadequate facility in Louisville. Therefore, I am recommending that we construct the new $4.5 million Rehabilitation Center for the Department for the Blind.

This budget includes first time funding for the General Tire Incentive Package extended by the Commonwealth to retain Western Kentucky's largest manufacturing employer in Graves County. I am asking your concurrence in an incentive program that will guarantee that the jobs at General Tire stay in Kentucky. I believe this to be the most innovative incentive program proposed for industrial expansion. Our commitment will be combined with a $125 million investment by General Tire to convert the facility largely to radial tire production.

There are other initiatives in the economic development area that we need to promote Kentucky. We need to continue our international trade initiatives and emphasize export promotion far better than we have before. We need to link our investment in new technology to the marketplace, and I have recommended $175,000 in the biennium for the Kentucky Technology Utilization Network which is a public/private partnership for introducing modern technology to help business. I am proposing a $4.2 million pharmacy incubation building at the University of Kentucky for university scientists to combine with entrepreneurs to make their discoveries commercially viable through real technology transfer. I am earmarking $2 million in state funds to be matched by non-state sources for the University of Louisville and University of Kentucky Engineering Schools to replace antiquated equipment and attract and retain top notice faculty.

I am ready to commit up to $250,000 each year of the biennium to match funds with the new Eastern Kentucky Job Creation Authority. These funds will help local governments in Appalachian Kentucky build their own capacity to develop their counties and their region. I want to continue the excellent new Kentucky Rural Economic Development Authority and I plan to continue to emphasize rural economic development in our marketing and advertising campaign.

I am also committed to economic diversification and state leadership in agriculture and tourism. I propose the new pride in Kentucky program to identify food grown in Kentucky with a Kentucky pride label. Tourism is one growing sector of the economy that offers opportunity for new jobs throughout Kentucky. I believe it would be helpful to develop statewide and regional master plans to target our dollars for the most impact on tourism development. I have included $925,000 for this proposal, with the first commitment to an eastern Kentucky master plan. The purpose of the plan will be to analyze current and future markets, establish clear objectives and a usable data base, develop criteria for project selection, and target the advertising budget of the Tourism Cabinet.

Transportation

Road construction is a program that will reach into every corner of the state. I am proposing a $600 million road bond program that will construct some of the major roads that have been put off for many years. For the upcoming biennium I propose a $300 million road bond package to address the following critical projects. Completion of the AA highway, finally. This bond issue will also ensure that major construction ensues on the Bowling Green-Cadiz Parkway construction and widening of U.S. 25E in Bell and Knox Counties, construction and widening of U.S. 127 along some 81.2 miles, relocation of U.S. 23 in Letcher and Pike Counties, road construction on U.S. 60 in both McCracken and Daviess Counties, major work on Kentucky 460 in Montgomery County, and major work on Kentucky 1072 at Kyles Lane in Kenton County. These projects have been on the books for years. Their needs are well documented. They are legitimate. They will cost big dollars. It is my view that not building them costs even bigger dollars in wasted opportunities and missed chances for economic stimulation and diversification. These roads should be "locked in" so that they can be completed without future concern about either timetables or priorities. That is why I have spoken in terms of a $600 million issue. I urge that you join me in resolving during this session of the General Assembly that these roads will be completely funded to their conclusions in the next two biennia. Roads of this complexity take years to build, acquire right-of-way, relocate utilities, and design. I have said before that it is very appropriate, indeed it is good planning, to issue 20 year bonds for roads such as these.

The return on investment is lasting and economic opportunities that are opened up by immediate construction start paying dividends immediately. In addition to the new road bond package, the Executive Budget recommends $20 million as a current year appropriation for additional road construction and resurfacing. In the 1990-92 biennium, I am recommending $442 million for state funded highway construction and resurfacing. In addition, I am recommending $254 million be committed to road maintenance. I have emphasized throughout this budget the importance of maintaining what we already have whether our investment be in buildings, schools, universities, parks, or whatever. The priority is equally strong in the road program. I am also proposing $20 million over the 1992 biennium, of which $16 million will be state funds for bridge construction and repair. This should be enough for approximately 200 bridges per year statewide.

I believe we should restore general fund support to the air and public transportation programs in the Transportation Cabinet. This is a 51 percent increase in general funds over the current biennium and will allow continuation of present programs in all modes of transportation.

There is one final major initiative we should remark on. Since we last met, I convened a Task Force on School Bus Safety in the wake of the Carrollton tragedy. As a financial matter, this is not a big item in the state budget. But as a matter of policy and humanity, few things we do can be of more value. The Transportation Cabinet budget includes funds to continue the driver safety program and school bus inspection initiatives recommended by the task force. Other new initiatives for school bus safety provide for school bus driver training and testing, volatile fuels testing and monitoring, and continuation of the steps previously initiated on an emergency basis.

Welfare Reform/CHR

The Cabinet for Human Resources will continue to be relied upon to provide services to the less fortunate among us and those who have not yet overcome some of the barriers to a better life. I am proposing today a program of services in the Cabinet for Human Resources that represents a hand-up, not a handout. Three hundred ninety-eight million new dollars over the biennium will be invested to lift the poorest Kentuckians out of their poverty. We will fund the federal mandates in medicaid and welfare reform. And we will fund the State Welfare Reform Program (so-called ratable reduction) initiated by this General Assembly in 1988. In the 1990-92 biennium we will be asked to spend an additional $233 million in state funds on medicaid benefits. This will extend medicaid benefits to nearly 125,000 more Kentuckians in 1992 compared to fiscal 1989. The new welfare reform initiatives coming out of Washington represent a major new commitment to reforming the welfare system. This program provides a host of services, including literacy and education, job and skill training, day care, and transition assistance as people become more self-sufficient and move into the workforce and off welfare. We will start the program this year with $1.4 million in new expenditures. But in fiscal 1991 we will need to commit over $59 million in new money to welfare reform. Coupled with this program will be a major commitment to expand child support enforcement. We will add 140 new staff to ensure that collections are made or that prosecution is assured. I strongly believe we need to enforce the child support system as a preventive to welfare and poverty, and as a legal and moral responsibility.

I believe it is important to support a well balanced program of assistance for the most vulnerable of Kentuckians. We need a combination of options suited to the individual in need ranging from assistance at home or in small group homes, to hospitalization. Toward this end, the budget I have proposed will triple the number of mental retardation respite care placements. It will add 100 alternative slots for the mentally retarded over the biennium at a cost of $7.4 million. We will build two high intensity 12-bed children's facilities and a transitional group home to reduce the backup on the residential waiting list at a cost of $2.3 million. We propose an increase in the private child care rates costing $1 million over the biennium.

We need to do something about Hazelwood. I have already received a solid and balanced proposal from Secretary Cowherd. But I want to review all of the options with you. The Executive Budget includes $12 million in construction funds to provide for a replacement plan for Hazelwood. Any such plan will need to be multi-year in its development. But we need to get on with the job now because the existing physical plant, no matter who you talk to about it, is simply inadequate.

We will fund aids and H.I.V. education services in every local health department and extend testing and counseling sites. I am proposing to broaden by $500,000, assistance to non-medicaid eligible individuals, through the Handicapped Children's Commission, for drugs for hemophilia patients with aids or who test H.I.V. positive.

Lastly, but by no means least, I propose dedicating lottery proceeds to early childhood services and to our senior citizens. Some $38 million in lottery funds are pledged for prenatal benefits to all low income women in need. We will further extend medicaid coverage for pregnant women and children up to their first birthday. We will initiate a major outreach and follow-up program for high risk pregnant women in order to reduce infant mortality and low birth weight babies. We will expand the well child services and immunizations through local health departments. This will result in two and one-half times as many children through the age of 13 receiving well child services compared to current levels. We can provide vaccines for 100 percent of the anticipated need for M.M.R. and H.I.B.

We will also initiate major new efforts for our senior citizens to reduce the prospects of premature institutionalization. Lottery funds are pledged to double our home care program for senior citizens to $15.6 million annually, $8 million of which is funded by the lottery for expansion each year. In addition, $2 million per year from the lottery will be used to quadruple the number of elderly citizens receiving adult day care/Alzheimer's respite care services.

No single budget, no matter how ambitious, can ever hope to address all of the human needs that exist in our Commonwealth. But this budget represents truly an extraordinary advancement for human service programs.

Environment

I previously announced the most far-reaching environmental protection program recommended by any Governor ever in Kentucky. I have included that program in this Executive Budget. Our environment is too precious to allow it to deteriorate. I made a strong commitment to environmental programs in my Kentucky first program. I mean to follow through on that commitment. As in so many of the initiatives in this budget this commitment will bear fruit not only in the next biennium or next few years, but well into the next century. The Department of Environmental Protection will receive a 116 percent increase in the 1990-92 Executive Budget, 116 percent. This translates into a $26.2 million general fund increase over the current biennium. We will implement our first ever comprehensive environmental management plan. The plan spans the entire range of environmental concerns — air, water, solid waste, hazardous waste, landfills, and garbage, you name it. It is comprehensive.

We will create a new Waste Management Authority with a $20 million bond issue to assist local, public, and private entities in coping with the waste management crisis. We will employ enforcement officers, inspectors, and attorneys to ensure that we absolutely minimize the amount of out-of-state waste transported to and dumped in Kentucky. We are also moving forward with respect to surface mining reclamation and enforcement. As the federal government recedes from its financial support of this program next year, we will continue to enforce the law and ensure proper reclamation. To that end, I have approved the retention of 80 of the positions funded under the natural wildlife federation settlement agreement and the continued use of the helicopter for inspection purposes.

I will support capital construction expenditures for the following programs. We will double the size of the state-owned dam repair program to $2 million. We will provide scientific laboratory equipment to support the Environmental Protection Program. We will receive and put to use over $33 million in federal funds for the Abandoned Land Reclamation Program. We will use $1.3 million in federal funds for clean-up costs on leaking underground storage tanks, the so-called Lust Program. We will continue to match in full the federal funds available for public wastewater construction projects through a $10.1 million state bond issue that will leverage over $48 million in federal funds. The overall result will be a massive new state commitment to the environment and to our natural resources. Total appropriations to the Cabinet for Natural Resources and Environmental Protection will increase by 59 percent or $37.1 million in general fund dollars alone.

Personnel Policy and Capital City Plans

No doubt, there is a lot of interest in our state personnel and payroll policy for the upcoming biennium. The Executive Budget includes full funding for the 5 percent annual pay increment each year of the new biennium. Employee health insurance benefits are continued and all budgets include a 21 percent per year increase to pay for health coverage. I am recommending $15 million in general funds over the biennium to address low pay scales adversely affecting our recruitment and retention of critical merit system positions. This will help especially in the areas of technical and scientific expertise and other sectors not competitive with the marketplace.

Finally, I wholeheartedly recommend the new $41 million centralized laboratory facility to serve four state agencies. You will remember that you appropriated $2.5 million in the current biennium to acquire a site and to do detailed planning on this facility. You may not remember that the year 1990 marks the third decade in which this facility has been planned or on the books in some fashion. Meanwhile we have lost ground in all of the highly technical and sophisticated laboratory support areas we rely on daily to support our programs. Lest anyone underestimate the importance of this facility, let me remind you that the existing State Police Crime Lab that serves all local departments as well as the Kentucky State Police is currently housed in a series of modular units here in town. They are hardly adequate for a working crime lab in the 1990's and the 21st century. The Environmental Protection Laboratory so vital to the success of our environmental management plan is housed in leased space in a former discount department store located in the flood plain of the Kentucky River. The State Health Lab and the Radiation Lab are located in a crowded, asbestos-laden facility no longer adequate for the sensitive research conducted there. It's time we brought those labs into the future.

War on Crime

The Kentucky State Police are in the front lines of the fight for a drug free Kentucky. They need some reinforcements. This budget includes funds to restore the trooper complement to 1,000 sworn personnel. I have included full funding to replace the troopers lost through retirement, as well as a new trooper class. We will fully match federal funds available for the war on drugs and commit some $9.4 million in grants to law enforcement agencies throughout the Commonwealth.

I have included additional funds for prosecutors in the Unified Prosecutorial System and the Attorney General's Office amounting to nearly $3.5 million. Both the Commonwealth and county attorneys are recommended for additional support staff, and we are beefing up the special prosecutors staff in the Attorney

General's Office. I am also approving additional attorneys in the Criminal Appellate Division of the Attorney General's Office to reduce unnecessary delay in death penalty case appeals. A special narcotic and prescription drug unit aimed at the illegal use and procurement of schedule II narcotics has been addressed in this budget in the Attorney General's Office as well.

Corrections

The result of our tough policy on crime has been that more criminals are spending longer sentences in prison. It is important that we respond fully to the need to keep serious criminals off the streets. This budget will allow us to be as tough on criminals as they are on us. The Kentucky Supreme Court last year effectively struck down the Corrections Cabinet policy of backing up state prisoners in county jails when there was no room for them in the state prisons. The budget I am proposing will take a balanced approach to providing additional prison bed space, jail bed space, halfway house and other private contracts space for minimum security inmates, and new construction. The cost of this is very high — some $65 million in new capital construction maintenance and renovations. But; the alternative, turning hardened criminals loose, costs even more. The budget includes enough funding, including a $96 million general fund biennial increase, to accommodate all known and estimated inmates coming into the state's corrections system through 1994. I am proposing a 26 percent increase in prison capacity in this budget, including construction of a $46 million medium security male institution, double-bunking of the eastern Kentucky correctional complex in Morgan County, expanding Peewee Valley for more women inmates, and continued compliance with the federal court consent decree, and other court orders.

My policy is that any new prisons we build will be built only where they are wanted and where we will be provided with an adequate infrastructure by the host county. I expect to announce the site of the new prison during this legislative session so that everyone will know where it will be and what it will cost. We have many communities actively seeking this new institution and I am confident that a good choice can be made fairly soon. The new institution will have the capability to be expanded to over 1,000 beds in a second phase.

Revenue Revitatization

We are now at the end of the part of this budget address where I talk about the programs we are putting in place. No one wishes that we could go home now more than I. But the reality is that it's time to talk about revenues. Our state's revenue structure has been deteriorating for many years. Our tax base has eroded. It is much more narrow than most other states with whom we compete. It is unresponsive to the changes in our state and national economy taking place all around us. The nationwide move away from reliance on manufacturing and durable goods and to services is not reflected in our tax base.

The corporate tax measures adopted in the 1985 Special Session on education have failed to produce the revenues estimated at that time, and fall woefully short of meeting the education and other demands of the 1990s and 21st century. The federal government has restructured its tax code substantially in recent years. The Kentucky Supreme Court has thrown out our system of elementary and secondary education. It also held our corrections system in contempt of court and forced us to pay multi-million dollar fines and suffer limitations on the number of inmates we can confine in many of our state prisons and county jails. We have been deluged with expensive federal mandates in areas such as welfare reform, medicaid, and environmental protection. Our parks in which we once took such pride, our community infrastructure and our economic base have been short-changed. They have been seriously weakened over the past 10 to 20 years. We can't solve all of these problems overnight. But we can make a new start for a new Kentucky.

In my opinion this is our best and maybe our only chance to address these concerns. Therefore, I am prepared to actively support measures to raise sufficient new revenues to meet the needs outlined in this budget. There are several criteria we must apply: (1) The new revenues must be adequate to fund the programs and meet the needs we define; (2) The measures must be fair and equitable reflecting a measure of progressivity and ability to pay; (3) It is critical that these measures be responsive to economic growth; and if they are not, you will be back again grappling with these same problems and same dilemmas every two years.

I am proposing that we enact the following revenue measures: first, Kentucky will conform to the federal tax code as outlined in the Tax Reform Act of 1986. This will generate $120 million in fiscal year 1991.

Second, we will eliminate the deductibility of federal income taxes in the calculation of Kentucky's income tax liability. To provide relief to low income taxpayers, I am proposing the enactment of a low income tax credit in conjunction with the elimination of federal tax deductibility. This low income tax credit will remove approximately 110,000 taxpayers from our tax rolls. In addition, the average Kentucky taxpayer who currently has an adjusted gross income of less than $17,500 will pay less state income tax with our credit. The majority of Kentucky taxpayers with income of less than $20,000 will get a tax break. Eliminating the deductibility of federal taxes in combination with this tax credit will generate $212 million.

Third, as I have said before, the sales tax base in Kentucky has been eroded over time through the enactment of credits, deductions, exemptions and other loopholes. It is time that we broaden our sales tax base so that sales tax receipts in Kentucky grow with the economy. The service sector is the fastest growing sector of the Kentucky economy. A sales tax on services allows revenues to grow and will avoid the need to "stop gap" tax increase in the 1990's. We have tried to stay with business and professional services and away from consumer services.

Further, to ensure adequate funding for Kentucky's future, I propose to the General Assembly a 7 cent per pack increase in the cigarette tax. Because Kentucky's current cigarette tax is one of the lowest in the county, and because only 1 and 1/2 percent of the total U.S. consumption of cigarettes occurs in Kentucky, this revenue adjustment will not negatively impact Kentucky tobacco growers. This revenue enhancement measure will raise approximately $37 million per year.

Finally, as has been well documented, Kentucky's businesses are not paying their fair share for education and other programs. Despite the actions taken in 1985, Kentucky's businesses are still contributing a smaller share to the general fund today than 10 years ago. Business leaders in this state want better education and a better workforce and they are willing to pay their fair share for education improvements. A one percentage point increase in the corporate income tax rates will ultimately raise $45 million per year.

The total revenue program I am recommending will bring in 482.6 million new dollars in fiscal year 1991 and $550.1 million in fiscal year 1992. By any objective measure, we will be able to pay for an equitable and adequate system of elementary and secondary education. Moreover, we will be able to say with assurance to the people that Kentucky is moving forward with confidence into the 1990's and the 21st century. Our objectives are many and we expect the results to be impressive.

There is another aspect to the revenue equation that cannot be ignored. The Revenue Cabinet has completed a detailed study, probably the most detailed ever in the history of the Commonwealth, concerning property taxation. This review stemmed from legislation passed by the 1988 Session of the General Assembly that will be fully implemented in the coming tax year. That study found major deficiencies in the assessment and collection of real property taxes. I fully support the Revenue Cabinet's efforts to clean up the property taxation mess in the 15 or 20 counties where they believe serious problems exist. I have recommended significant increases in the Revenue Cabinet's budget to support this effort in the new biennium, including new enforcement and training moneys, a $10 million appropriation of new money for additional property valuation experts and "circuit riders" to clean up the mess. I will not approve of any tampering with House Bill 44. The people are suspicious of any measures that would affect this law. But we must restore confidence in the property taxation system in this state. No county and no taxpayer should be asked to subsidize the dereliction of duty graphically exposed in some of our counties.

The proposals I've discussed with you this afternoon will bring Kentucky's financial house back into order, but we need one final measure to ensure financial soundness. We will need to set aside a surplus for the proverbial rainy day. This budget includes a 1 percent surplus allocation into a budget reserve trust fund. We need to set this $40 million aside and not spend it. It will be there for emergencies only. We have gone to great pains to be as positive as humanly possible that our revenue estimates are correct and achievable. Our record is sound in this regard. But it would be foolish not to plan against the day when a national recession comes, and it would be shortsighted not to anticipate the possibility of unforeseen emergencies. So I hope you will join with me in supporting this small but responsible surplus. Surely there is enough room in this budget already that we can do whatever fine tuning and make whatever changes we need to without touching the $40 million reserve.

Those are the numbers. And, while numbers are important, they are just a means to an end. The end, the whole reason we have this elaborate apparatus we call government, the reason we are all here is for people. I think it's fair to label this budget a people budget. After two years of common sacrifice, I can now report that our Commonwealth is on sound financial footing and that our budget's priorities truly reflect our people's priorities.

I want to give special thanks to the many people who have spent so much time making state government and the state budget leaner and more efficient: To Dr. Jim Ramsey, whose research and diligent efforts have made our revenue proposals solid; To Dr. Merle Hackbart who came on board late, but made extraordinary contributions to this budget; and a very special thanks to Ron Carson and Bill Hintz, two real professionals, and all the G.O.P.M. Staff who have logged countless hours, worn thousands of pencils down to their nubs and produced an accurate, honest picture of how I plan to meet our state's needs.

The old way of budgeting was to take revenue projections that looked like they came from Fantasy Island and then try to build a budget on them. That old way produced shortfalls and cutbacks and deficits. Our new truth in budgeting process has given us the first biennium in a decade without cut-backs and shortfalls.

And that's not the only thing that's changed since the December afternoon when I took my hand off that Bible and rolled up my sleeves to get to work. Since then I have fought day and night to change Kentucky, to challenge the old ways of doing things, and to bring a new era of greatness to My Old Kentucky Home. Like never before in recent years, we truly are winning in Kentucky once again. After seven straight years of trailing the rest of the nation, per capita income in Kentucky has, for the last two years, risen faster in Kentucky than the national average. Not only are we making more money, more Kentuckians are working than ever before. Those jobs are not just concentrated in a few pockets of prosperity. More than three-fourths of the new jobs we've created are in rural Kentucky. As we move into the future, we are leaving no one behind.

Think of how far we've come, Kentucky. While Massachusetts and New York and Arizona have turned their surpluses into deficits here in Kentucky we've turned a deficit into a surplus. Today, we take a back seat to no one in innovation, imagination, ingenuity. That's why the respected Wall Street Publication *Institutional Investor* named the Kentucky Yen Bond Deal as "Deal of the Year" for 1989. We didn't wait for California or look to Washington for leadership. We took the lead. And we saved the taxpayers of Kentucky millions of dollars in the bargain. Where once people went to Tennessee or Texas or Tokyo to learn the art of the deal, now they're coming to Kentucky. Since the time I called for fundamental change, or "perestroika," in our education system, Kentucky has taken the lead on that front as well. Now consultants and experts from all over the country confirm what we've known all along, that Kentucky's on the cutting edge. Where once Kentucky was falling behind, today we are surging ahead. And this budget is a blueprint to keep us moving ahead, not only into a new year, but into a new decade and a new century. Now is not the time to hesitate. Now is not the time to equivocate. Now is a time for action, bold action. The budget before you is such a plan. I urge you to approve it. Thank you and good afternoon.

(1) The management and control of a library shall be vested in a board of trustees. In cities and counties the board shall consist of five (5) members except that in cities of the second class, it shall consist of seven (7) members. In the event a contract for library service is made pursuant to subsection (4) of KRS 173.310, the board may consist of equal representation from the contracting parties with the total membership not to exceed twelve (12). In a library region there shall be five (5) members except if the number of counties exceeds five (5) there shall be one (1) trustee from each county in the region.

(2) Within thirty (30) days after the establishment of a library has been authorized by any of the methods authorized by KRS 173.310, a library board shall be appointed. In cities the trustees shall be appointed by the mayor and in counties they shall be appointed by the county judge/executive. There shall be established a board of trustees in each regional library district for purposes of coordinating library programs and effecting economies and efficiencies of the member county library systems. In each regional library district the trustees shall be appointed by the joint action of the judges/executive of the respective counties or as may be agreed upon by contract. In any region in which there are four (4) or less counties, provision shall be made in the contract for rotation of members and an equitable adjustment of terms. If a region consists of an even number of counties, the trustees appointed by the judges/executive of the respective counties shall appoint an additional trustee whose term of office shall be four (4) years and whose successor shall be appointed by the trustees in office at the time of expiration of such term. Trustees shall be appointed from the governmental unit at large with special reference to their fitness for such office. ***Upon initial establishment of the board,*** members of the board shall be appointed ***to terms*** as follows: two (2) members for two (2) years, one (1) member for three (3) years, and two (2) members for four (4) years respectively, and thereafter trustees shall be appointed to serve ***terms of*** four (4) years. Vacancies shall be filled for the unexpired terms as soon as possible in the same manner as the original appointments. In the event that vacancies have existed for a period of at least six (6) months, the Governor of the Commonwealth of Kentucky, upon the recommendation of the state librarian, may make such necessary appointments. Absence of a trustee from four (4) regular monthly meetings of the board during any one (1) year of the trustee's term shall constitute automatic resignation from the board by the trustee.

(3) [~~A~~] Library ***trustees*** [~~trustee~~] shall not receive a salary or other compensation for ***their*** services***, but may be reimbursed for actual expenses necessarily incurred in the performance of their duties, upon approval by the board*** [~~as a trustee~~]. Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 164.010 is amended to read as follows:

There shall be a Council on Higher Education in Kentucky, to be composed of the Superintendent of Public Instruction[~~,~~] and seventeen (17) lay members appointed by the Governor. ***The lay members shall include***[~~,~~] one (1) from each congressional district ***and ten (10)***[~~, eight (8)~~] from the state at large ***including*** [~~which shall include~~] a student member. ***The student member***[~~, who~~] shall be enrolled as a full-time student at a state public institution of higher education, shall be a resident of the Commonwealth as determined by the residency guidelines of the council, and shall be ***selected*** [~~elected~~] annually in the following manner: not later than July 1 of each year the president of the student body of each four-year state public institution of higher education shall submit to the Governor one (1) nominee***, and***[~~;~~] from this list of nominees, the Governor shall appoint a student member[~~, one (1) from a list of two (2) nominated by the president pro tem of the senate, and one (1) from a list of two (2) nominated by the speaker of the house of representatives~~]. Among the lay members, there shall be at least one (1) undergraduate degree recipient from each of the state universities to be appointed by the Governor. The lay members shall constitute the voting membership of the council. The lay members shall be appointed for regular terms of four (4) years except for the student member who shall serve a one (1) year term, with the initial appointment of four (4) members for one (1) year, four (4) members for two (2) years, four (4) members for three (3) years and four (4) members for four (4) years. ***When*** [~~Whenever~~] a lay member's term expires after ***the effective date of this Act*** [~~July 15, 1982~~], the member appointed by the Governor to fill the vacancy shall be appointed for a ***six (6)*** [~~four (4)~~] year term in the same manner as the initial appointment. Any person, other than the Superintendent of Public Instruction, holding either an elective or appointive state office or who is a member of the governing board of any state university in Kentucky shall be ineligible for membership or appointment on the council during his membership or term of office. When the council meets to consider curricula for teacher education, three (3) persons who are from accredited institutions of higher learning, and who have been appointed by the executive committee of the Kentucky association of colleges, secondary and elementary schools, shall be invited to meet with the council in an advisory capacity.

Section 2. KRS 164.020 is amended to read as follows:

The Council on Higher Education in Kentucky shall:

(1) Engage in analyses and research to determine the overall needs of higher education in the Commonwealth.

(2) Develop and transmit to the Governor comprehensive plans for public higher education which meet the needs of the Commonwealth. The plans so developed shall conform to the respective functions and duties of the state universities, the community colleges, and the University of Kentucky as provided by statute. The council shall for all purposes of federal legislation relating to planning be considered the "single state agency" as that term may be used in such federal legislation; provided, however, that when such federal legislation requires additional representation on any such "single state agency" the Council on Higher Education shall establish such advisory groups as may be necessary to satisfy such federal legislative or regulatory guidelines.

(3) Determine tuition and approve the minimum qualifications for admission to the public institutions of higher education. In determining the tuition for non-Kentucky residents, the council shall consider the fees required of Kentucky students by institutions in adjoining states, the resident fees charged by other states, the total actual per student cost of training in the institutions for which the fees are being determined, and the ratios of Kentucky students to non-Kentucky students comprising the enrollments of the respective institutions, and [~~such~~] other factors as the council may in its sole discretion deem pertinent.

(4) Consider the requirements and review the budget requests, which shall be prepared in the manner and submitted by the institutions to the council by dates prescribed by the council, of the institutions of public higher education as to their appropriate level of support considering the functions of the institutions and their respective needs. The council, in cooperation with the university presidents, shall devise, establish, and periodically review and revise formulas for use in making recommendations to provide to the Governor and the legislature for use in making appropriations for the institutions of higher learning. The formulas shall provide for adequate and equitable allocation of funds among the several universities considering their respective needs and statutory, institutional, and geographic missions. In the development, revision, and refinement of such formulas, committees composed of members of the council staff and a representative of each of the state universities shall conduct hearings on each campus in a manner to give all principal segments of each institution the opportunity to participate in the development of the formulas. The studies shall include, but not be limited to:

(a) A review of formulas used by other states to calculate needs and appropriate funds for institutions of higher education;

(b) A complete review of selected comparable institutions with reference to both the state appropriations and tuition charges, and

(c) A review of institutional activities and programs that can be calculated for use in the development of the formulas.

There shall be included in the final report the institutional responses to the studies and their recommendations and the recommendations of the Advisory Conference of Presidents. Nothing in this chapter shall prevent or prohibit the Governor, the legislature, the Council on Higher Education, or the governing board of any institution of higher education from requesting or recommending deviations from any applicable formula or formulas prescribed by the Council on Higher Education and advancing reasons and arguments in support of them. The individual institutions' budget requests, including tuition and registration fee schedules for all categories of students, along with council recommendations shall be submitted to the Governor through the Finance and Administration Cabinet not later than November 15 of each odd numbered year. The council shall submit a separate budgetary recommendation for the University of Kentucky community college system.

(5) Review and approve all capital construction projects the cost of which exceeds two hundred thousand dollars ($200,000) approved by the governing boards of the state-supported institutions of higher education prior to the institutions' submission of ***the*** [~~such~~] projects to the Finance and Administration Cabinet [~~and/~~]or State Property and Buildings Commission.

(6) Require reports from the executive officer of each institution it deems necessary for the effectual performance of its duties.

(7) Publish annually a report of the educational and financial affairs of the institutions and disseminate other information relating to higher education.

(8) Define and approve the offering of all higher education associate, baccalaureate, graduate, and professional degree or certificate programs in the state-supported higher education institutions; review proposals and make recommendations to the Governor regarding the establishment of new state-supported community colleges and new four-year colleges. Provided, nothing in KRS 164.010, 164.020, 164.125, and 164.290 to 164.295 shall be construed to grant the Council on Higher Education authority to disestablish or eliminate any college of law which became a part of the state system of higher education through merger with a state college.

(9) Approve the teacher education programs in the public institutions.

(10) Elect a chairman annually from the voting membership and appoint an executive director and such staff as may be needed and fix their compensation without limitation of the provisions of KRS Chapter 18A and KRS 64.640 subject to the approval of the commissioner of personnel and the secretary of the Finance and Administration Cabinet.

(11) Constitute the representative agency of the Commonwealth in all matters of higher education of a general and statewide nature which are not otherwise delegated to one or more institutions of higher learning. Such responsibility may be exercised through appropriate contractul relationships with individuals or agencies located within or without the Commonwealth. The authority includes but is not limited to contractual arrangements for programs of research, specialized training, and cultural enrichment.

(12) Develop procedures for the approval of a designated receiver to provide for the maintenance of student records of the public institutions of higher education and the colleges as defined in KRS 164.945, and institutions operating pursuant to KRS 165A.310 which offer collegiate level courses for academic credit, which cease to operate after July 15, 1980. Procedures shall include assurances that, upon proper request, subject to federal and state laws and regulations, copies of student records shall be made available within a reasonable length of time for a minimum fee.

(13) Assist each state institution of higher education in developing a comprehensive orientation program for newly appointed governing board trustees and regents. The orientation program shall include, but not be limited to, the presentation of information concerning the respective institution's mission, budget, plans, policies, strengths, and weaknesses. The orientation program shall also include meetings of the newly appointed trustees and regents for each institution with its faculty, student administrators, and other board members.

The following fees shall be paid to the commissioner by corporations engaged in a banking or trust business:

(1) For the investigation incident to the approval of articles of incorporation, [~~and to the approval of~~] applications for branch banks ***and loan production offices, and applications to relocate a main or branch office***, the fee shall be sufficient to cover the cost of the investigation based upon fair compensation for time and actual expense;

(2) For each report, a filing fee of twenty-five dollars ($25);

(3) For each bank subject to inspection and examination by the commissioner, an annual assessment based on the assets of ***the*** [~~such~~] banks, other than assets held by it in a fiduciary capacity, as reported to the department by the banks as of the thirty-first day of December of the previous year. The assessment schedule shall be at ***the*** [~~such~~] rates [~~as~~] the commissioner shall determine to be necessary to carry out the duties of the department and shall be reasonably related to the costs, [~~(~~other than costs of examination,~~)~~] incurred by the department in regulating banks. The assessments for any one (1) year shall not exceed a sum equal to five cents (5) per each one thousand dollars ($1,000) and any fraction thereof of the total non-trust assets;

(4) For any examinations under KRS 287.450, a fee shall be collected sufficient to cover the cost of the examination based upon fair compensation for time and actual expense;

(6) Extraordinary services performed, in addition to examinations, for any financial institution, including institutions in liquidation under the supervision of the commissioner, shall be paid for by ***the*** [~~such~~] institution upon the basis of fair compensation for time and actual expense.

Section 9. KRS 287.690 is amended to read as follows:

(1) If the commissioner has knowledge or reasonable cause to believe that any bank or trust company, or any director, officer, employee, agent, or other person participating in the conduct of the affairs of the bank or trust company has engaged in violations of law, or charter, rule or regulation by the department, or in unsafe or unsound business practices, he may issue and serve upon ***the*** [~~such~~] bank, trust company, director, officer, employee, agent or other person a notice of charges containing a statement of facts with respect to alleged violations or practices, and not earlier than thirty (30) days nor later than sixty (60) days after service of ***the*** [~~such~~] statement fix the time and place at which a hearing will be held to determine whether an order to cease and desist should issue against the bank, trust company, director, officer, employee, agent or other person.

(2) Unless the party or parties so served shall appear at the hearing personally or by a duly authorized representative, they shall be deemed to have consented to the issuance of the cease and desist order.

(3) ***If the parties*** [~~In the event of such~~] consent, or if upon the record made at any [~~such~~] hearing the commissioner shall find that any violation or unsafe or unsound practice specified in the notice of charges has been established, he may issue and serve upon the bank, trust company, director, officer, employee, agent or other person an order to cease and desist from any [~~such~~] violation or practice and, further, to take affirmative action to correct the conditions resulting from any [~~such~~] violation or practice.

(4) If the commissioner shall determine that the violation or practice, as specified in the notice of charges pursuant to subsection (1) of this section, or the continuation thereof, is likely to cause insolvency or substantial dissipation of assets or earnings of the bank or trust company, or is likely to otherwise seriously prejudice the interests of its depositors or investors, he may issue a temporary order requiring the bank or trust company, director, officer, employee, agent or other person to cease and desist from any [~~such~~] violation or practice.

(5) A cease and desist order or temporary cease and desist order shall become effective upon service upon the bank or trust company or at the expiration of not more than thirty (30) days after the date of service. Unless set aside, limited or suspended, as provided by subsection (6) of this section, a cease and desist order shall remain effective and enforceable pending completion of the administrative proceedings until the commissioner shall dismiss all specified charges, or, where a temporary cease and desist order has issued, until the effective date of a cease and desist order.

(6) Within ten (10) days after service of a temporary cease and desist order, the party or parties served may apply to the Circuit Court for the county in which the bank is located, or the Circuit Court of Franklin county, for an injunction setting aside, limiting, or suspending the enforcement, operation or effectiveness of ***the*** [~~such~~] order pending completion of administrative proceedings, and ***the*** [~~such~~] court shall have jurisdiction to issue an injunction.

(7) In the case of violation or threatened violation of, or failure to obey, a temporary cease and desist order ***or cease and desist order*** issued pursuant to this section, the commissioner may apply to the Circuit Court for the county in which the bank or trust company is located, or the Circuit Court of Franklin County, for an injunction to enforce ***the*** [~~such~~] order, and it shall be the duty of the court to issue ***the*** [~~such~~] injunction.

(8) If the commissioner shall determine that any officer or director of a bank or trust company has committed any violation of law, rule or regulation or of a cease and desist order which has become final, or has engaged in or participated in any unsafe or unsound practice in connection with the bank or trust company, or has committed or engaged in any act, omission, or practice which constitutes a breach of his fiduciary duty as [~~such~~] officer or director, and the commissioner determines that the bank or trust company has suffered or will probably suffer substantial financial loss or other damages or that the interests of its depositors or investors could be seriously prejudiced by reason of ***the*** [~~such~~] violation or practice of breach of fiduciary duty or that the director or officer has received financial gain by reason of the violation or practice or breach of fiduciary duty, the commissioner may serve upon ***the*** [~~such~~] director or officer a written notice of intention to remove him from office. The violation, practice or breach ***shall*** [~~must~~] be one (1) involving personal dishonesty on the part of ***the*** [~~such~~] director or officer, or one (1) which demonstrates a willful or continuing disregard for the safety or soundness of the bank. The written notice shall serve to suspend the officer or director from office. ***The*** [~~Such~~] suspension shall become effective upon service of ***the*** [~~such~~] notice and, unless stayed by a court in proceedings authorized by subsection (10) of this section, shall remain in effect pending the completion of the administrative proceedings under subsection (9) of this section and until ***the*** [~~such~~] time [~~as~~] the commissioner shall dismiss the charges specified in ***the*** [~~such~~] notice or, if an order of removal is issued against the officer or director, the effective date of ***the*** [~~any such~~] order. ***The resignation of an officer or director from the bank shall not prohibit the commissioner from pursuing an action for removal of the officer or director.***

(9) A notice of intention to remove an officer or director from office shall contain a statement of the facts constituting grounds therefor, and shall fix a time and place at which a hearing will be held thereon. ***The*** [~~Such~~] hearing shall be fixed for a date not earlier than thirty (30) days nor later than sixty (60) days after the date of service of ***the*** [~~such~~] notice***,***[~~;~~] unless an earlier date is set by the commissioner at the request of ***the*** [~~such~~] officer or director and for good cause shown. Unless ***the*** [~~such~~] officer or director shall appear at the hearing in person or by duly authorized representative, he shall be deemed to have consented to the issuance of an order of [~~such~~] removal: ***If the parties*** [~~In the event of such~~] consent, or if upon the record made at any [~~such~~] hearing the commissioner shall find that any of the grounds specified in ***the*** [~~such~~] notice have been established, the commissioner may issue [~~such~~] orders of suspension or removal from office as he deems appropriate.

(10) Within ten (10) days after an officer or director has been suspended from office, ***the*** [~~such~~] officer or director may apply to the Circuit Court for the county in which the bank or trust company is located for a stay of ***the*** [~~such~~] suspension pending the completion of the administrative proceedings pursuant to the notice served upon ***the*** [~~such~~] officer or director, and ***the*** [~~such~~] court shall have jurisdiction to grant ***the*** [~~such~~] stay.

(11) The bank, trust company or person assessed shall be afforded an opportunity for a hearing upon request made to the commissioner within ten (10) days after issuance of the assessment notice. Any [~~such~~] hearing shall be on the record and the commissioner's determination shall constitute a final order. If no hearing is requested within the ten (10) days, the notice of assessment shall constitute a final order.

(12) Any person aggrieved by a final order of the commissioner under subsections (9) or (11) of this section may obtain a review of the order by filing in the Circuit Court for the county in which the bank or trust company is located a petition of appeal within ten (10) days after the rendition of a final order. A copy of the petition shall be served upon the commissioner and thereupon the commissioner or his agent shall certify and file in court a copy of the record or other evidence upon which the order is entered. No objection to the order may be considered by the court unless it was argued before the commissioner or there were reasonable grounds for failure to do so.

(13) The commissioner may apply to the Circuit Court for the county in which the bank or trust company is located for an injunction to enforce any order issued under subsection (9) of this section or any assessment made under subsection (11) of this section, and it shall be the duty of the court to issue ***the*** [~~such~~] injunction.

(6) Any deputy commissioner or any examiner who has knowledge of the insolvency or unsafe condition of a state bank or trust company, or that it is inexpedient to permit the bank or trust company to continue business, and who fails to immediately present a signed report of ***the*** [~~such~~] facts to the commissioner, or who violates any of the provisions of this chapter, shall forfeit his office and shall be fined not less than one hundred ($100) nor more than two thousand dollars ($2,000) for each offense.

(7) Any commissioner who has knowledge of the insolvency or unsafe condition of a state bank or trust company, or that it is inexpedient to permit the bank or trust company to continue business, and who willfully fails to take the action prescribed by this chapter, or who violates any of the provisions of this chapter, shall

forfeit his office and shall be fined not less than five hundred ($500) nor more than five thousand dollars ($5,000) for each offense.

(2) Unless the party or parties so served shall appear at the hearing personally or by a duly authorized representative, they shall be deemed to have consented to the issuance of the cease and desist order.

(3) ***If the parties*** [~~In the event of such~~] consent, or if upon the record made at any [~~such~~] hearing the commissioner shall find that any violation or unsafe or unsound practice specified in the notice of charges has been established, he may issue and serve upon the bank, trust company, director, officer, employee, agent or other person an order to cease and desist from any [~~such~~] violation or practice and, further, to take affirmative action to correct the conditions resulting from any [~~such~~] violation or practice.

(4) If the commissioner shall determine that the violation or practice, as specified in the notice of charges pursuant to subsection (1) of this section, or the continuation thereof, is likely to cause insolvency or substantial dissipation of assets or earnings of the bank or trust company, or is likely to otherwise seriously prejudice the interests of its depositors or investors, he may issue a temporary order requiring the bank or trust company, director, officer, employee, agent or other person to cease and desist from any [~~such~~] violation or practice.

(5) A cease and desist order or temporary cease and desist order shall become effective upon service upon the bank or trust company or at the expiration of not more than thirty (30) days after the date of service. Unless set aside, limited or suspended, as provided by subsection (6) of this section, a cease and desist order shall remain effective and enforceable pending completion of the administrative proceedings until the commissioner shall dismiss all specified charges, or, where a temporary cease and desist order has issued, until the effective date of a cease and desist order.

(6) Within ten (10) days after service of a temporary cease and desist order, the party or parties served may apply to the Circuit Court for the county in which the bank is located, or the Circuit Court of Franklin county, for an injunction setting aside, limiting, or suspending the enforcement, operation or effectiveness of ***the*** [~~such~~] order pending completion of administrative proceedings, and ***the*** [~~such~~] court shall have jurisdiction to issue an injunction.

(7) In the case of violation or threatened violation of, or failure to obey, a temporary cease and desist order ***or cease and desist order*** issued pursuant to this section, the commissioner may apply to the Circuit Court for the county in which the bank or trust company is located, or the Circuit Court of Franklin County, for an injunction to enforce ***the*** [~~such~~] order, and it shall be the duty of the court to issue ***the*** [~~such~~] injunction.

(8) If the commissioner shall determine that any officer or director of a bank or trust company has committed any violation of law, rule or regulation or of a cease and desist order which has become final, or has engaged in or participated in any unsafe or unsound practice in connection with the bank or trust company, or has committed or engaged in any act, omission, or practice which constitutes a breach of his fiduciary duty as [~~such~~] officer or director, and the commissioner determines that the bank or trust company has suffered or will probably suffer substantial financial loss or other damages or that the interests of its depositors or investors could be seriously prejudiced by reason of ***the*** [~~such~~] violation or practice of breach of fiduciary duty or that the director or officer has received financial gain by reason of the violation or practice or breach of fiduciary duty, the commissioner may serve upon ***the*** [~~such~~] director or officer a written notice

of intention to remove him from office. The violation, practice or breach ***shall*** [~~must~~] be one (1) involving personal dishonesty on the part of ***the*** [~~such~~] director or officer, or one (1) which demonstrates a willful or continuing disregard for the safety or soundness of the bank. The written notice shall serve to suspend the officer or director from office. ***The*** [~~Such~~] suspension shall become effective upon service of ***the*** [~~such~~] notice and, unless stayed by a court in proceedings authorized by subsection (10) of this section, shall remain in effect pending the completion of the administrative proceedings under subsection (9) of this section and until ***the*** [~~such~~] time [~~as~~] the commissioner shall dismiss the charges specified in ***the*** [~~such~~] notice or, if an order of removal is issued against the officer or director, the effective date of ***the*** [~~any such~~] order. ***The resignation of an officer or director from the bank shall not prohibit the commissioner from pursuing an action for removal of the officer or director.***

(9) A notice of intention to remove an officer or director from office shall contain a statement of the facts constituting grounds therefor, and shall fix a time and place at which a hearing will be held thereon. ***The*** [~~Such~~] hearing shall be fixed for a date not earlier than thirty (30) days nor later than sixty (60) days after the date of service of ***the*** [~~such~~] notice***,***[~~;~~] unless an earlier date is set by the commissioner at the request of ***the*** [~~such~~] officer or director and for good cause shown. Unless ***the*** [~~such~~] officer or director shall appear at the hearing in person or by duly authorized representative, he shall be deemed to have consented to the issuance of an order of [~~such~~] removal. ***If the parties*** [~~In the event of such~~] consent, or if upon the record made at any [~~such~~] hearing the commissioner shall find that any of the grounds specified in ***the*** [~~such~~] notice have been established, the commissioner may issue [~~such~~] orders of suspension or removal from office as he deems appropriate.

(10) Within ten (10) days after an officer or director has been suspended from office, ***the*** [~~such~~] officer or director may apply to the Circuit Court for the county in which the bank or trust company is located for a stay of ***the*** [~~such~~] suspension pending the completion of the administrative proceedings pursuant to the notice served upon ***the*** [~~such~~] officer or director, and ***the*** [~~such~~] court shall have jurisdiction to grant ***the*** [~~such~~] stay.

(11) The bank, trust company or person assessed shall be afforded an opportunity for a hearing upon request made to the commissioner within ten (10) days after issuance of the assessment notice. Any [~~such~~] hearing shall be on the record and the commissioner's determination shall constitute a final order. If no hearing is requested within the ten (10) days, the notice of assessment shall constitute a final order.

(12) Any person aggrieved by a final order of the commissioner under subsections (9) or (11) of this section may obtain a review of the order by filing in the Circuit Court for the county in which the bank or trust company is located a petition of appeal within ten (10) days after the rendition of a final order. A copy of the petition shall be served upon the commissioner and thereupon the commissioner or his agent shall certify and file in court a copy of the record or other evidence upon which the order is entered. No objection to the order may be considered by the court unless it was argued before the commissioner or there were reasonable grounds for failure to do so.

(13) The commissioner may apply to the Circuit Court for the county in which the bank or trust company is located for an injunction to enforce any order issued under subsection (9) of this section or any assessment made under subsection (11) of this section, and it shall be the duty of the court to issue ***the*** [~~such~~] injunction.

HB 264, AN ACT relating to insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 304.20-040 is amended to read as follows:

(1) As used in this section:

(a) "Policy" means an automobile liability insurance policy, delivered or issued for delivery in this state, insuring a single individual or husband and wife resident of the same household, as named insured, and under which the insured vehicles therein designated are of the following types only:

1. A motor vehicle of the private passenger or station wagon type that is not used as a public or livery conveyance for passengers, nor rented to others;

2. Any other four-wheel motor vehicle with a load capacity of fifteen hundred (1500) pounds or less which is not used in the occupation, profession or business of the insured; provided, however, that this section shall not apply:

a. To any policy issued under an automobile assigned risk plan;

b. To any policy insuring more than four (4) automobiles; or

c. To any policy covering garage, automobile sales agency, repair shop, service station or public parking place operation hazards;

(b) "Automobile liability insurance policy" includes only coverage for bodily injury and property damage liability, basic reparations benefits and the provisions therein, if any, relating to medical payments, uninsured motorists coverage, and automobile physical damage coverage;

(c) "Renewal" or "to renew" means the issuance and delivery by an insurer of a policy replacing at the end of the policy period a policy previously issued and delivered by the same insurer, or the issuance and delivery of a certificate or notice extending the term of a policy beyond its policy period or term; provided, however, that any policy with a policy period or term of less than three (3) months shall for the purpose of this section be considered as if written for a policy period or term of three (3) months. Provided, further, that any policy written for a term longer than one (1) year or any policy with no fixed expiration date, shall for the purpose of this section, be considered as if written for successive policy periods or terms of one (1) year, and such policy may be terminated at the expiration of any annual period upon giving seventy-five (75) days' notice of cancellation prior to such anniversary date, and such cancellation shall not be subject to any other provisions of this section; and

(d) "Nonpayment of premium" means failure of the named insured to discharge when due any of his obligations in connection with the payment of premiums on a policy, or any installment of such premium, whether the premium is payable directly to the insurer or its agent or indirectly under any premium finance plan or extension of credit.

(2) (a) A notice of cancellation of a policy shall be effective only if it is based on one (1) or more of the following reasons:

1. Nonpayment of premium; or

2. The driver's license or motor vehicle registration of the named insured or of any other operator who either resides in the same household or customarily operates an automobile insured under the policy has been under suspension or revocation during the policy period or, if the policy is a renewal, during its policy period or the one hundred eighty (180) days immediately preceding its effective date;

(b) This subsection shall not apply to any policy or coverage which has been in effect less than sixty (60) days at the time notice of cancellation is mailed or delivered by the insurer unless it is a renewal policy;

(c) Modification of automobile physical damage coverage by the inclusion of a deductible not exceeding one hundred dollars ($100) shall not be deemed a cancellation of the coverage or of the policy; and

(d) This subsection shall not apply to nonrenewal.

(3) No notice of cancellation of a policy to which subsection (2) of this section applies shall be effective unless mailed or delivered by the insurer to the named insured at least twenty (20) days prior to the effective date of cancellation; provided, however, that where cancellation is for nonpayment of premium at least fourteen (14) days' notice of cancellation accompanied by the reason therefor shall be given. This subsection shall not apply to renewals.

(4) No insurer shall refuse to renew a policy of automobile insurance solely because of the age of the insured.

(5) No insurer shall fail to renew a policy unless it shall mail or deliver to the named insured, at the address shown in the policy, at least seventy-five (75) days' advance notice of its intention not to renew.

(6) Renewal of a policy shall not constitute a waiver or estoppel with respect to grounds for cancellation which existed before the effective date of such renewal.

(7) If the insurer has manifested its willingness to renew by mailing or delivering a renewal notice, bill, certificate, or policy to the first-named insured at his last known address at least thirty (30) days before the end of the current policy period with the amount of the renewal premium charge and its due date clearly set forth therein, then the policy shall expire and terminate without further notice to the insured on the due date unless the renewal premium is received by the insurer or its authorized agent on or before that date. When any policy terminates pursuant to this subsection because the renewal premium was not received on or before the due date, the insurer shall, within fifteen (15) days, deliver or mail to the first-named insured at his last known address a notice that the policy was not renewed and the date on which the coverage under it ceased to exist.

(8) (a) Proof of mailing of renewal premium to the insurer or its agent, when authorized, on or before the due date, shall constitute a presumption of receipt pursuant to subsection (7) of this section.

(b) Proof of mailing of notice of cancellation or of intention not to renew or of reasons for cancellation or nonrenewal to the named insured at the address shown in the policy, shall be sufficient proof of notice.

(9) No insurer shall impose or request an additional premium higher than its standard premium for automobile insurance, cancel or refuse to issue a policy, or refuse to renew a policy solely because the insured or the applicant is handicapped or a physically disabled person, so long as the handicap or physical disability does not substantially impair the person's mechanically assisted driving ability.

(10) When an automobile liability insurance policy is canceled other than for nonpayment of premium, or in the event of failure to renew a policy of automobile liability insurance to which subsection (5) of this section applies, the insurer shall notify the named insured of his possible eligibility for automobile liability insurance coverage through the Kentucky automobile assigned risk plan. Such notice shall accompany or be included in the notice of cancellation or the notice of intent not to renew. Such notice shall also inform the insured that he may, within four (4) days, request the commissioner in writing to determine whether there is sufficient reason to cancel or not to renew the policy. Within fourteen (14) days of receiving such a written request, the commissioner shall send his findings to the insurer and to the insured. When he sends his findings, the commissioner shall notify both parties of their right to request a hearing under KRS 304.2-310(2)(b).

(11) The reason for nonrenewal or cancellation shall accompany or be included in the notice of nonrenewal or cancellation.

(12) ***Except where the maximum limits of coverage have been purchased, every notice of renewal shall include a provision stating in substance that added uninsured motorists, underinsured motorists, and personal injury protection coverages may be purchased by the insured.***

(13) There shall be no liability on the part of and no cause of action of any nature shall arise against the commissioner or against any insurer, its authorized representative, its agents, its employes, or any firm, person or corporation furnishing to the insurer information as to reasons for cancellation or nonrenewal, for any statement made by any of them in any written notice of cancellation or nonrenewal, or in any other communication, oral or written specifying the reasons for cancellation or nonrenewal, or the providing of information pertaining thereto, or for statements made or evidence submitted at any hearings conducted in connection therewith.

HB 267, AN ACT relating to insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS 304.18-120 TO 304.18-130 IS CREATED TO READ AS FOLLOWS:

(1) As used in Sections 1 through 4 of this Act, "group policy" means group health insurance policies as defined in KRS 304.18-020 and blanket health insurance policies which the commissioner, in his discretion, designates as subject to Sections 1 through 4 of this Act, which:

(a) Affect the rights of a Kentucky insured and bear a reasonable relation to Kentucky, regardless of whether delivered or issued for delivery in Kentucky;

(b) Provide hospital or surgical expenses benefits or indemnities, other than for a specific disease or accidental injury only, or benefits for loss of time from employment; and

(c) Are delivered, issued for delivery, or renewed after the effective date of this Act.

SECTION 2. A NEW SECTION OF KRS 304.18-120 TO 304.18-130 IS CREATED TO READ AS FOLLOWS:

(1) If a group policy provides for automatic discontinuance of the policy after a premium charge has not been paid through a grace period allowed for the payment, the insurer shall be liable for valid claims for covered losses incurred prior to the end of the grace period.

(2) If the actions of the insurer after the end of the grace period indicate that it considers the policy as continuing in force beyond the end of the grace period, such as by continuing to recognize claims incurred after the end of the grace period, the insurer shall be liable for valid claims for losses beginning prior to the effective date of written notice of discontinuance to the policyholder or other person responsible for making premium payments to the insurer. The effective date of discontinuance shall not be prior to midnight at the end of the tenth scheduled work day after the date upon which the notice is mailed or delivered to the last known address of the policyholder or person responsible for making premium payments.

(3) This section shall not eliminate the responsibility of the insurer to notify persons of the right to continue or convert group health insurance coverage pursuant to KRS 304.18-110 and 304.18-120.

SECTION 3. A NEW SECTION OF KRS 304.18-120 TO 304.18-130 IS CREATED TO READ AS FOLLOWS:

(1) A group policy shall provide a reasonable provision for extension of benefits in the event of total disability at the date of discontinuance of the group policy or contract in accordance with this section.

(2) If the group policy provides benefits for loss of time from employment or specific indemnity during hospital confinement, discontinuance of the policy during a disability shall have no effect on benefits payable for that disability or confinement.

(3) In the case of hospital or medical expense coverages, a reasonable extension of benefits or accrued liability shall be required. A provision shall be considered reasonable:

(a) Under major medical coverages if it provides an extension of at least twelve (12) months; and

(b) Under other types of hospital or medical expense coverages if it provides an extension of at least ninety (90) days for expenses incurred during the period of disability or incurred within a period of at least ninety (90) days starting with a specific event which occurred while coverage was in force, such as an accident.

(4) Any applicable extension of benefits or accrued liability shall be described in the group policy as well as in group insurance certificates. The benefits payable during the period of extension or accrued liability may be subject to the group policy's regular benefit limits, such as benefits ceasing at exhaustion of a benefit period or a maximum benefit limitation.

SECTION 4. A NEW SECTION OF KRS 304.18-120 TO 304.18-130 IS CREATED TO READ AS FOLLOWS:

(1) This section shall indicate the insurer responsible for liability in those instances in which one (1) insurer's group policy replaces the group policy of another insurer.

(2) The prior insurer shall remain liable only to the extent of its accrued liabilities, extensions of benefits, and for persons who are under continued group health insurance coverage pursuant to KRS 304.18-110 at the time the group policy terminates. The position of the prior insurer shall be the same whether the group policyholder secures replacement coverage from a new insurer, self insures, or forgoes the provision of a group policy, except that termination of continued group health insurance coverage shall occur in accordance with KRS 304.18-110.

(3) The liability of a succeeding insurer shall be as follows:

(a) Each person who is eligible for coverage in accordance with the succeeding insurer's plan of benefits, in respect to classes eligible, activity at work, and nonconfinement rules, shall be covered by that insurer's plan of benefits.

(b) Each person not covered under the succeeding insurer's plan of benefits in accordance with paragraph (a) of this subsection shall nevertheless be covered by the succeeding insurer in accordance with the following

provisions if the person was validly covered, including benefit extensions, under the prior insurer on the date of termination of the prior insurer's group policy and if the person is a member of the class or classes of persons eligible for coverage under the succeeding insurer's plan. Any reference in the following provisions to a person who was or was not totally disabled shall be a reference to that person's status immediately prior to the date the succeeding insurer's coverage becomes effective.

1. The minimum level of benefits to be provided by the succeeding insurer shall be the applicable level of benefits of the prior insurer's group policy reduced by any benefits payable by the prior insurer under its group policy.

2. Coverage shall be provided by the succeeding insurer until at least the earliest of the following dates:

a. The date the person becomes insured according to paragraph (a) of this subsection;

b. For each type of coverage, the date the person's coverage would terminate in accordance with the succeeding insurer's group policy provisions applicable to individual termination of coverage; or

c. In the case of a person who was totally disabled and the type of coverage is one for which Section 3 of this Act requires an extension of accrued liability, the end of extension of accrued liability which is required of the prior insurer by Section 3 of this Act, or, if the prior insurer's group policy is not subject to Section 3 of this Act, would have been required of that insurer had its group policy been subject to Section 3 of this Act at the time the prior insurer's group policy was discontinued and replaced by the succeeding insurer's plan.

(c) In the case of a preexisting conditions limitation in the succeeding insurer's group policy, the level of benefits applicable to preexisting conditions of persons becoming covered by the succeeding insurer's plan in accordance with this subsection during the period of time this limitation applies under the succeeding insurer's group policy shall be the lesser of:

1. The benefits of the succeeding insurer's group policy determined without application of the preexisting conditions limitation; or

2. The benefits of the prior insurer's group policy.

(d) The succeeding insurer, in applying any deductibles or waiting periods in its plan, shall give credit for the satisfaction or partial satisfaction of the same or similar provisions under a prior group policy. In the case of deductible provisions, the credit shall apply for the same or overlapping benefit periods and shall be given for expenses actually incurred and applied against the deductible provisions of the prior insurer's group policy during the ninety (90) days preceding the effective date of the succeeding insurer's group policy, but only to the extent these expenses are recognized under the terms of the succeeding insurer's group policy and are subject to similar deductible provisions.

(e) If a determination of the prior insurer's benefit is required by the succeeding insurer, at the succeeding insurer's request the prior insurer shall furnish a statement of the benefits available or pertinent information sufficient to permit verification of the benefit determination or the determination itself by the succeeding insurer. For purposes of this section, benefits of the prior insurer's group policy shall be determined in accordance with all of the definitions, conditions, and covered expense provisions of the prior insurer's group policy rather than those of the succeeding insurer's group policy. The benefit determination shall be made as if coverage had not been replaced by the succeeding insurer.

SECTION 5. A NEW SECTION OF SUBTITLE 32 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Corporations subject to this subtitle shall comply with Sections 1 through 4 of this Act.

SECTION 6. A NEW SECTION OF SUBTITLE 38 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(b) Areas important to migratory birds;

(c) Areas that perform important natural functions that are subject to alteration or loss; or

SECTION 4. A NEW SECTION OF KRS CHAPTER 146 IS CREATED TO READ AS FOLLOWS:

(b) The amount of tax shall be computed on the basis of the value of the transferred property as set forth in the deed.

(c) The tax required to be levied by this section shall be collected only once on each transaction and in the county in which the deed is required to be recorded by KRS 382.110(1).

(4) The county clerk shall collect the amount due and certify the date of payment and the amount of collection on the deed. The county clerk shall retain 5 percent as his fee for collection and remit ***one-half (1/2) of*** the balance every three (3) months to the county treasurer, who shall deposit the money in the county general fund***, and one-half (1/2) of the balance to the secretary of revenue, who shall deposit the monies as they are received into the Kentucky Heritage Land Conservation Fund.***

(5) The Revenue Cabinet may prescribe such rules and regulations as it may deem necessary to carry out the purposes of this section.

(6) Any county clerk who willfully shall record any deed upon which a tax is imposed by this section without collecting the proper amount of tax and certifying the date and amount of collection on the deed as required by this section based on the declared value indicated in the affidavit appended to such deed shall, upon conviction, be fined $50 for each offense.

(7) Any person who shall present for recording any deed which contains a false statement of the full actual consideration, or who shall execute an affidavit which contains a false statement of the full actual

SECTION 4. A NEW SECTION OF KRS CHAPTER 56 IS CREATED TO READ AS FOLLOWS:

(1) When an agency determines that it will need office or other space, the agency shall submit a request for the acquisition of the additional space to the Department for Facilities Management in the Finance and Administration Cabinet. Except in the case of an emergency as described at subsection (3) of Section 5 of this Act, an agency shall submit its space request in writing to the department at least ninety (90) calendar days before the space requested will be required by the agency. In the case of an emergency, an agency shall communicate its space needs to the department pursuant to subsection (3) of Section 5 of this Act as soon as an agency knows that it will need the space. If the commissioner of the Department for Facilities Management determines that insufficient space has been allocated to the agency making the request and that it is appropriate to lease additional space for the agency making the request, he shall acquire the space required by lease as provided by KRS 56.800 to 56.820 and the provisions of this Act.

(2) The Department for Facilities Management shall review each agency space request to determine whether space suitable to meet the agency's reasonable needs may be available in a state-owned or occupied building. If it is determined that there is suitable space available in a state-owned or occupied building, the commissioner shall notify the agency by letter. A copy of the letter shall be kept on file.

(3) If it is determined that there is no suitable space available in a state-owned or occupied building, the department shall comply with the procedures set forth in this section in the leasing of space, except as otherwise provided in KRS 56.800 to 56.820 and the other sections of this Act.

(4) The department shall draw up general requirement specifications for the space required. These general requirement specifications shall not be changed except, at the discretion of the commissioner, when the lease process is initiated again pursuant to paragraph (c) of subsection (15) of this section or pursuant to paragraph (b) of subsection (16) of this section. The general requirement specifications shall be kept on file.

(5) In soliciting the interest of lessors who have property to let in a county where space is sought, the department shall comply with procedures established in this subsection.

(a) The department shall place newspaper advertisements. Each advertisement shall contain general information concerning the agency requirements for the space sought to reasonably inform persons having property to let within the county of the type of space wanted, the general location of the property, and the number of square feet needed, and shall state the last time, date, and place that written responses shall be received. When it is anticipated that a lease may be negotiated containing deviations or variations from the terms and conditions of the state standard lease form prescribed by the Division of Real Properties, within the department, any deviations or variations shall be noted in the advertisement.

(b) If a daily newspaper is published, and of general circulation, in the county where the space is sought, an advertisement shall be published two (2) times in that newspaper.

(c) If there is not a daily newspaper published, and of general circulation, in the county where the space is sought, an advertisement shall be published one (1) time in a weekly newspaper published, and of general circulation, in the county where the space is sought and two (2) times in a daily newspaper not published, but of general circulation, in the county where space is sought.

(d) If neither a daily newspaper nor a weekly newspaper is published, and of general circulation, in the county where the space is sought, an advertisement shall be published two (2) times in a daily newspaper not published, but of general circulation, in the county where the space is sought, and a copy of the advertisement shall be posted in a conspicuous place in the county courthouse.

(e) If the Commonwealth intends to lease space in any county when the estimated annual rental charge will exceed one hundred thousand dollars ($100,000), the requirements established in paragraphs (a), (b), (c), and (d) of this subsection shall be followed. In addition, advertisements shall be published two (2) times in at least two (2) daily newspapers having broad circulation within the Commonwealth, to be designated by the secretary of the Finance and Administration Cabinet.

(f) When an advertisement is published in a daily newspaper, the advertisement shall appear on any consecutive Monday and Tuesday.

(g) The Department for Facilities Management may use any means available to notify landlords that advertisements have been placed.

(6) To respond to a newspaper advertisement, a property owner, or his representative, shall respond in writing on or before the time and date designated in the advertisement and shall state in the writing the type and location of the property, the name and address of the property owner, and the date of availability of the property. The department shall deal only with individuals who have submitted written responses on or before the time and date designated in the advertisement.

(7) All written responses submitted on or before the time and date designated shall be opened at the same time, publicly read, and kept on file by the department.

(8) Within five (5) days of the opening of written responses submitted on or before the time and date designated, the department shall mail general requirement specifications to each person who submitted a written response on or before the time and date designated. The same general requirement specifications shall be mailed to each person.

(9) After the general requirement specifications have been mailed, except as provided in paragraph (a) of subsection (l3) of this section, the commissioner, and department employees under his supervision, may negotiate with persons who submitted written responses on or before the time and date designated. If in the course of negotiations, a person proposes terms and conditions of lease different from those contained in the state standard lease form which are determined to be in the Commonwealth's best interest to accept, but no mention of the acceptability thereof has been made in the advertisement placed pursuant to subsection (5) of this section, all other persons who submitted written responses on or before the time and date designated shall be advised by letter of the terms and conditions and shall be allowed to incorporate the terms and conditions in written proposals when submitted pursuant to subsection (l2) of this section. A copy of each of these letters shall be kept on file.

(10) After the general requirement specifications have been mailed, the department shall inspect each space proposed to be leased to determine its suitability to the reasonable needs of the agency for whose use the property is sought. The owner of the property, or his representative, shall provide access to the property for such inspection. A report of the findings about each property inspected shall be submitted on a site evaluation form to the commissioner of the department. Completed site evaluation forms shall be kept on file.

(11) After the commissioner has reviewed the completed site evaluation forms, he shall send to each owner of property, or his representative, a letter informing the person of what would have to be done to bring the property up to general and specific requirement specifications. The commissioner's letter shall also invite each person to submit a written proposal on a form created by the Department for Facilities Management. A copy of the form shall be enclosed with each letter. A written proposal shall constitute a best and final offer. The department shall not consider a written proposal unless it is submitted on a department form on or before the time and date designated in the letter. A copy of each letter shall be kept on file.

(12) All written proposals submitted on or before the time and date designated shall be opened at the same time, publicly identified by the name of the property owner and the location of the property, and kept on file.

(13) Except pursuant to paragraph (b) of subsection (15) of this section, when the requirements of paragraph (a) of this subsection shall not apply, from the time that written proposals are opened until the awarding of a lease, the department:

(a) Shall not negotiate or agree to changes in the terms of written proposals except to correct technical errors;

(b) Shall log in all contacts between department employees and any person with an interest in the awarding of a lease. The log shall state the time, date, place, and a summary of the substance of each contact. Each log entry shall be signed by the department employee who was contacted. After the lease is awarded, the log shall be kept as a department record.

(14) The commissioner shall assess the proposals, taking into account factors including, but not limited to: consultation with the head of the agency for whose use the space is sought; the location and accessibility of the property to the public; its condition and state of repair; its conformity with the requirements of occupational health and safety regulations; its conformity with applicable state fire, health, safety and sanitation requirements; the proposed rental rates; utility and janitorial costs; agency moving costs; and whether the property proposed is in substantial conformity with the advertised requirements and general and specific requirement specifications.

(15) The commissioner, relying exclusively on his assessment made pursuant to subsection (14) of this section, shall:

(a) Choose the best proposal in the interest of the Commonwealth;

(b) Be permitted to negotiate with a potential lessor if he was the only responsive and responsible potential lessor who submitted a proposal; or

(c) Except as provided in paragraph (b) of this subsection, reject all proposals when none is in the

Commonwealth's best interest to accept as assessed according to the factors stated in subsection (14) of this section and may, at his discretion, initiate the lease process again.

(16) (a) The commissioner shall award or decline to award a lease to the potential lessor who submitted the best proposal pursuant to paragraph (a) of subsection (15) of this section or who negotiated with the commissioner pursuant to paragraph (b) of subsection (15) of this section. However, the commissioner shall not award a lease to a potential lessor who negotiated with the commissioner pursuant to paragraph (b) of subsection (15) of this section if that potential lessor's proposal after negotiations was not in the Commonwealth's best interest to accept as assessed according to the factors stated in subsection (14) of this section, and the commissioner shall not award a lease to a person other than a potential lessor prescribed in this paragraph.

(b) If the commissioner declines to award a lease, he may, at his discretion, initiate the lease process again.

(17) The commissioner shall put in writing the justifications for his decisions made pursuant to subsections (15) and (16) of this section. This writing shall be kept on file.

(18) The department shall send to each person who submitted a written response on or before the time and date designated in the advertisement pursuant to subsection (6) of this section, but who was not awarded the lease, a letter stating the selected property to be leased, and that the person has a right to examine the leasing records relevant to the lease that was awarded. If the Capital Projects and Bond Oversight Committee, pursuant to subsection (2) of Section 12 of this Act, will review the awarding of a lease, each letter shall state that fact. A copy of each of these letters shall be kept on file.

SECTION 5. A NEW SECTION OF KRS CHAPTER 56 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding the provisions of subsections (4) through (18) of Section 4 of this Act, this section shall govern the leasing of space in a building owned by the federal government, by a political subdivision or municipal corporation of the Commonwealth, or if the space is required as the result of a bona fide emergency.

(2) When the commissioner of the Department for Facilities Management determines that it is in the Commonwealth's best interest for him to negotiate a lease in a building owned by the federal government or by a political subdivision or municipal corporation of the Commonwealth, he shall do so. The commissioner shall state in writing his justifications for the determination, and the writing shall be kept on file.

(3) A bona fide emergency shall be deemed to exist only in cases where the head of an agency already occupying leased premises certifies in writing to the Secretary of the Finance and Administration Cabinet that:

(a) The leased premises have been damaged or destroyed by fire, windstorm or other casualty; or

(b) The leased premises are found to be in violation of regulations of the Kentucky Occupational Safety and Health Review Commission and the violations cannot be remedied within thirty (30) days after the issuance of a citation to the lessor of the premises; or

(c) The leased premises are found to be unsafe or unfit for occupancy due to any condition constituting a violation or infraction of fire or health laws and regulations and cannot be made safe within a reasonable time; or

(d) 1. The necessity for leased premises arises from the enactment or adoption of federal legislation or regulations or state legislation, the effective date of which mandates commencement of programs to be housed in leased space before there is time for space to be acquired by advertisement; and

2. The agency's functions will be impaired or have to be discontinued unless other quarters to house the agency's operations are immediately located and occupied by the agency; or

(e) An emergency, other than one described in paragraph (a), (b), (c), or (d) of this subsection, exists, and the Governor has given his express written authorization of an emergency lease. The certificate shall state the details of the emergency, and the head of the agency shall include the Governor's written authorization along with the certificate sent to the Secretary of Finance and Administration Cabinet.

(4) Upon receipt by the Finance and Administration Cabinet of the certificate, written pursuant to paragraph (a), (b), (c), or (d) of subsection (3) of this section, or the certificate and the Governor's authorization written pursuant to paragraph (e) of subsection (3) of this section, the Department for Facilities Management shall take the action to locate and negotiate for the lease of space meeting the certifying agency's reasonable needs. As appropriate, the department shall keep the certificate or the certificate and the Governor's written authorization on file.

Section 6. KRS 56.806 is amended to read as follows:

(1) Except when another lease term is approved by the secretary of the Finance and Administration Cabinet, the terms of all leases entered into ***pursuant to Section 4 or 5 of this Act*** [~~under this section~~] may provide for an initial lease term beginning on a date stated and ending on [~~the thirtieth (30th) day of~~] June ***30*** in each year in which the General Assembly has convened in regular session and appropriated funds for the operation of the state government during the next ensuing biennium. ***The*** [~~Such~~] leases may grant the state successive options for the automatic renewal of the lease upon the same terms and conditions for additional renewal periods of twenty-four (24) months each, not to exceed three (3) [~~such~~] automatic renewal periods. Any lease containing provision for the automatic renewal of the lease after the expiration of the initial lease term shall also provide that the state may, upon written notice given to the lessor on or before April 15 of the year in which the initial or any automatic renewal term expires, elect not to exercise its option for the automatic renewal of the lease term. Subject to the agreement of the lessor, a lease in which the final automatic renewal period has expired, or will expire as of the end of the then current term, may be renewed upon the same terms and conditions, ***provisions of Section 4 of this Act to the contrary notwithstanding*** [~~without newspaper advertisement for space~~].

(2) The Department for Facilities Management shall comply with the provisions of this subsection when calculating rentable area for the purposes of a lease.

(a) If the Commonwealth is the only tenant on a single floor of a multi-story building, the rentable area shall be the entire area described by measuring to the inside finished surface of the dominant portion of the permanent outer building walls, excluding any major vertical penetrations of the floor which shall include, but not be limited to, stairways, elevator shafts, pipe chases, vertical air ducts, and the enclosing wall of all such excluded areas. Restrooms, corridors, and utility rooms which exclusively serve the floor occupied by the Commonwealth shall be included as part of the rentable area.

(b) If the Commonwealth is the only tenant in a one-story or multi-story building, rentable area shall be calculated pursuant to the provisions of paragraph (a) of this subsection except that those areas excluded pursuant to paragraph (a) shall be included as part of the rentable area.

(c) If the Commonwealth shares a floor with one (1) or more other tenants, the rentable area shall be calculated by measuring from the inside finished surface of the dominant portion of the permanent outer building walls to the office side of every corridor wall or other wall separating the Commonwealth's leased space from other adjacent rentable areas which shall include, but not be limited to, space under the control of another tenant, public corridors, restrooms, all common service and utility areas, stairways, elevator shafts, vertical pipe chases, and air ducts.

(d) The Commonwealth's rentable area determined pursuant to paragraphs (a), (b), and (c) of this subsection shall include columns and projections necessary to the building.

(3) The Commonwealth shall reserve the right to cancel a lease upon written notice within thirty (30), sixty (60), or ninety (90) days, whichever is specified in the lease agreement.

SECTION 7. A NEW SECTION OF KRS CHAPTER 56 IS CREATED TO READ AS FOLLOWS:

(1) An agency may request that the Finance and Administration Cabinet provide additional space in a building in which space is already leased by the state. If the cabinet determines there is need for more space, the current lease may be amended, with agreement of the lessor, to increase the leased space. However, the rental rate paid for the additional space shall not exceed the square foot rental rate fixed by the original lease. A lease may also be modified with agreement of the lessor to decrease the number of square feet leased and the rent shall be appropriately reduced.

(2) The cabinet may amend a lease of private property to provide for an increase in the rental rate when the lessor has made improvements in the leased property at the request of and to meet the needs of the state agency occupying the premises, if the improvements and rent increase have the prior approval of the cabinet secretary. The rent increase shall be, and shall be identified as being, for the purpose of amortizing in full or in part the cost incurred by the owner at the state's request. Any increase for this purpose shall not extend beyond the period required to accomplish the agreed amortization.

(3) No improvement of a permanent nature shall be made at direct state expense in privately leased property. No improvements of a permanent nature may be made at direct state expense in publicly-owned leased property unless the Commonwealth shall have the leasehold interest in the property of a duration sufficient to permit amortization of the cost of the improvement over the life of the lease.

(4) Any modification to an existing lease which is required because of an emergency as described at subsection (3) of Section 5 of this Act shall be made pursuant to subsections (3) and (4) of Section 5 of this Act and this section.

(5) The Division of Real Properties, within the Department for Facilities Management, shall maintain a register of all proposed lease modifications which, if approved, will result in the payment of a square foot rate for the leased space which is greater than the square foot rate contained in the original lease. All such proposed modifications shall be filed and kept in the register for public inspection and comment for thirty (30) calendar days. Comments received from the public during the period shall be considered before the lease modification is executed by the parties and becomes binding against the Commonwealth. After receiving comments, if the secretary determines that the proposed modifications are not in the interest of the Commonwealth, he may require the agency to continue operation in its present space or cancel the lease and seek more suitable space. The lessor, under any lease proposed to be modified as contemplated therein, shall be advised of the requirements of this subsection and cautioned that the Commonwealth shall have no liability for any action undertaken by the lessor in anticipation of, but prior to execution of, the modifications of the lease.

Section 8. KRS 56.814 is amended to read as follows:

(1) No officer or employee of any state agency shall engage in any act or make any representation or commitment to any person relative to the lease of any real property by the state without specific written authorization from and approval by the Finance and Administration Cabinet and neither the state nor the department shall be bound by ***the*** [~~such~~] act, representation or commitment unless so authorized and approved.

(2) No officer or employee of any state agency shall disclose to any person or firm who might reasonably be expected to submit a proposal, any approved plans by the department for the lease of real property for which advertisement is required under KRS 56.800 to 56.820 ***and the provisions of this Act*** prior to the advertisement. Discussions of [~~such~~] approved leasing plans may be held after advertisement with persons interested in submitting a proposal pertaining to the space requirements.

SECTION 9. A NEW SECTION OF KRS CHAPTER 56 IS CREATED TO READ AS FOLLOWS:

(1) When there is a change in ownership in leased premises, the new owner shall furnish the Division of Real Properties, within the Department for Facilities Management, with a copy of the deed or other instrument of conveyance by which the new owner acquired title to the property or the right to payment under the lease and other evidence in support of his claim to the payment of rent under the lease the Division of Real Properties may request. The Commonwealth shall change its records and redirect its rent payments accordingly.

(2) When the agency occupying leased premises or the Finance and Administration Cabinet receives information that a change in ownership has occurred, payments of rent shall be suspended until the Division of Real Properties learns the ownership of the premises and determines who is entitled to the rent.

SECTION 10. A NEW SECTION OF KRS CHAPTER 56 IS CREATED TO READ AS FOLLOWS:

Records relating to leases shall be a matter of public record, except as otherwise provided by law.

SECTION 11. A NEW SECTION OF KRS CHAPTER 56 IS CRATED TO READ AS FOLLOWS:

(g) An explanation of why the Finance and Administration Cabinet chose this lessor over his competition; and

(h) A cost comparison between the cost per square foot of the leased space and the average cost per square foot of comparable space the state leases in the same county. If there are factors which make the comparison misleading, the cabinet shall inform the committee of these factors.

(3) Any lease awarded pursuant to subsection (2) of Section 5 of this Act for which the annual rental cost will exceed two hundred thousand dollars ($200,000) shall be reported to the Capital Projects and Bond Oversight Committee within thirty (30) days after execution. The report shall further state the information required by paragraphs (a), (b), (c), (d), (f), (g), and (h) of subsection (2) of this section.

HB 323, AN ACT relating to revenue and taxation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 134.580 is amended to read as follows:

(1) ***As used in this section, unless the context requires otherwise, "agency" means the agency of state government which administers the tax to be refunded or credited.***

(2) When money has been paid into the State Treasury in payment of any state taxes, except ad valorem taxes, whether payment was made voluntarily or involuntarily, the ***appropriate agency*** [~~revenue cabinet~~] shall authorize refunds or credits, to the person who paid the tax, or to his heirs, personal representatives or assigns, or any overpayment of tax and any payment where no tax was due. When a bona fide controversy exists between the ***agency*** [~~cabinet~~] and the taxpayer as to the liability of the taxpayer for the payment of tax claimed to be due by the ***agency*** [~~cabinet~~], the taxpayer may pay the amount claimed by the ***agency*** [~~cabinet~~] to be due, and if an appeal is taken by the taxpayer from the ruling of the ***agency*** [~~cabinet~~] within the time provided by KRS 131.340 and it is finally adjudged that the taxpayer was not liable for the payment of the tax or any part thereof, the ***agency*** [~~cabinet~~] shall authorize ***the*** [~~such~~] refund or credit as the Kentucky Board of Tax Appeals or courts may direct.

(3) If [~~(2) In the event~~] refunds or credits result from clerical error of the ***agency*** [~~cabinet or its agents~~], but not otherwise, refunds or credits shall be authorized with interest at the tax interest rate as defined in KRS 131.010(6). The refunds authorized by this section shall be made in the same manner as other claims on the State Treasury are paid. They shall not be charged against any appropriation, but shall be deducted from tax receipts for the current fiscal year.

(4)[~~(3)~~] Nothing in this section shall be construed to authorize the ***agency*** [~~cabinet~~] to make or cause to be made any refund except within four (4) years from the date the money was paid into the State Treasury. Nothing in this section shall be construed as requiring the ***agency*** [~~cabinet~~] to authorize any refund or credit to a taxpayer without demand from the taxpayer, if in the opinion of the ***agency*** [~~cabinet~~] the cost to the state of authorizing the refund or credit would be greater than the amount that should be refunded or credited.

(5)[~~(4)~~] The terms "overpayment" and "payment where no tax was due," as used in this section, shall be construed as referring to tax liability under the terms of the applicable statute without reference to the constitutionality of the statute. [~~It is not intended that~~] This section shall ***not*** apply to any case ***in which*** [~~wherein~~] the statute may be held unconstitutional, either in whole or in part.

(6)[~~(5)~~] In cases in which a statute has been held unconstitutional, taxes paid thereunder may be refunded to the extent provided by KRS 134.590, and by the statute held unconstitutional.

Section 2. KRS 134.590 is amended to read as follows:

(1) When it appears to the ***appropriate agency of state government*** [~~revenue cabinet~~] that money has been paid into the State Treasury for ad valorem taxes when no such taxes were in fact due, or for taxes of any kind paid under a statute held unconstitutional, the ***agency of state government which administers the tax*** [~~revenue cabinet~~] shall refund the money, or cause it to be refunded, to the person who paid the same. This shall not authorize a refund to a person who has made payment of the tax due on any tract of land, unless the entire tax due the state on such land has been paid.

(2) No [~~such~~] refund shall be made unless application for same is made in each case within two (2) years from the time payment was made.

(3) When it has been determined that city, urban-county, county, school district or special district ad valorem taxes have been paid to a city, urban county, county, school district or special district when, in fact, no taxes were due, or the amount paid was in excess of the amount finally determined to be due, ***the*** [~~such~~] taxes shall be refunded to the person who paid the tax.

(4) Refunds of ad valorem taxes shall be authorized by the mayor or chief finance officer of any city or urban-county government for the city or urban-county government or for any special district for which the city or urban-county government is the levying authority; by the county judge/executive of any county for the county or special district for which the fiscal court is the levying authority; or by the chairman or finance officer of any district board of education.

(5) Upon proper authorization the sheriff or collector shall refund the taxes from current tax collections

in his possession. If there are no such funds, refund shall be made by the finance officer of the district. The sheriff or collector shall receive credit for any refunds made by him on his next collection report to the district.

(6) No refund shall be made unless application is made in each case within two (2) years from the date payment was made. If the question of the amount of taxes due is in litigation, the application for refund ***shall*** [~~must~~] be made within two (2) years from the date the amount due is finally determined.

(2) Field agents, accountants and attorneys of the cabinet shall prosecute all [~~such~~] actions and proceedings under the direction of the secretary. Field agents, accountants, attorneys, and all other employees of the cabinet engaged in the prosecution of ***the*** [~~such~~] actions shall not be hired by personal service contract. The secretary shall prosecute diligently, or cause to be prosecuted by field agents, accountants and attorneys employed by him, the collection of all delinquent taxes due the state.

(3) Nothing contained in this chapter shall prevent the secretary of revenue from assessing any property in accordance with the provisions of KRS 136.020, 136.030, 136.050, 136.120 to 136.180 or 136.270.

(4) The cabinet may require any reports necessary to administer the law in connection with the collection of delinquent taxes, and may promulgate [~~rules and~~] regulations as to how the tax bills, certificates of delinquency and other forms shall be filed and recorded. The cabinet shall require an index to be kept of all certificates of delinquency.

Section 8. KRS 134.390 is amended to read as follows:

A tax bill rendered against omitted property required to be listed with the property valuation administrator or the Revenue Cabinet or against an increase in valuation over that claimed by the taxpayer, as finally determined upon appeal as provided for in KRS 133.120, shall become due on the day the bill is prepared, and shall be considered delinquent and subject to a penalty of ***ten*** [~~six~~] percent ***(10%)*** [~~(6%)~~] of the tax, penalty and interest due, unless paid within thirty (30) days after it becomes due, except as otherwise provided by law. All provisions of law of the particular taxing district having an interest therein relating to delinquent taxes on the same class of property or taxpayers involved shall apply to the delinquent omitted tax bill unless otherwise provided by law.

Section 9. KRS 134.440 is amended to read as follows:

(1) The advertisement of sale of tax claims shall be published pursuant to KRS chapter 424. The advertisement may in addition consist of the posting of printed notices containing the same information in three (3) or more conspicuous places in the county, fifteen (15) days before the sale. The sheriff shall place a copy of the advertisement at the courthouse door in a conspicuous place at least fifteen (15) days before the sale. The sale shall be at the courthouse door. The sheriff shall, not less than twelve (12) days before the sale, mail to the delinquent taxpayer's place of residence or business, if ***it*** [~~such~~] can be ascertained, a notice of the time and place of sale. Failure to send ***the*** [~~such~~] notice shall have no effect on the validity of the sale.

(2) As compensation for his services, the sheriff shall receive one dollar ($1.00) for each tax claim advertised. He shall, in addition, when a certificate of delinquency filed with the county clerk is paid, be entitled to six percent (6%) of that part of the tax claim represented by the total taxes plus ***ten*** [~~six~~] percent ***(10%)*** [~~(6%)~~] penalty. Both fees shall be added to the amount of the tax claim as a part of the certificate of delinquency and paid by the person who pays the tax claim, and [~~in no event shall~~] they ***shall not*** be paid by the state, county or taxing district. Any expenses incurred that must be paid before the sale of a tax claim or the settlement of an action by the state, county or taxing district shall be paid by the county, and this sum shall be a preferred claim of the county on any proceeds eventually recovered.

Section 10. KRS 134.470 is amended to read as follows:

An uncollectible tax bill or a certificate of delinquency shall embrace the entire tax claim, including the lien provided in subsection (1) of KRS 134.420, and shall continue to be a personal obligation of the delinquent taxpayer. Any property while owned by him shall be subject to foreclosure or execution in satisfaction of a judgment pursuant to an action in rem or an action in personam, or both, to enforce the obligation, and shall also be subject to distraint or levy as provided in subsection (1) of KRS 134.430, but no action may be brought to enforce a certificate of delinquency until ***one (1) year*** [~~three (3) years~~] after the issuance thereof, and the action ***shall*** [~~must~~] be instituted within five (5) years after the expiration of that ***one (1)*** [~~three (3)~~] year period. During the ***one (1)*** [~~three (3)~~] year period the statute of limitations shall be suspended in all respects and shall be continued in all respects for five (5) years thereafter. If the owner of a certificate of delinquency proceeds to enforce satisfaction of the certificate, he may include all other certificates held by him against the same delinquent taxpayer***,***[~~;~~] but insofar as the proceedings may undertake to effect a lien foreclosure, they shall be governed by the time applicable to the particular property subject to the lien, if that property is no longer owned by the delinquent.

Section 11. KRS 134.490 is amended to read as follows:

(1) If a private person is the owner of a certificate of delinquency, he may, after the expiration of the ***one (1)*** [~~three (3)~~] year period provided in KRS 134.470:

(a) Institute an action against the delinquent taxpayer to collect the amount of the certificate, and any other [~~such~~] certificates subsequently issued to the same owner against the same delinquent, and shall have all the remedies available for the enforcement of a debt; or

(b) Institute an action to enforce the lien provided in subsection (1) of KRS 134.420, represented by the certificate that is more than ***one (1) year*** [~~three (3) years~~] of age, and those certificates subsequently held by the same owner against the same delinquent or property; or

(c) Institute one (1) action including both types of actions mentioned in paragraphs (a) and (b) of this subsection, and such joinder of actions shall not be defeated in the event the delinquent taxpayer has disposed of any property covered by the lien, but the purchaser of the property shall be made a defendant if the judgment is to affect his interest in the property, and as between them the delinquent taxpayer shall be responsible.

(2) If the state, county or a taxing district is the owner of a certificate of delinquency, it shall have, after the expiration of the ***one (1)*** [~~three (3)~~] year period provided in KRS 134.470, in addition to the remedies mentioned in subsection (1) of this section, the right to distrain and sell any property owned by the delinquent, including that on which the lien provided in subsection (1) of KRS 134.420 has attached. Any property sold under [~~such~~] distraint proceedings shall be sold in the same manner as provided in KRS 134.430 and 134.440, except that the exercise of ***the*** [~~such~~] power shall be vested in the county attorney. The county attorney may designate the property subject to distraint and require the sheriff to take the custody thereof if he deems custody of the property necessary. If the sheriff fails to perform this duty, he shall not be entitled to his six percent (6%) fee provided in KRS 134.440.

(3) ***If*** [~~Where~~] property is sold pursuant to a judgment of foreclosure, it shall not be appraised as in other foreclosure proceedings and there shall be no right of redemption except as provided in KRS 134.510. If there is no purchaser at a foreclosure sale, the master commissioner shall make a deed to the person or persons shown by record to be the owner of the certificate or certificates of delinquency, and they shall have a pro rata interest therein in accordance with the amount of their respective certificates.

Section 12. KRS 134.500 is amended to read as follows:

(1) Within fifty (50) days after the issuance of a certificate of tax delinquency to the state, county and taxing district, the county attorney shall cause a notice of the purchase to be served by the sheriff personally or by certified mail, return receipt requested, on the person in whose name the property was assessed, and advise him that the certificate is a lien of record against his land that bears interest at twelve percent (12%) per annum, and if not paid the county attorney will proceed as provided by law to collect same. A copy

of the return of the sheriff or the return receipt shall be filed by the sheriff in the office of the county clerk in the manner prescribed by the Revenue Cabinet. Failure to prepare ***the*** [~~such~~] notice shall not affect the validity of the claim of the state, county and taxing district.

(2) The county attorney shall prosecute the remedy or remedies provided in this chapter that are most likely to effect collection of the amount due on the certificate of delinquency. Upon the failure of the county attorney to give the notices provided in this section, or to prosecute the remedies for collection of certificates within twelve (12) months after the right to collect accrued, or to duly complete the performance of any other duties necessary to collect the claims of the state, county and taxing districts for taxes, the Revenue Cabinet may perform such duties. ***In the performance of those duties, the cabinet shall have all the powers, rights, duties and authority with respect to the collection, refund and administration of the amount due on the certificate of delinquency conferred generally upon the cabinet by Kentucky Revised Statutes including, but not limited to, Chapters 131, 134 and 135.***

(3) The county attorney who prepares the notice and has it filed, as provided in subsection (1) of this section, and performs his other duties in respect to the certificate of delinquency, shall be entitled to twenty percent (20%) of the amount due each taxing unit, whether the tax claim is voluntarily paid or is paid through sale or under court order, and such commission shall be paid to him by the county clerk when making distribution, as provided in KRS 134.480. If more than one (1) county attorney renders necessary services in an effort to collect a tax claim, the attorney serving the last notice or rendering the last substantial service preceding collection shall be entitled to the commission on the amount collected for each taxing unit. When the cabinet performs the duties of the county attorney without his assistance or cooperation, the fee which would otherwise be paid the county attorney shall be paid to the cabinet for deposit in the delinquent tax fund provided for under KRS 134.400.

(4) Any action on behalf of the state, county and taxing districts authorized by this section or by KRS 134.470, 134.490 or 134.540 ***shall*** [~~must~~] be filed on relation of the secretary of revenue, and the petition shall be sent to the cabinet, which may require revision thereof in instances where it deems revision or amendment necessary. The cabinet shall advise the county attorney in all such actions, and may send him special assistance when the secretary deems [~~such~~] assistance necessary. A copy of the judgment shall also be sent to the cabinet. If the cabinet sends assistance to a county attorney who cooperates in prosecuting the suits or proceedings, the county attorney shall be entitled to his full fee. On the same day that suit is filed, the county clerk shall be given notice of its filing. Costs incident to the suit shall become a part of the tax claim.

Section 13. KRS 134.510 is amended to read as follows:

(1) After the state, county and taxing districts obtain real property as authorized by KRS 134.490, the designated agent of the secretary of revenue may advertise and sell at public sale any of ***the*** [~~such~~] lands, and the secretary may convey the lands by deed to the purchaser. The secretary shall, within thirty (30) days from receipt of payment, pay to the county and taxing district the amount of the proceeds due each. The Revenue Cabinet shall be entitled to an administration fee equal to fifteen percent (15%) of the sale price of the property, which shall be paid into the delinquent tax fund provided for in KRS 134.400.

(2) The sales shall be advertised by a written or printed notice posted at the courthouse door for fifteen (15) days before the date of sale, and by publication pursuant to KRS chapter 424, and may in addition be advertised by printed handbills posted for fifteen (15) days before the date of sale in three (3) or more conspicuous places in the taxing districts.

(3) Any real property acquired by the state, county and taxing districts pursuant to KRS 134.490 may be redeemed at any time before the secretary gives a deed to a purchaser, by paying to the county clerk the amount due at the time the property was acquired, plus subsequent costs and interest at the rate of ***twelve*** [~~six~~] percent ***(12%)*** [~~(6%)~~] per annum.

Section 1. That there is appropriated from the Energy Assistance Trust Fund one million and five hundred thousand dollars ($1,500,000) for use in the Low-Income Home Energy Assistance Program. Section 2. That the Cabinet for Human Resources is authorized to withdraw from the Energy Assistance Trust Fund, in addition to appropriations made by the 1988 General Assembly, an amount of up to one million and five hundred thousand dollars ($1,500,000) for the current fiscal year.

Section 3. That these funds are made up entirely of new oil overcharge refunds received during this biennium and the withdrawal of this amount does not alter the original projection and schedule adopted in the 1988 General Assembly for the trust fund.

Section 4. That these funds shall be utilized in accordance with the Low-Income Home Energy Assistance Program plan approved by the Interim Task Force on Energy except as modified by federal court order.

Section 5. Whereas, the state faces a severe shortage in crisis moneys for energy assistance this winter, an emergency is declared to exist, and this Act shall become effective upon its passage and approval by the Governor.

The provisions of this subsection shall not apply to any person whose license was suspended for failure to meet the conditions set out in KRS 186.411 when, within one (1) year of suspension, the driving privileges of such individuals are reinstated.

(2) If the person convicted of any offense named in subsection (1) of this section is not the holder of a license, the cabinet shall deny the person so convicted a license for the same period of time as though he had possessed a license which had been revoked. If through an inadvertence the defendant should be issued a license, the cabinet shall forthwith cancel it.

(3) The cabinet upon receiving a record of the conviction of any person upon a charge of operating a motor vehicle while the license of that person is denied or suspended, or revoked, or while his privilege to operate a motor vehicle is withdrawn, shall immediately extend the period of the first denial, suspension, revocation or withdrawal for an additional like period.

(4) The revocation or denial of a license or the withdrawal of the privilege of operating a motor vehicle for a violation of subsection (1)(a) of this section shall be for a period of not less than five (5) years. Revocations or denials under this section shall not be subject to any lessening of penalties authorized under any other provision of this section or any other statute.

(5) In all other cases, the revocation or denial of a license or the withdrawal of the privilege of operating a motor vehicle under this section shall be for a period of six (6) months, except that, if the same person has had one (1) previous conviction of any offense enumerated in subsection (1) of this section, regardless of whether the person's license was revoked because of the previous conviction, the period of the revocation, denial or withdrawal shall be one (1) year; if the person has had more than one (1) previous conviction of the offenses considered collectively as enumerated in subsection (1) of this section, regardless of whether the person's license was revoked for any previous conviction, the period of revocation, denial or withdrawal shall be for not less than two (2) years. In the event said person fails to satisfactorily complete said driver's education program or violates the restrictions on his operator's license, the cabinet shall forthwith revoke said operator's license for a period of six (6) months.

(6) Persons convicted of a first offense violation of KRS 189A.010 may elect to attend the driver's education program established by this section, or (at the option of the defendant) a licensed comprehensive care center education program, and no other. Attendance at the school shall not permit the retention of the operator's license. (9) Any person or legal entity that seeks to offer, conduct or operate a driver's education program as provided in this section shall submit sufficient documentation to the cabinet in writing that such program is needed in the geographical area that is proposed to be served. The cabinet shall promulgate administrative regulations which specify what constitutes need for such programs in a given geographical area. The cabinet shall determine whether such need is shown to exist and shall establish by administrative regulation an appeals procedure. The provisions of this subsection shall not apply to any driver's education program operating with the approval of the cabinet prior to July 15, 1986.

(10) The department of vehicle regulation shall revoke the license of any operator of a motor vehicle upon receiving notification that the person is under age eighteen (18) and has dropped out of school, except as provided for in KRS 186.440(2).

(1) When a student, age sixteen (16) or seventeen (17) drops out of school or is declared to be academically deficient, the school administrator or his designee shall notify the superintendent of schools of the district in which the student is a resident or is enrolled. The reports shall be made at the end of each semester but may be made earlier in the semester for accumulated absences. A student shall be deemed to have dropped out of school when he has nine (9) or more unexcused absences in the preceding semester, none of which shall be the result of suspensions. A student shall be deemed to be academically deficient when he has not received passing grades in at least four (4) courses in the preceding semester and the school administrator has documented that the student has failed in courses designed for his potential achievement level. The local school board shall adopt a policy to reflect a similar standard for academic deficiency for students in alternative or part-time programs.

(2) Within ten (10) days after receiving the notification, the superintendent shall report the student's name and Social Security number to the Transportation Cabinet. As soon as possible thereafter, the cabinet shall notify the student that his operator's license, permit or privilege to operate a motor vehicle has been revoked or denied and shall inform the student of his right to a hearing before the District Court of appropriate venue to show cause as to the reasons his driver's license should be reinstated. Within fifteen (15) days after this notice is sent, the student may request a hearing before the District Court. The notification shall inform the student that he is not required to have legal counsel.

(3) In order for the student to have his license reinstated, the court shall be satisfied that the license is needed to meet family obligations or family economic consideration which if unsatisfied would create an undue hardship or that the student is the only licensed driver in the household or the student is not considered a dropout or academically deficient pursuant to this section. If the student satisfies the court, the court shall notify the cabinet to reinstate the student's license at no cost. Any person aggrieved by a decision of the court issued pursuant to this section may appeal the decision within thirty (30) days to the Circuit Court of appropriate venue. A student who is being schooled at home shall be considered to be enrolled in school.

(4) A student who has had his license revoked under the provisions of this section may reapply for his driver's license as early as the end of the semester during which he enrolls in school and successfully completes the educational requirements. He shall provide proof issued by his school within the preceding thirty (30) days that he is enrolled and is not academically deficient.

Persons under the age of eighteen (18) shall present proof of complying with the requirements of Section 1 of this Act;***

(3) Any person whose operator's license has been suspended, during the period of suspension;

(4)[~~(3)~~] Any person whose operator's license has been revoked, nor to any nonresident whose privilege of exemption under KRS 186.430 has been refused or discontinued, until the expiration of the period for which the license was revoked, or for which the privilege was refused or discontinued;

If through an inadvertence the defendant should be issued a license, the cabinet shall forthwith cancel it.

(3) The cabinet upon receiving a record of the conviction of any person upon a charge of operating a motor vehicle while the license of that person is denied or suspended, or revoked, or while his privilege to operate a motor vehicle is withdrawn, shall immediately extend the period of the first denial, suspension, revocation or withdrawal for an additional like period.

(4) The revocation or denial of a license or the withdrawal of the privilege of operating a motor vehicle for a violation of subsection (1)(a) of this section shall be for a period of not less than five (5) years. Revocations or denials under this section shall not be subject to any lessening of penalties authorized under any other provision of this section or any other statute.

(5) In all other cases, the revocation or denial of a license or the withdrawal of the privilege of operating a motor vehicle under this section shall be for a period of six (6) months, except that, if the same person has had one (1) previous conviction of any offense enumerated in subsection (1) of this section, regardless of whether the person's license was revoked because of the previous conviction, the period of the revocation, denial or withdrawal shall be one (1) year; if the person has had more than one (1) previous conviction of the offenses considered collectively as enumerated in subsection (1) of this section, regardless of whether the person's license was revoked for any previous conviction, the period of revocation, denial or withdrawal shall be for not less than two (2) years. In the event said person fails to satisfactorily complete said driver's education program or violates the restrictions on his operator's license, the cabinet shall forthwith revoke said operator's license for a period of six (6) months.

(6) Persons convicted of a first offense violation of KRS 189A.010 may elect to attend the driver's education program established by this section, or (at the option of the defendant) a licensed comprehensive care center education program, and no other. Attendance at the school shall not permit the retention of the operator's license. Successful completion of the school shall reduce the period of operator's license suspension from six (6) months to thirty (30) days as specified in KRS 189A.070(1)(a). The cabinet shall permit driver's education programs approved by the cabinet to offer a nine (9) hour driver's education program which may be completed in one (1) day and which shall satisfy the provisions of this section.

(7) License suspensions and revocations under KRS 189A.060, 189A.070, and 189A.080 shall be in addition to any other license revocation authorized by law or regulation. (8) In order to secure the reinstatement of a license to operate a motor vehicle or motorcycle restored following a period of suspension or revocation pursuant to KRS 189A.060, 189A.070, and 189A.080 the person whose license is suspended or revoked shall comply with the fees and other procedures of the Transportation Cabinet with regard to the reinstatement of suspended or revoked licenses.

(9) Any person or legal entity that seeks to offer, conduct or operate a driver's education program as provided in this section shall submit sufficient documentation to the cabinet in writing that such program is needed in the geographical area that is proposed to be served. The cabinet shall promulgate administrative regulations which specify what constitutes need for such programs in a given geographical area. The cabinet shall determine whether such need is shown to exist and shall establish by administrative regulation an appeals procedure. The provisions of this subsection shall not apply to any driver's education program operating with the approval of the cabinet prior to July 15, 1986.

(10) The cabinet shall revoke the license of any operator of a motor vehicle upon receiving notification that the person is under age eighteen (18) and has dropped out of school or is academically deficient, as defined in Section 1(1) of this Act.

WHEREAS, The Supreme Court of Kentucky has power under Section 116 of the Constitution of Kentucky to prescribe rules of practice and procedure for the Court of Justice; and

WHEREAS, rules of evidence may in some instances be procedural law and within the power of the Supreme Court and in other instances substantive law and within the power of the General Assembly; and

WHEREAS, the Kentucky Rules of Evidence provides a comprehensive evidence code for the Commonwealth of Kentucky which will improve the administration of justice; and

WHEREAS, the Kentucky Rules of Evidence is a highly integrated code of procedural and substantive rules which would not serve the ends of justice well unless enacted and promulgated as a whole; and

WHEREAS, the enactment and promulgation of the Kentucky Rules of Evidence as a whole require action by both the General Assembly and the Supreme Court of Kentucky;

NOW, THEREFORE,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. KRS CHAPTER 422A IS ESTABLISHED AND A NEW SECTION THEREOF IS CREATED TO READ AS FOLLOWS:

Rule 101. Scope.

These rules govern proceedings in the courts of the Commonwealth of Kentucky, to the extent and with the exceptions stated in Rule 1101. The rules should be cited as "KRE," followed by the rule number to which the citation relates.

SECTION 2. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 102. Purpose and Construction.

These rules shall be construed to secure fairness in administration, elimination of unjustifiable expense and delay, and promotion of growth and development of the law of evidence to the end that the truth may be ascertained and proceedings justly determined.

SECTION 3. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 103. Rulings on Evidence.

(1) Effect of erroneous ruling. Error may not be predicated upon a ruling which admits or excludes evidence unless a substantial right of the party is affected; and

(a) Objection. In case the ruling is one admitting evidence, a timely objection or motion to strike appears of record, stating the specific ground of objection, if the specific ground was not apparent from the context; or

(b) Offer of Proof. In case the ruling is one excluding evidence, the substance of the evidence was made known to the court by offer or was apparent from the context within which questions were asked.

(2) Record of offer and ruling. The court may add any other or further statement which shows the character of the evidence, the form in which it was offered, the objection made, and the ruling thereon. It may direct the making of an offer in question and answer form.

(3) Hearing of jury. In jury cases, proceedings shall be conducted, to the extent practicable, so as to prevent inadmissible evidence from being suggested to the jury by any means, such as making statements or offers of proof or asking questions in the hearing of the jury.

(4) Motions in limine. A party may move the court for a ruling in advance of trial on the admission or exclusion of evidence. The court may rule on such a motion in advance of trial or may defer a decision on admissibility until the evidence is offered at trial. A motion in limine resolved by order of record is sufficient to preserve error for appellate review. Nothing in this rule precludes the court from reconsidering at trial any ruling made on a motion in limine.

(5) Palpable error. A palpable error in applying the Kentucky Rules of Evidence which affects the substantial rights of a party may be considered by a trial court on motion for a new trial or by an appellate court on appeal, even though insufficiently raised or preserved for review, and appropriate relief may be granted upon a determination that manifest injustice has resulted from the error.

SECTION 4. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 104. Preliminary Questions.

(1) Questions of admissibility generally. Preliminary questions concerning the qualification of a person to be a witness, the existence of a privilege, or the admissibility of evidence shall be determined by the court, subject to the provisions of subsection (2) of this rule. In making its determination it is not bound by the rules of evidence except those with respect to privileges.

(2) Relevancy conditioned on fact. When the relevancy of evidence depends upon the fulfillment of a condition of fact, the court shall admit it upon, or subject to, the introduction of evidence sufficient to support a finding of the fulfillment of the condition.

(3) Hearing of jury. Hearings on the admissibility of confessions or the fruits of searches conducted under color of law shall in all cases be conducted out of the hearing of the jury. Hearings on other preliminary matters shall be so conducted when the interests of justice require, or when an accused is a witness and so requests.

(4) Testimony by accused. The accused does not, by testifying upon a preliminary matter, become subject to cross-examination as to other issues in the case.

(5) Weight and credibility. This rule does not limit the right of a party to introduce before the jury evidence relevant to weight or credibility.

SECTION 5. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 105. Limited Admissibility.

(1) When evidence which is admissible as to one (1) party or for one (1) purpose but not admissible as to another party or for another purpose is admitted, the court, upon request, shall restrict the evidence to its proper scope and admonish the jury accordingly. In the absence of such a request, the admission of the evidence by the trial judge without limitation shall not be a ground for complaint on appeal, except under the palpable error rule.

(2) When evidence described in subsection (1) above is excluded, such exclusion shall not be a ground for complaint on appeal, except under the palpable error rule, unless the proponent expressly offers the evidence for its proper purpose or limits the offer of proof to the party against whom the evidence is properly admissible.

SECTION 6. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 106. Remainder of or Related Writing or Recorded Statements.

When a writing or recorded statement or part thereof is introduced by a party, an adverse party may require the introduction at that time of any other part or any other writing or recorded statement which ought in fairness to be considered contemporaneously with it.

SECTION 7. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 107. Miscellaneous Provisions.

(1) Parol evidence. The provisions of the Kentucky Rules of Evidence shall not operate to repeal, modify, or affect the Parol Evidence Rule.

(2) Effective date. The Kentucky Rules of Evidence shall take effect on the first day of July, 1992. They shall apply to all civil and criminal actions and proceedings originally brought on for trial upon or after that date and to pretrial motions or matters originally presented to the trial court for decision upon or after that date if a determination of such motions or matters requires an application of evidence principles; provided, however, that no evidence shall be admitted against a criminal defendant in proof of a crime committed prior to July 1, 1992, unless that evidence would have been admissible under evidence principles in existence prior to the adoption of these rules.

SECTION 8. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 201. Judicial Notice of Adjudicative Facts.

(1) Scope of rule. This rule governs only judicial notice of adjudicative facts.

(2) Kinds of facts. A judicially noticed fact must be one not subject to reasonable dispute in that it is either:

(a) Generally known within the county from which the jurors are drawn, or, in a non-jury matter, the county in which the venue of the action is fixed; or

(b) Capable of accurate and ready determination by resort to sources whose accuracy cannot reasonably be questioned.

(3) When discretionary. A court may take judicial notice, whether requested or not.

(4) When mandatory. A court shall take judicial notice if requested by a party and supplied with the necessary information.

(5) Opportunity to be heard. A party is entitled upon timely request to an opportunity to be heard as to the propriety of taking judicial notice and the tenor of the matter noticed. In the absence of prior notification, the request may be made after judicial notice has been taken.

(6) Time of taking notice. Judicial notice may be taken at any stage of the proceeding.

(7) Instructing the jury. The court shall instruct the jury to accept as conclusive any fact judicially noticed.

SECTION 9. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 301. Presumptions in General in Civil Actions and Proceedings.

In all civil actions and proceedings when not otherwise provided for by statute or by these rules, a presumption imposes on the party against whom it is directed the burden of going forward with evidence to rebut or meet the presumption, but does not shift to such party the burden of proof in the sense of the risk of nonpersuasion, which remains throughout the trial upon the party on whom it was originally cast.

SECTION 10. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 302. Applicability of Federal Law or the Law of Other States in Civil Actions and Proceedings.

In civil actions and proceedings, the effect of a presumption respecting a fact which is an element of a claim or defense as to which the federal law or the law of another state supplies the rule of decision is determined in accordance with federal law or the law of the other state.

SECTION 11. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 401. Definition of "Relevant Evidence."

"Relevant evidence" means evidence having any tendency to make the existence of any fact that is of consequence to the determination of the action more probable or less probable than it would be without the evidence.

SECTION 12. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 402. General Rule of Relevancy.

All relevant evidence is admissible, except as otherwise provided by the Constitutions of the United States and the Commonwealth of Kentucky by Acts of the General Assembly of the Commonwealth of Kentucky, by these rules, or by other rules adopted by the Supreme Court of Kentucky. Evidence which is not relevant is not admissible.

SECTION 13. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 403. Exclusion of Relevant Evidence on Grounds of Prejudice, Confusion, or Waste or Time.

Although relevant, evidence may be excluded if its probative value is substantially outweighed by the danger of unfair prejudice, confusion of the issues, or misleading the jury, or by considerations of undue delay, waste of time, or needless presentation of cumulative evidence.

SECTION 14. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 404. Character Evidence and Evidence of Other Crimes.

(1) Character evidence generally. Evidence of a persons character or a trait of character is not admissible for the purpose of proving action in conformity therewith on a particular occasion, except:

(a) Character of accused. Evidence of a pertinent trait of charcter or of general moral character offered by an accused, or by the prosecution to rebut the same;

(b) Character of victim generally. Evidence of a pertinent trait of character of the victim of the crime offered by an accused, other than in a prosecution for criminal sexual conduct, or by the prosecution to rebut the same, or evidence of a character trait of peacefulness of the victim offered by the prosecution in a homicide case to rebut evidence that the victim was the first aggressor;

(c) Character of witnesses. Evidence of the character of witnesses, as provided in Rules 607, 608, and 609.

(2) Other crimes, wrongs, or acts. Evidence of other crimes, wrongs, or acts is not admissible to prove the character of a person in order to show action in conformity therewith. It may, however, be admissible:

(a) If offered for some other purpose, such as proof of motive, opportunity, intent, preparation, plan, knowledge, identity, or absence of mistake or accident; or

(b) If so inextricably intertwined with other evidence essential to the case that separation of the two (2) could not be accomplished without serious adverse effect on the offering party.

(3) Notice requirement. In a criminal case, if the prosecution intends to introduce evidence pursuant to subsection (2) of this rule as a part of its case in chief, it shall give reasonable pre-trial notice to the defendant of its intention to offer such evidence. Upon failure of the prosecution to give such notice the

court may exclude the evidence offered under subsection (2) or for good cause shown may excuse the failure to give such notice and grant the defendant a continuance or such other remedy as is necessary to avoid unfair prejudice caused by such failure.

SECTION 15. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 405. Methods of Proving Character.

(1) Reputation or opinion. In all cases in which evidence of character or a trait of character of a person is admissible, proof may be made by testimony as to general reputation in the community or by testimony in the form of personal opinion.

(2) Inquiry on cross-examination. On cross examination of a character witness, it is proper to inquire if the witness has heard of or knows about relevant specific instances of conduct. However, no specific instance of conduct may be the subject of inquiry under this provision unless the cross-examiner has a factual basis for the subject matter of the inquiry.

(3) Specific instances of conduct. In cases in which character or a trait of character of a person is an essential element of a charge, claim, or defense, proof may also be made of specific instances of that person's conduct.

SECTION 16. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 406. Habit; Routine Practice.

Evidence of the habit of a person or of the routine practice of an organization, whether corroborated or not and regardless of the presence of eyewitnesses, is relevant to prove that the conduct of the person or organization on a particular occasion was in conformity with the habit or routine practice.

SECTION 17. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 407. Subsequent Remedial Measures.

When, after an event, measures are taken which, if taken previously, would have made an injury or harm allegedly caused by the event less likely to occur, evidence of the subsequent measures is not admissible to prove negligence or culpable conduct in connection with the event. This rule does not require the exclusion of evidence of subsequent measures when offered for another purpose, such as proving ownership, control, or feasibility of precautionary measures, if controverted, or impeachment.

SECTION 18. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 408. Compromise and Offers to Compromise.

Evidence of:

(1) Furnishing or offering or promising to furnish; or

(2) Accepting or offering or promising to accept a valuable consideration in compromising or attempting to compromise a claim which was disputed as to either validity or amount, is not admissible to prove liability for or invalidity of the claim or its amount. Evidence of conduct or statements made in compromise negotiations is likewise not admissible. This rule does not require the exclusion of any evidence otherwise discoverable merely because it is presented in the course of compromise negotiations. This rule also does not require exclusion when the evidence is offered for another purpose, such as proving bias or prejudice of a witness, negativing a contention of undue delay, or proving an effort to obstruct a criminal investigation or prosecution.

SECTION 19. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 409. Payment of Medical and Similar Expenses.

Evidence of furnishing or offering or promising to pay medical, hospital, or similar expenses occasioned by an injury is not admissible to prove liability for the injury.

SECTION 20. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 410. Inadmissibility of Pleas, Plea Discussions, and Related Statements.

Except as otherwise provided in this rule, evidence of the following is not, in any civil or criminal proceeding, admissible against the defendant who made the plea or was a participant in the plea discussions:

(1) A plea of guilty which was later withdrawn;

(2) A plea of nolo contendere;

(3) Any statement made in the course of formal plea proceedings, under either state procedures or Rule 11 of the Federal Rules of Criminal Procedure, regarding either of the foregoing pleas; or

(4) Any statement made in the course of plea discussions with an attorney for the prosecuting authority which do not result in a plea of guilty or which result in a plea of guilty later withdrawn. However, such a statement is admissible:

(a) In any proceeding wherein another statement made in the course of the same plea or plea discussions has been introduced and the statement ought in fairness be considered contemporaneously with it; or

(b) In a criminal proceeding for perjury or false statement if the statement was made by the defendant under oath, on the record and in the presence of counsel.

SECTION 21. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 411. Liability Insurance.

Evidence that a person was or was not insured against liability is not admissible upon the issue whether the person acted negligently or otherwise wrongfully. This rule does not require the exclusion of evidence of insurance against liability when offered for another purpose, such as proof of agency, ownership, or control, or bias or prejudice of a witness.

SECTION 22. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 412. Rape and Similar Cases; Admissibility of Victim's Character and Behavior.

(1) Reputation or opinion. Notwithstanding any other provision of law, in a criminal prosecution under KRS Chapter 510 or for attempt or conspiracy to commit an offense defined in KRS Chapter 510, reputation or opinion evidence related to the sexual behavior of an alleged victim is not admissible.

(2) Particular acts and other evidence. Notwithstanding any other provision of law, in a criminal prosecution under KRS Chapter 510 or for attempt or conspiracy to commit an offense defined in KRS Chapter 510, evidence of a victim's past sexual behavior other than reputation or opinion evidence is also not admissible, unless such evidence is admitted in accordance with subsection (3) and is:

(a) Evidence of past sexual behavior with persons other than the accused, offered by the accused upon the issue of whether the accused was or was not, with respect to the alleged victim, the source of semen or injury;

(b) Evidence of past sexual behavior with the accused and is offered by the accused upon the issue of whether the alleged victim consented to the sexual behavior with respect to which an offense is alleged; or

(c) Any other evidence directly pertaining to the offense charged.

(3) (a) Motion to offer evidence. If the person accused of committing an offense described above intends to offer under subsection (2) evidence of specific instances of the alleged victim's past sexual behavior, the accused shall make a written motion to offer such evidence not later than fifteen (15) days before the date on which the trial in which such evidence is to be offered is scheduled to begin, except that the court may allow the motion to be made at a later date, including during trial, if the court determines either that the evidence is newly discovered and could not have been obtained earlier through the exercise of due diligence or that the issue to which such evidence relates has newly arisen in the case.

(b) Hearing on motion. The motion described in the preceding paragraph shall be accompanied by a written offer of proof. If the court determines that the offer of proof contains evidence described in subsection (2), the court shall order a hearing in chambers to determine if such evidence is admissible. At such hearing the parties may call witnesses, including the alleged victim, and offer relevant evidence. Notwithstanding subsection (2) of Rule 104, if the relevancy of the evidence which the accused seeks to offer in the trial depends upon the fulfillment of a condition of fact, the court, at the hearing in chambers or at a subsequent hearing in chambers scheduled for such purpose, shall accept evidence on the issue of whether such conditiact is fulfilled and shall determine such issue.

(c) Findings and order. If the court determines on the basis of the hearing described in the preceding paragraph that the evidence which the accused seeks to offer is relevant and that the probative value of such evidence outweighs the danger of unfair prejudice, such evidence shall be admissible in the trial to the extent an order made by the court specifics evidence which may be offered and areas with respect to which the alleged victim may be examined or cross-examined.

(4) Definition. For purposes of this rule, the term "past sexual behavior" means sexual behavior other than the sexual behavior with respect to which the offense being tried is alleged to have occurred.

SECTION 23. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 501. General Rule.

Except as otherwise provided by Constitution or statute or by these or other rules promulgated by the Supreme Court of Kentucky, no person has a privilege to:

(1) Refuse to be a witness;

(2) Refuse to disclose any matter;

(2) Exceptions. There is no privilege under this rule:

(a) In any criminal proceeding in which sufficient evidence is introduced to support a finding that the spouses conspired or acted jointly in the commission of the crime charged; or

(b) In any proceeding in which one (1) spouse is charged with wrongful conduct against the person or property of:

1. The other;

2. A minor child of either;

3. An individual residing in the household of either; or

4. A third person if the wrongful conduct is committed in the course of wrongful conduct against any of the individuals previously named in this sentence. The court may refuse to allow the privilege in any other proceeding if the interests of a minor child of either spouse may be adversely affected.

The person who was the clergyman at the time of the communication is presumed to have authority to claim the privilege but only on behalf of the communicant.

SECTION 28. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

(1) Definitions. As used in this rule:

2. A clinical social worker, licensed by the state board of examiners of social work and holding a certificate of qualification for the independent practice of clinical social work;

3. A sexual assault counselor, who is a person engaged in a rape crisis center, as defined in KRS Chapter 421, who has undergone forty (40) hours of training and is under the control of a direct services supervisor of a rape crisis center, whose primary purpose is the rendering of advice, counseling or assistance to victims of sexual assault;

This rule is subject to KRE 502.

(3) Who may claim the privilege. The privilege may be claimed by the client, his guardian or conservator, or the personal representative of a deceased client. The person who was the counselor (or that person's employer) may claim the privilege in the absence of the client, but only on behalf of the client.

(4) Exceptions. There is no privilege under this rule for any relevant communication:

(a) If the client is asserting his physical, mental or emotional condition as an element of a claim or defense; or, after the client's death, in any proceeding in which any party relies upon the condition as an element of a claim or defense.

(b) If the judge finds:

1. That the substance of the communication is relevant to an essential issue in the case;

2. That there are no available alternate means to obtain the substantial equivalent of the communication; and

3. That the need for the information outweighs the interest protected by the privilege. The court may receive evidence in camera to make findings under this rule.

SECTION 29. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 507. PsychotherapistPatient Privilege.

(1) Definitions. As used in this rule:

(a) A "patient" is a person who, for the purpose of securing diagnosis or treatment of his or her mental condition, consults a psychotherapist.

2. A person licensed or certified by the state of Kentucky, or by the laws of another state, as a psychologist, or a person reasonably believed by the patient to be a licensed or certified psychologist.

(c) A communication is "confidential" if not intended to be disclosed to third persons other than those present to further the interest of the patient in the consultation, examination or interview, or persons reasonably necessary for the transmission of the communication, or persons who are present during the communication at the direction of the psychotherapist, including members of the patient's family.

(d) "Authorized representative" means a person empowered by the patient to assert the privilege granted by this rule and, until given permission by the patient to make disclosure, any person whose communications are made privileged by this rule.

(2) General rule of privilege. A patient, or his authorized representative, has a privilege to refuse to disclose and to prevent any other person from disclosing confidential communications, made for the purpose of diagnosis or treatment of his mental condition, between the patient, the patient's psychotherapist, or persons who are participating in the diagnosis or treatment under the direction of the psychotherapist, including members of the patient's family. This rule is subject to KRE 502.

(3) Exceptions. There is no privilege under this rule for any relevant communications under this section:

(a) In proceedings to hospitalize the patient for mental illness, if the psychotherapist in the course of diagnosis or treatment has determined that the patient is in need of hospitalization;

(b) If a judge finds that a patient, after having been informed that the communications would not be privileged, has made communications to a psychotherapist in the course of an examination ordered by the court, provided that such communications shall be admissible only on issues involving the patient's mental condition; or

(c) If the patient is asserting his mental condition as an element of a claim or defense, or, after the patient's death, in any proceeding in which any party relies upon the condition as an element of a claim or defense.

SECTION 30. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 508. Identity of Informer.

(1) General Rule of Privilege. The Commonwealth of Kentucky and its sister states and the United States have a privilege to refuse to disclose the identity of a person who has furnished information relating to or assisting in an investigation of a possible violation of a law to a law enforcement officer or member of a legislative committee or its staff conducting an investigation.

(2) Who may claim. The privilege may be claimed by an appropriate representative of the public entity to which the information was furnished.

(3) Exceptions:

(a) Voluntary disclosure; Informer as a witness. No privilege exists under this rule if the identity of the informer or his interest in the subject matter of his communication has been disclosed by the holder of the privilege or by the informer's own action, or if the informer appears as a witness for the state. Disclosure within a law enforcement agency or legislative committee for a proper purpose does not waive the privilege.

(b) Testimony on relevant issue. If it appears that an informer may be able to give relevant testimony and the public entity invokes the privilege, the court shall give the public entity any opportunity to make an in camera showing in support of the claim of privilege. The showing will ordinarily be in the form of affidavits, but the court may direct that testimony be taken if it finds that the matter cannot be resolved satisfactorily upon affidavits. If the court finds that there is a reasonable probability that the informer can give relevant testimony, and the public entity elects not to disclose this identity, in criminal cases the court on motion of the defendant or on its own motion shall grant appropriate relief, which may include one (1) or more of the following:

1. Requiring the prosecuting attorney to comply;

2. Granting the defendant additional time or a continuance;

3. Relieving the defendant from making disclosures otherwise required of him;

4. Prohibiting the prosecuting attorney from introducing specified evidence; and

5. Dismissing charges.

In civil cases, the court may make any order the interests of justice require. A person upon whom these rules confer a privilege against disclosure waives the privilege if he or his predecessor while holder of the privilege voluntarily discloses or consents to disclosure of any significant part of the privilege matter. This rule does not apply if the disclosure itself is privileged. Disclosure of communications for the purpose of receiving third-party payment for professional services does not waive any privilege with respect to such communications.

(2) Claiming privilege without knowledge of jury. In jury cases, proceedings shall be conducted, to the extent practicable, so as to facilitate the assertion of claims of privilege without the knowledge or the jury.

(3) Jury instruction. Upon request, any party against whom the jury might draw an adverse inference from a claim of privilege is entitled to an instruction that no inference may be drawn therefrom.

A witness may not testify to a matter unless evidence is introduced sufficient to support a finding that the witness has personal knowledge of the matter. Evidence to prove personal knowledge may, but need not, consist of the witness' own testimony. This rule is subject to the provisions of Rule 703, relating to opinion testimony by expert witnesses.

SECTION 36. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Before testifying, every witness shall be required to declare that the witness will testify truthfully, by oath or affirmation administered in a form calculated to awaken the witness' conscience and impress the witness' mind with the duty to do so.

SECTION 41. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 608. Evidence of Character and Conduct of Witness.

(1) Opinion and reputation evidence of character. The credibility of a witness may be attacked or supported by evidence in the form of opinion or reputation, but subject to these limitations:

(a) The evidence may refer only to character for truthfulness or untruthfulness; and

(b) Evidence of truthful character is admissible only after the character of the witness for truthfulness has been attacked by opinion or reputation evidence or otherwise.

(2) Specific instances of conduct. Specific instances of the conduct of a witness, for the purpose of attacking or supporting the witness' credibility, other than conviction of crime as provided in Rule 609, may not be proved by extrinsic evidence. They may, however, in the discretion of the court, if probative of truthfulness or untruthfulness, be inquired into on cross-examination of the witness:

(a) Concerning the witness' character for truthfulness or untruthfulness; or

(b) Concerning the character for truthfulness or untruthfulness of another witness as to which character the witness being cross-examined has testified. No specific instance of conduct of a witness may be the subject of inquiry under this provision unless the cross-examiner has a factual basis for the subject matter of his inquiry.

SECTION 42. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 609. Impeachment by Evidence of Conviction of Crime.

(1) General rule. For the purpose of reflecting upon the credibility of a witness, evidence that the witness has been convicted of a crime shall be admitted if elicited from the witness or established by public record if denied by the witness, but only if:

(a) The crime was punishable by death or imprisonment for one (1) year or more under the law under which the witness was convicted, or the crime involved dishonesty or false statement, regardless of the punishment; and

(b) The court determines that the probative value of admitting this evidence on the issue of credibility outweighs its prejudicial effect on the opposing party.

The identity of the crime upon which conviction was based may not be disclosed upon cross-examination unless the witness has denied the existence of the conviction. However, a witness against whom a conviction is admitted under this provision may choose to disclose the identity of the crime upon which the conviction is based.

(2) Time limit. Evidence of a conviction under this rule is not admissible if a period of more than ten (10) years has elapsed since the date of the conviction unless the court determines that the probative value of the conviction substantially outweighs its prejudicial effect.

(3) Effect of pardon, annulment, or certificate of rehabilitation. Evidence of a conviction is not admissible under this rule if:

(a) The conviction has been the subject of a pardon, annulment, certificate of rehabilitation, or other equivalent procedure based on a finding of the rehabilitation of the person convicted, and that person has not been convicted of a subsequent crime which was punishable by death or imprisonment of one (1) year or more; or

(b) The conviction has been the subject of a pardon, annulment, or other equivalent procedure based on a finding of innocence.

(4) Juvenile adjudications. Evidence of juvenile adjudications is generally not admissible under this rule. The court may, however, in a criminal case allow evidence of a juvenile adjudication of a witness other than the accused if conviction of the offense would be admissible to attack the credibility of an adult and the court is satisfied that admission in evidence is necessary for a fair determination of the issue of guilt or innocence.

(5) Pendency of appeal. The pendency of an appeal therefrom does not render evidence of a conviction inadmissible. Evidence of the pendency of an appeal is admissible.

SECTION 43. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 610. Religious Beliefs or Opinions.

Evidence of the beliefs or opinions of a witness on matters of religion is not admissible for the purpose of showing that by reason of their nature the witness' credibility is impaired or enhanced.

Rule 611. Mode and Order of Interrogation and Presentation.

(1) Control by court. The court shall exercise reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to:

(a) Make the interrogation and presentation effective for the ascertainment of the truth;

(b) Avoid needless consumption of time; and

(c) Protect witnesses from harassment or undue embarrassment.

(2) Scope of cross-examination. A witness may be cross-examined on any matter relevant to any issue in the case, including credibility. In the interests of justice, the trial court may limit cross-examination with respect to matters not testified to on direct examination.

(3) Leading questions. Leading questions should not be used on the direct examination of a witness except as may be necessary to develop the witness' testimony. Ordinarily leading questions should be permitted on cross-examination, but only upon the subject matter of the direct examination. When a party calls a hostile witness, an adverse party, or a witness identified with an adverse party, interrogation may be by leading questions.

If it is claimed that the writing contains matters not related to the subject matter of the testimony, the court shall examine the writing in camera, excise any portions not so related, and order delivery of the remainder to the party entitled thereto. Any portion withheld over objections shall be preserved and made available to the appellate court in the event of an appeal.

(2) Extrinsic evidence of prior inconsistent statement of witness. Extrinsic evidence of a prior inconsistent statement by a witness is not admissible unless the witness is afforded an opportunity to explain or deny the same and the opposite party is afforded an opportunity to interrogate the witness thereon, or the interests of justice otherwise require. This provision does not apply to admissions of a party-opponent as defined in rule 801-A.

SECTION 47. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 614. Calling and Interrogation of Witnesses by Court.

(2) Interrogation by court. The court may interrogate witnesses, whether called by itself or by a party.

(3) Interrogation by juror. A juror may be permitted to address questions to a witness by submitting them in writing to the judge who will decide at his discretion whether or not to submit the questions to the witness for answer.

SECTION 48. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 615. Exclusion of Witnesses.

SECTION 51. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 703. Bases of Opinion Testimony by Experts.

(1) The facts or data in the particular case upon which an expert bases an opinion or inference may be those perceived by or made known to the expert at or before the hearing. If of a type reasonably relied upon by experts in the particular field in forming opinions or inferences upon the subject, the facts or data need not be admissible in evidence.

(2) If determined to be trustworthy, necessary to illuminate testimony, and unprivileged, facts or data relied upon by an expert pursuant to subsection (1) may at the discretion of the court be disclosed to the jury even though such facts or data are not admissible in evidence. Upon request the court shall admonish the jury to use such facts or data only for the purpose of evaluating the validity and probative value of the expert's opinion or inference.

(3) Nothing in this rule is intended to limit the right of an opposing party to cross-examine an expert witness or to test the basis of an expert's opinion or inference.

SECTION 52. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 704. Opinion on Ultimate Issue.

SECTION 53. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 705. Disclosure of Facts or Data Underlying Expert Opinion.

(1) General. The expert may testify in terms of opinion or inference and give reasons therefor without prior disclosure of the underlying facts or data, unless the court requires otherwise. The expert may in any event be required to disclose the underlying facts or data on cross-examination.

(2) Voir dire examination. Prior to the expert giving his opinion or inference, a party against whom the opinion or inference is offered may conduct outside the presence of the jury a voir dire examination of the witness directed to the underlying facts or data for the opinion or inference. If this examination produces evidence indicating that the expert lacks a sufficient basis for the opinion or inference, the trial judge shall exclude the expert's testimony unless the offering party establishes sufficient underlying facts or data for the opinion or inference.

SECTION 54. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 706. Court Appointed Experts.

(1) Appointment. The court may on its own motion or on the motion of any party enter an order to show cause why expert witnesses should not be appointed, and may require the parties to submit nominations. The court may appoint any expert witnesses agreed upon by the parties, and may appoint expert witnesses of its own selection. An expert witness shall be be appointed by the court unless the witness consents to act. A witness so appointed shall be informed of the witness, duties by the court in writing, a copy of which shall be filed with the clerk, or at a conference in which the parties shall have opportunity to participate. (c) Predecessors in litigation. Even though the declarant is available as a witness, when the liability, obligation, or duty of a party to a civil action is based in whole or in part upon the liability, obligation or duty of the declarant, or when the claim or right asserted by a party to a civil action is barred or diminished by a breach of duty by the declarant, evidence of a statement made by the declarant is not excluded by the hearsay rule when offered against the party if the evidence would be admissible against the declarant in an action involving that liability, obligation, duty or breach of duty.

SECTION 59. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 804. Hearsay Exceptions: Declarant Unavailable.

(1) Definition of unavailability. "Unavailability as a witness" includes situations in which the declarant:

(a) Is exempted by ruling of the court on the ground of privilege from testifying concerning the subject matter of the declarant's statement;

(b) Persists in refusing to testify concerning the subject matter of the declarant's statement despite an order of the court to do so;

(c) Testifies to a lack of memory of the subject matter of the declarant's statement;

(d) Is unable to be present or to testify at the hearing because of death or then existing physical or mental illness or infirmity; or

(e) Is absent from the hearing and the proponent of his statement has been unable to procure the declarant's attendance by process or other reasonable means.

A declarant is not unavailable as a witness if his exemption, refusal, claim of lack of memory, inability, or absence is due to the procurement or wrongdoing of the proponent of a statement for the purpose of preventing the witness from attending or testifying.

(2) Hearsay exceptions. The following are not excluded by the hearsay rule if the declarant is unavailable as a witness:

(a) Former testimony. Testimony given as a witness at another hearing of the same or a different proceeding, or in a deposition taken in compliance with law in the course of the same or another proceeding, if the party against whom the testimony is now offered, or, in a civil action or proceeding, a predecessor in interest, had an opportunity and similar motive to develop the testimony by direct, cross, or redirect examination.

(b) Statement under belief of impending death. In a criminal prosecution or in a civil action or proceeding, a statement made by a declarant while believing that the declarant's death was imminent, concerning the cause or circumstances of what the declarant believed to be his impending death.

(c) Statement against interest. A statement which was at the time of its making so far contrary to the declarant's pecuniary or proprietary interest, or so far tended to subject the declarant to civil or criminal liability, or to render invalid a claim by the declarant against another, that a reasonable person in the declarant's position would not have made the statement unless believing it to be true. A statement tending to expose the declarant to criminal liability is not admissible unless corroborating circumstances clearly indicate the trustworthiness of the statement.

(d) Statements of personal or family history.

1. A statement concerning the declarant's own birth, adoption, marriage, divorce, legitimacy, relationship by blood, adoption, or marriage, ancestry, or other similar fact of personal or family history, even though declarant had no means of acquiring personal knowledge of the matter stated; or

2. A statement concerning the foregoing matters, and death also, of another person, if the declarant was related to the other by blood, adoption or marriage or was so intimately associated with the other's family as to be likely to have accurate information concerning the matter declared.

(e) Residual exception. A statement not specifically covered by any of the foregoing exceptions or any of the exceptions contained in Rule 803 but having equivalent circumstantial guarantees of trustworthiness, if the court determines that:

1. The statement is offered as evidence of a material fact;

2. The statement is more probative on the point for which it is offered than any other evidence which the proponent can procure through reasonable efforts; and

3. The general purposes of these rules and the interests of justice will best be served by admission of the statement into evidence. However, a statement may not be admitted under this exception unless the proponent of it makes known to the adverse party sufficiently in advance of the trial or hearing to provide the adverse party with a fair opportunity to prepare to meet it, the proponent's intention to offer the statement and the particulars of it, including the name and address of the declarant.

SECTION 60. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 806. Attacking and Supporting Credibility of Declarant.

When a hearsay statement has been admitted in evidence, the credibility of the declarant may be attacked, and if attacked may be supported, by any evidence which would be admissible for those purposes if declarant had testified as a witness. Evidence of a statement or conduct by the declarant at any time, inconsistent with the declarant's hearsay statement, is not subject to any requirement that the declarant may have been afforded an opportunity to deny or explain. If the party against whom a hearsay statement has been admitted calls the declarant as a witness, the party is entitled to examine the declarant on the statement as if under cross-examination.

SECTION 63. A NEW SECTION OF KRS CHAPTER 422A IS CREATED TO READ AS FOLLOWS:

Rule 902. Self-Authentication.

Extrinsic evidence of authenticity as a condition precedent to admissibility is not required with respect to the following:

(1) Domestic public documents under seal. A document bearing a seal purporting to be that of the United States, or of any state, district, Commonwealth, territory or insular possession thereof, or the Panama Canal Zone, or the Trust Territory of the Pacific Islands, or of a political subdivision, department, officer, or agency thereof, and a signature purporting to be an attestation or execution.

(2) Domestic public documents not under seal. A document purporting to bear the signature in the official capacity of an officer or employee of any entity included in subsection (1) of this section, having no seal, if a public officer having a seal and having official duties in the district or political subdivision of the officer or employee certifies under seal that the signer has the official capacity and that the signature is genuine.

(3) Foreign public documents. A document purporting to be executed, or attested in an official capacity by a person authorized by the laws of a foreign country to make the execution or attestation, and accompanied by a final certification as to the genuineness of the signature of official position:

(a) Of the executing or attesting person; or

(b) Of any foreign official whose certificate of genuineness of signature and official position relates to the execution or attestation.

A final certification may be made by a secretary of embassy or legation, consul general, consul, vice consul, or consular agent of the United States, or a diplomatic or consular official of the foreign country assigned or accredited to the United States, If reasonable opportunity has been given to all parties to investigate the authenticity and accuracy of official documents, the court may, for good cause shown, order that they be treated as presumptively authentic without final certification or permit them to be evidenced by an attested summary with or without final certification.

(4) Official records. An official record or an entry therein, when admissible for any purpose, may be evidenced by an official publication thereof or by a copy attested by an official having the legal custody of the record. If the office in which the record is kept is outside the Commonwealth of Kentucky, the attested copy shall be accompanied by a certificate that the official attesting to the accuracy of the copy has the authority to do so. The certificate accompanying domestic records (those from offices within the territorial jurisdiction of the United States) may be made by a judge of a court of record of the district or political subdivision in which the record is kept, authenticated by the seal of the court; or may be made by any public officer having a seal of office and having official duties in the district or political subdivision in which the record is kept, authenticated by the seal of office. The certificate accompanying foreign records (those from offices outside the territorial jurisdiction of the United States) may be made by a secretary of embassy or legation, consul-general, consul, vice-consul, or consular agent or by any officer in the foreign service of the United States stationed in the foreign state or country in which the record is kept, and authenticated by the seal of office. A written statement prepared by an official having the custody of a record that after dilligent search no record or entry of a specified tenor is found to exist in the records of the office, complying with the requirements set out above, is admissible as evidence that the records of the office contain no such record of entry.

(5) Official publications. Books, pamphlets, or other publications purporting to be issued by public authority.

(6) Books, newspapers and periodicals. Printed materials purporting to be books, newspapers or periodicals.

(7) Trade inscriptions and the like. Inscriptions, signs, tags or labels purporting to have been affixed in the course of business and indicating ownership, control or origin.

signature, document, or other matter which is declared to be presumptively genuine by Act of Congress or the General Assembly of Kentucky or by rule of the Supreme Court of Kentucky.

(11) Business records. (a) Unless the sources of information or other circumstances indicate lack of trustworthiness, the original or a duplicate of a record of regularly conducted activity within the scope of Rule 803(6) or 803(7), which the custodian thereof certifies:

1. Was made, at or near the time of the occurrence of the matters set forth, by (or from information transmitted by) a person with knowledge of those matters;

2. Is kept in the court of the regularly conducted activity; and

3. Was made by the regularly conducted activity as a regular practice.

(b) A record so certified is not self-authenticating under this subsection unless the proponent makes an intention to offer it known to the adverse party and makes it available for inspection sufficiently in advance of its offer in evidence to provide the adverse party with a fair opportunity to challenge it.

(c) As used in this subsection, "certifies" means, with respect to a domestic record, a written declaration under oath subject to the penalty of perjury, and, with respect to a foreign record, a written declaration which, if falsely made, would subject the maker to criminal penalty under the laws of that country. The certificate relating to a foreign record must be accompanied by a final certification as to the genuineness of the signature and official position:

1. Of the individual executing the certificate; or

2. Of any foreign official who certifies the genuineness of signature and official position of the executing individual or is the last in a chain of certificates that collectively certify the genuineness of signature and official position of the executing individual.

A final certification must be made by a secretary of embassy or legation, consul-general, consul, vice-consul, or consular agent or by an officer in the foreign service of the United States stationed in the foreign state or country in which the record is kept, and authenticated by the seal of office.

However, when an issue is raised:

The Honorable Brereton C. Jones introduced the Honorable Wallace G. Wilkinson, Governor of the Commonwealth of Kentucky.

Governor Wilkinson addressed the Joint Session of the General Assembly as follows:

Lieutenant Governor Jones, Mr. Speaker, distinguished members of the General Assembly, Mr. Chief Justice Stephens, members of the Supreme Court, and all the hard-working families of Kentucky.

In keeping with a tradition that is nearly two centuries old, I come before you tonight to present my report on the State of the Commonwealth we all love so much. I am the fifty-third Governor since our State was born, to come before the people and their General Assembly and report on the State of our Commonwealth. But not one of them — not one — could have loved this state any more than I do.

Over the last two years, as I have had the privilege to serve as Governor, as I have traveled this state and visited with its people, that love has only intensified. It's important that you know that. Because if you do, then you can start to understand why I fuss and kick up a storm like I do from time to time.

To my friends — yes, my friends — in the General Assembly, let me say this. I know I could be easier to get along with — and you know it, too. But I wasn't sent here to get along. I was sent here to get Kentucky moving again. You know change is never easy. Sometimes progress is painful. But from that pain has come real and substantial gain.

Tonight I can report to you that the State of the Commonwealth is stronger, safer, sturdier than it has been in many years. To get a picture of just how far we've come, it's helpful to take a quick look back. Just two years ago Kentucky was falling behind. Today we are forging ahead. Two years ago we had no lottery. Today we have a lottery that's a winner for everyone. Two years ago our educational system could only be described as a mess — our Supreme Court had another word for it - unconstitutional.

But today, thanks in large measure to the hard work of the men and women of the General Assembly, thanks in large measure to you and the Task Force on Education Reform, Kentucky is on the verge of fundamental restructuring of our educational system. Perestroika, as I referred to it in last year's State of the Commonwealth Address.

Two years ago people were looking to Tokyo to learn how they negotiated such favorable deals in Kentucky. Today the top financiers from all over the world are studying Kentucky's yen bond issue. In fact, the prestigious publication "Institutional Investor" named it, "Deal of the Year." It is a state of the art public financing, and it was made in the State of Kentucky.

Two years ago Kentucky had a deficit — and Connecticut and New Jersey and Massachusetts had surpluses. Today it is Kentucky that's turned its deficit into a surplus, while others have turned their surpluses into deficits. Two years ago tax collections in Kentucky were so dismal that some believed efforts to collect back taxes from thousands who owed them wouldn't pay off. Today, because of our tax amnesty and our stronger enforcement, we've got more than 61 million dollars no one thought we were going to collect. That is why I like to say that "winning in Kentucky" is more than just rhetoric - it's reality.

But don't take my word for it. Let's look at the facts. More people have jobs in Kentucky than ever before in our history. Some 100,000 Kentuckians who didn't have jobs two years ago have them now. Our unemployment rate is at its lowest point in a decade — and what's more, almost every single Kentucky county has a lower unemployment rate than it did just two years ago. And those jobs are good-paying jobs — permanent, productive, private-sector jobs.

That's why, after seven years of lagging behind the rest of the country in per capita income - Kentucky has beaten the national average for both of the last two years. It's not that the rest of the country is slowing down, it's that Kentucky is speeding up and passing them.

The area in which we're picking up steam even faster than our economy is in education. When I reported to you on the State of the Commonwealth last year, I had to admit that our educational system had not yet made the progress we all would have liked, and I pledged to you that I would not rest until it had. I'm not about to rest now, but I am willing to say that Kentucky is now on the cutting edge of change.

This Commonwealth has an opportunity no other state has had. The opportunity to rebuild our educational system from scratch. We have seized that opportunity, and we are making the most of it. The bold, dynamic blueprint for change we have proposed is now the envy of the Nation. In fact, when President Bush and my fellow Governors met in Charlottesville for the Education Summit, the recommendations that came out of that meeting reflected the same ideas this administration has been advancing since day one. And now, experts and consultants all over the country agree that Kentucky's education agenda is America's education agenda.

The eyes of the education world are on Kentucky, and Kentucky is rising to the occasion: Good jobs for our people, and good schools for our children — it's not very complicated. But the twin towers of economic strength and educational excellence are built on a broad foundation of improvement in almost every aspect of the public life of our State.

Let me touch on just a few of the scores of success stories that make up the Kentucky comeback: the Lottery we worked for and fought for and pushed for is a reality now. First the naysayers said people didn't want a lottery. They were wrong. Then they said it would never pass. Wrong again. Then they said the lottery would never raise the 70 million dollars a year we thought it would. Well, on that one I've got to admit they were right. The Lottery will not raise 70 million dollars in its first year — it will be closer to a hundred million dollars. But now that we've won the battle to get a lottery, let's not lose the war of applying the proceeds where they'll do the most good.

As Governor, I cannot stand idly by and watch the proceeds from that Lottery go into the General Fund. I promised the people of Kentucky a Lottery dedicated to education and senior citizens. And the people of Kentucky voted for a Lottery dedicated to education and senior citizens. So I ask you to join me in dedicating those funds to our childrens' future and our parents' security.

I understand the funding needs of this complex Commonwealth, and the budget I have presented to you is a blueprint for a better Kentucky. After two years of common sacrifice, we have trimmed enough from state government that now we're ready to give it a good work-out. That's why I have proposed a vigorous plan to put state government back to work — for the people of Kentucky.

That plan includes the largest rural-road-resurfacing program in the State's history — a project that will replace every bridge in Kentucky less than 50 feet in length that won't bear the weight of a loaded school bus.

Our budget also includes more money for education at all levels — elementary, secondary, community college, vocational, and higher education — and a 14-year education guarantee. So that never again will a son or daughter of Kentucky be denied an education because of their bankbook.

We've proposed a solution to our prison crisis that means that tough sentences and hard time will replace the slap on the wrist and the overcrowded jails. As a businessman, I was always looking for ways to save money. That's why as Governor I've always considered education and rehabilitation as a part of my anti-crime program — so that our young people will have hope and opportunity, and won't turn to crime and drugs. It's cheaper to keep our kids out of trouble than to keep building more and more prisons.

We've also proposed a new Cabinet for Workforce Development, to train and retrain Kentuckians for success in our new information and technology driven economy, so our people will be ready for the jobs of the 21st Century.

We've begun a community development project fund and proposed the toughest drunk driving and anti-drug laws this State has ever seen. For the first time in Kentucky history, we have an environmental management plan, a comprehensive battle plan for the war against pollution, toxic waste and out-of-state garbage. I will never allow Kentucky to become the Nation's garbage dump.

We've made rural Kentucky a part of the Commonwealth again. We've taken government to the people through our Capitol to the Counties Program. Now when the people of Kentucky talk, State Government listens.

We've brought new roads, new jobs, and most of all new hope to rural Kentucky. All those programs are important, and each of those programs will make an important difference. But in the end, government is not about programs — it is about people.

When I fight with the special interests, it's not because I dislike the lobbyists of Frankfort, it's because I love the people of Kentucky. When I argue with some of the people in this room, it's not because I dislike them, it's because I love the people of Kentucky. And if I rail against the biased, slanted, distorted lens that was trained on us when CBS blew through Kentucky for "48 Hours," it's not because I dislike those who disparage our people and distort our lives — on second thought, I have to admit that I do dislike that. I dislike it when CBS flies in here from New York with their cameras and their prejudices and their preconceived notions.

I wish the Chairman of CBS, Mr. Lawrence Tisch of New York, which, I'm told, has a few cases of poverty and substance abuse and ignorance and crime of its own, would come to Kentucky for more than 48 hours. And if Lawrence Tisch would come down from his penthouse apartment, fight his way to the airport, and come to Kentucky, he would see the Kentucky you and I love. The beautiful Kentucky we grew up in and the even more beautiful Kentucky our children and grandchildren will grow up in.

If he could see the rolling hills of the bluegrass as the fog starts to lift on a spring morning, if he could see the beauty of the mountains and the strength of the families of Eastern Kentucky, if he could see the rock-solid faith of the Sunday morning church services in Western Kentucky, or the everyday miracle of special heart surgery in Louisville, if he could feel the surge of electricity as the first hoof hits the dirt of Churchill Downs, and the first note of "My Old Kentucky Home" fills the air on Derby Day, if he could only see all the courage and commitment and character that are the heirlooms of the family of Kentucky, then Mr. Lawrence Tisch of CBS wouldn't leave Kentucky and go back to New York for — well, for all the gold in Fort Knox.

I have seen those things and more. And only my heart can express how I've been moved as I have looked into the eyes of Kentucky, and seen the courage and determination that have brought us back. That is why I can never give up on our fight to continue moving Kentucky forward.

I want to read to you a letter I received from a little girl — a letter that captures far better than I the spirit of this State:

Dear Governor Wilkinson:

My name if Christi Johnston. I go to Cub Run School, which is in Hart County. I'm in the 4th grade this year. My family is very interested in education, they talk about it a lot. My Mom and two Aunts are teachers and my Mamaw is retired from teaching. I want to be a teacher too when I grow up.

I would like for you to visit my school sometime to meet my teacher and my classmates. I am glad I live in Kentucky even if people do think we can't do things. Maybe things are not so bad.

We have smart kids but we need an education. I hope my older brother and sister can get a good education and find a job so they can work and live in Kentucky.

Sincerely, Christi Johnston

Well, Christi, I accept your invitation. I'd be honored to visit your school, and I'm going to ask your state representative and your state senator to come with me, along with the leaders of the General Assembly. I'm even going to invite Mr. Lawrence Tisch of CBS to come too. Because the hope and the strength and the determination that shines through every line of your letter can be an education to all of us.

My friends, if we are to give Christi Johnston the education she deserves, an education that will help her compete on an even footing with kids from Tennessee and Texas and even Tokyo, if we are to give her brother and her sister satisfying jobs in an expanding economy, if we are going to give her opportunity and dignity and pride to be a Kentuckian — then we can never give up, we can never give in. Because the more we do about education today, the less we'll have to do about drugs tomorrow.

Christi, you're the reason I fight as hard as I do. Because of you and millions just like you, business as usual in Frankfort is just not good enough. It would be easy to go along to get along, to agree to yet another tax increase on those who are already paying too much, and agree to yet another loophole for the special interests and their fleet of pinstriped lobbyists and lawyers. What's harder is taking on the selfish interests who want to raise taxes on the blue jeans and winter coats our families work so hard to buy, but not on the advertising and legal advice the corporations and the special interests make millions from, and on which they pay no taxes.

But I'm willing to fight that fight — no matter what. No matter if it costs me a chance to put my record before the voters again. No matter if it costs me editorials lauding my cooperative spirit. No matter if it costs me a thousand rounds of golf with a thousand lobbyists at a thousand country clubs. I will never betray the trust of Christi Johnston and the millions of other Kentuckians just like her.

It is for them that I have devoted the first half of the Wilkinson administration and it is for them I will devote the second half as well. The past, it's been said, is prologue.

So the Kentucky agenda for the next two years is to redouble our efforts and continue to fight for the average working families of this State — especially on five fronts:

First, school restructuring - where we will be able to look Christi and every other school child in this Commonwealth in the eye, and not just promise them excellence and equity in education, but deliver on it.

Second, meeting Kentucky's fiscal needs - where we will fight for a tax system in which the special interests give up their free ride and climb on down and help the rest of us pull the wagon for a change.

Third, drugs - we will take the pushers off the playgrounds and put them in the penitentiary.

Fourth, environmental protection - where we will clean up the water, tighten up the landfills, and keep the out-of-state garbage, out-of-state.

Fifth, jobs - I've always said the best social program ever invented is a job. Well, we've created 100,000 of those social programs in the last two years. I plan to continue creating jobs and giving the dignity of a paycheck to thousands more Kentucky families in the next two years.

Our agenda for the future may cause a few more disagreements in Frankfort. I hope not. But I was sent here to do a job, and I intend to do just that. I never tried to be a Governor who would be the favorite of the insider crowd — or the darling of the press. I've tried to be a different kind of Governor. I knew I would never be as expert in the political process as some of the leaders of our General Assembly, so I decided to focus on what I know best, the people of Kentucky — their hopes, their dreams, their aspirations.

As the son of a peddler from rural Kentucky, whose school was so poor we did not have money for chemistry or foreign languages, I feel a very special kinship with the ordinary people of Kentucky who are in reality the most extraordinary people on the face of God's earth. I have tried every day to be a Governor for the quiet heroes of the Kentucky comeback:

The family farmers who plant their own crops and bale their own hay.

The small business owner who calls her employees by their first names.

The dedicated teacher who comes to school early and stays late, and by her hard work lights the spark of knowledge in the minds of children like Christi Johnston.

I have tried to be a Governor for all the hard-working families that are the strength and the soul of Kentucky. It is from your ranks that I come — it is your cause that I carry — it is your Kentucky that I love — and it is for you that I fight.

Good night. God bless you, and God bless Kentucky.

The payment must be received by the retirement system by December 31 immediately following the school year in which the fractional year's service occurred. Section 4. KRS 61.560 is amended to read as follows:

(1) Each employee shall, commencing on August 1, 1986, contribute for each pay period for which he receives compensation five percent (5%) of his creditable compensation, ***unless he did not elect membership pursuant to KRS 61.545(3), and*** except that members of the General Assembly, who elect the survivorship option provided in subsections (13) and (14) of KRS 61.635, shall each contribute six and six-tenths percent (6.6%) of creditable compensation commencing with the payroll period immediately following his election of the option. Any other provisions of KRS 61.515 through 61.705 notwithstanding, any reemployed retiree, as described in KRS 61.637, shall contribute five percent (5%) of his creditable compensation, or the amount required by KRS 61.592(3) if applicable, if he anticipates that he will receive more than the maximum permissible earnings, as provided by the federal Social Security Act, in compensation as a result of reemployment during the calendar year.

(2) Each employer shall cause to be deducted from the creditable compensation of each employee for each and every payroll period the contribution payable by each such employee as provided in KRS 61.515 to 61.705.

(3) The deductions provided for herein shall be made notwithstanding that the minimum compensation provided by law for any employee shall be reduced thereby. Every employee shall be deemed to consent and agree to the deductions made as provided herein; and payment of salary or compensation less such deductions shall be a full and complete discharge of all claims for services rendered by such person during the period covered by such payment, except as to any benefits provided by KRS 61.515 to 61.705.

(4) Each employer shall, solely for the purpose of compliance with section 414(h) of the United States Internal Revenue Code, pick up the employee contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining

tax treatment under the United States Internal Revenue Code and KRS 141.010(9). These contributions shall not be included as gross income of the employee until such time as the contributions are distributed or made available to the employee. The picked up employee contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982 by the employee contribution, and the picked up employee contribution shall be in lieu of an employee contribution. Each employer shall pay these picked up employee contributions from the same source of funds which is used to pay earnings to the employee. The employee shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employee contributions picked up after August 1, 1982 shall be treated for all purposes of KRS 61.515 to 61.705 in the same manner and to the same extent as employee contributions made prior to August 1, 1982.

Section 5. KRS 16.520 is amended to read as follows:

(1) Membership in the system shall consist of all regular full-time officers of the Kentucky State Police appointed pursuant to KRS 16.050 who are entitled to exercise the powers of peace officers ***except those who do not choose to participate pursuant to KRS 61.545(3).***

(2) All persons who are employees of a county on the date the county first participates in the system, either in service or on authorized leave from service, and who elect within thirty (30) days next following such county's participation, or in the case of persons on authorized leave, within thirty (30) days of their return to active service, to become members and thereby agree to make contributions as provided in KRS 78.520 to 78.852; and

(3) All persons electing coverage in the system under KRS 78.530(3)(d).

(4) The provisions of subsections (1) and (2) of this section notwithstanding, cities which participate in the CERS and close existing local pension systems to new, or all members pursuant to the provisions of KRS 78.530, 95.520, 95.621 or 95.852 shall not be required to provide membership in the County Employees Retirement System to employees in any employee category not covered by a city pension system at the date of participation.

Section 7. KRS 78.610 is amended to read as follows:

(1) Each employee shall, commencing on August 1, 1986, contribute for each pay period, for which he receives compensation four and twenty-five hundredths percent (4.25%) of his creditable compensation ***unless he did not elect membership pursuant to KRS 61.545(3).*** Any other provisions of KRS 78.510 to 78.852 notwithstanding, any reemployed retiree, as described in KRS 61.637, shall contribute four and twenty-five hundredths percent (4.25%) of his creditable compensation, or the amount required by KRS 61.592(3) if applicable, if he anticipates that he will receive more than the maximum permissible earnings, as provided by the federal Social Security Act, in compensation as a result of reemployment during the calendar year.

(2) The treasurer, attorney, clerk, jailer and sheriff of a participating county shall cause to be deducted from the "creditable compensation" of each employee for each and every payroll period subsequent to the date the county participated in the system, including the assumed creditable compensation of firefighters employed by a district created pursuant to KRS 75.010, the contribution payable by such member as provided in KRS 78.510 to 78.852. The attorney, clerk, jailer and sheriff shall promptly pay such deducted employee contributions to the treasurer for forwarding to the board in accordance with KRS 78.625.

(3) The deductions provided for herein shall be made notwithstanding that the minimum compensation

provided by law for any employee shall be reduced thereby. Every employee shall be deemed to consent and agree to the deductions made as provided herein; and payment of salary or compensation less such deductions shall be a full and complete discharge of all claims for services rendered by such person during the period covered by such payment, except as to any benefits provided by KRS 78.510 to 78.852.

(4) Each employer shall, solely for the purpose of compliance with section 414(h) of the United States Internal Revenue Code, pick up the employee contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(9). These contributions shall not be included as gross income of the employee until such time as the contributions are distributed or made available to the employee. The picked up employee contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982 by the employee contribution, and the picked up employee contribution shall be in lieu of an employee contribution. Each employer shall pay these picked up employee contributions from the same source of funds which is used to pay earnings to the employee. The employee shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employee contributions picked up after August 1, 1982 shall be treated for all purposes of KRS 78.510 to 78.852 in the same manner and to the same extent as employee contributions made prior to August 1, 1982. Employee contributions of volunteer firefighters based upon an assumed salary pursuant to KRS 78.510(13) shall not be picked up by the employer.

Section 8. KRS 78.615 is amended to read as follows:

(1) Employee contributions shall be deducted each payroll period from the creditable compensation of each employee of an agency participating in the system while he is classified as regular full-time as defined in KRS 78.510 unless such person did not elect to become a member as provided by ***KRS 61.545(3) or by*** subsection (2) of KRS 78.540. After August 1, 1982, except in the case of volunteer firefighters whose creditable compensation is based upon an assumed salary, employee contributions shall be picked up by the employer pursuant to KRS 78.610(4). Service credit will be allowed for each month such contributions are deducted or picked up during a fiscal or calendar year, provided the employee receives creditable compensation for an average of one hundred (100) hours or more of work per month, except in the case of school bus drivers for school boards in which event the school term average shall be eighty (80) hours of work per month, or except in the case of volunteer firefighters employed by a district created pursuant to KRS 75.010 who shall satisfy work requirements set by the district board of trustees. If the average number of hours of work is less than one hundred (100) hours per month, or in the case of school bus drivers eighty (80) hours per month, or in the case of volunteer firefighters less than the work requirement set by the district board of trustees, the employee shall be allowed credit only for those months he receives creditable compensation for one hundred (100) hours of work, or in the case of school bus drivers eighty (80) hours of work or in the case of volunteer firefighters those months in which he satisfies the work requirements set by the district board of trustees.

(2) Employee contributions shall not be deducted from the creditable compensation of any employee or picked up by the employer while he is seasonal, emergency, temporary or part-time. No service credit will be earned.

(3) Contributions shall not be made or picked up by the employer and no service credit will be earned by a member while on leave except:

(a) A member on military leave shall be entitled to service credit in accordance with KRS 61.555; and

(b) A member on educational leave who meets the criteria established by the state department of personnel for approved educational leave, who is receiving seventy-five percent (75%) or more of full salary shall receive service credit and shall pay member contributions in accordance with KRS 78.610 and his employer shall pay employer contributions or such contributions shall be picked up in accordance with KRS 61.565. If a tuition agreement is broken by the member the member and employer contributions paid or picked up during the period of educational leave shall be refunded.

(4) The retirement office, upon detection, shall refund erroneous employer and employee contributions made to the retirement system.

Section 9. Any employee or former employee not retired who participated in more than one (1) retirement system administered by the Kentucky Retirement Systems prior to July 15, 1990 may retroactively choose to receive and shall be granted full service credit for time served in one (1) of those systems, and thereby shall relinquish service credit in the other systems for the same time period, and his contributions related to the relinquished credit shall be refunded.

HB 229, AN ACT relating to retirement.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 61.595 is amended to read as follows:

(1) Effective August 1, 1988, upon retirement at normal retirement date, or subsequent thereto, a member may receive an annual retirement allowance, payable monthly during his lifetime, which shall consist of an amount equal to two percent (2%) for the County Employees Retirement System and one and ninety-one hundredths percent (1.91%) for the Kentucky Employees Retirement System of final compensation multiplied by the number of years of service credit, except that:

(a) The annual normal retirement allowance for members of the General Assembly, who serve during the 1974 or 1976 General Assembly, and will have eight (8) years or more of total legislative service as of January 6, 1978, shall not be less than two hundred forty dollars ($240) multiplied by the number of years of service as a member of the General Assembly;

(b) The annual normal retirement allowance for members of the General Assembly who will have fewer than eight (8) years of service as of December 31, 1975, shall be as prescribed in Chapter 116, section 36(1), Acts of the 1972 General Assembly for legislative service prior to January 1, 1974;

(c) Former members of the General Assembly who have eight (8) or more years of legislative service prior to the 1976 regular session are eligible for an increased retirement allowance of two hundred forty dollars ($240) times the years of legislative service, provided such member pays to the Kentucky Employees Retirement System thirty-five percent (35%) of the actuarial cost of the higher benefit, as determined by the board, except that a former member with sixteen (16) or more years of legislative service, or his beneficiary, who is receiving a retirement allowance, also is eligible under this section and may apply for a recomputation of his retirement allowance. The employer's share of sixty-five percent (65%) of such computed actuarial cost shall be paid from the state treasury to the Kentucky Employees Retirement System upon presentation of a properly documented claim to the Finance and Administration Cabinet. If any such member with sixteen (16) or more years of legislative service previously applied for and is receiving a retirement allowance, he may reapply and his retirement allowance shall be recomputed in accordance with this paragraph, and he shall thereafter be paid in accordance with the option selected by him at the time of the reapplication;

(d) The annual normal retirement allowance for a member with ten (10) or more years of service. in the Kentucky Employees Retirement System, at least one (1) of which is current service, shall not be less than five hundred twelve dollars ($512); and

(e) The annual retirement allowance for a member of the Kentucky Employees Retirement System or County Employees Retirement System shall not exceed the maximum benefit as set forth in the Internal Revenue Code.

(2) (a) Upon service retirement prior to normal retirement date, a member may receive an annual retirement allowance payable monthly during his lifetime which shall be determined in the same manner as for retirement at his normal retirement date with years of service and final compensation being determined as of the date of his actual retirement, but the amount of the retirement allowance so determined shall be reduced to reflect the earlier commencement of benefits.

(b) There shall be no reduction in the retirement allowance of the member ***of the Kentucky Employees Retirement System who has twenty-seven (27) or more years of service credit, at least fifteen (15) of which are current service, or of the County Employees Retirement System*** who has thirty (30) or more years of service credit, at least fifteen (15) of which are current service. A member who has earned vested service credit in a retirement system, other than the Teachers' Retirement System, sponsored by a Kentucky institution of higher education may count such vested service toward attaining thirty (30) years of service credit to qualify for an unreduced retirement allowance. Such credit from a Kentucky institution of higher education shall not be used, however, to calculate his retirement allowance pursuant to this section. The provisions of this paragraph shall not be construed to limit the use of Teachers' Retirement System credit pursuant to KRS 61.680(2)(a).

(3) The retirement allowance shall be calculated by using the member's known creditable compensation prior to his last month's employment and an estimate of his creditable compensation during the last month he was employed. Based upon this calculation, the State Treasurer shall be requested to issue the initial retirement payment.

(4) A new calculation shall be made when the official report has been received of the member's creditable compensation during his last month's employment. However, the retirement allowance determined in accordance with subsection (3) of this section shall be the official retirement allowance unless the new calculation derives an amount which is one dollar ($1) greater or less than the amount of the initial retirement payment.

Section 2. KRS 61.559 is amended to read as follows:

(1) In lieu of any other benefits due under KRS 61.510 to 61.705 and KRS 78.520 to 78.852 a member who has attained the age of sixty-five (65) and who has obtained at least one (1) month of service credit but no more than forty-seven (47) months of service, may elect to receive an annual retirement allowance payable monthly or less frequently as determined by the board which shall be determined by multiplying his accumulated contributions by two (2) and converting this amount to an annual retirement allowance based on an annuity rate adopted by the board which would pay the actuarial equivalent of twice his accumulated contributions over the lifetime of the retired member.

(2) A member sixty-five (65) years of age or older is eligible for a retirement allowance determined under KRS 61.595 provided such member has forty-eight (48) months of service, at least twelve (12) of which are current service, or a retirement allowance determined under KRS 61.595 prior to age sixty-five (65) provided:

(a) The member has attained age fifty-five (55) and has service of sixty (60) months at least twelve (12) of which are current service; or

(b) The member is a retired member of the State Police Retirement System, has attained age fifty-five (55), and has service of forty-eight (48) months at least twelve (12) of which are current service; or

(c) The member is less than age fifty-five (55) and has twenty-five (25) or more years of service, at least fifteen (15) of which are current service; or

(d) The member ***of the County Employees Retirement System*** has thirty (30) or more years of service at least fifteen (15) of which are current service***, or the member of the Kentucky Employees Retirement System has twenty-seven (27) or more years of service, at least fifteen (15) of which are current service***; or

(e) The member has attained age fifty-five (55) and was an employee of a parted employer at the time his employer became ineligible to continue participation in the system, and his service in the system when added to his service with the parted employer subsequent to his separation from state government equals the early retirement service eligibility requirement of the system on the date his employer became ineligible to continue participation in the system.

Section 1. KRS 353.652 is amended to read as follows:

(1) Upon the application of any operator in a ***deep well*** pool productive of oil or gas, or both, and other minerals which may be associated and produced therewith and after notice given by the commission to all persons reasonably known to own an interest in the oil or gas in ***the*** [~~such~~] pool, and after a hearing, the commission may enter an order requiring the unit operation of a pool or of any portion or combinations thereof within a field. ***The*** [~~Such~~] unit operation shall be in connection with a program designed to avoid the drilling of unnecessary wells, or otherwise to prevent waste, or to increase the ultimate recovery of the unitized minerals by additional recovery methods. The order shall provide for the unitization of separately owned tracts and interests within ***the*** [~~such~~] pool or pools, but only after finding that:

(a) ***The*** [~~Said~~] order is reasonably necessary for the prevention of waste;

(b) The proposed plan of unitized operation will increase the ultimate recovery of oil or gas, or both, from the pool and will be economically feasible;

(c) The production of oil or gas, or both, from the unitized pool can be allocated in such a manner as to insure the recovery by all owners of their just and equitable share of ***the*** [~~such~~] production; and

(d) A contract incorporating the unitization agreement has been signed or in writing ratified or approved by the owners of at least seventy-five percent (75%) in interest as costs are shared under the terms of the order and by seventy-five percent (75%) in interest as production is to be allocated of the royalty in the unit area, and a contract incorporating the required arrangements for operations has been signed or in writing ratified or approved by the owners of at least seventy-five percent (75%) in interest as costs are shared, and the commission has made a finding to that effect either in the order or a supplemental order.

(2) The order requiring ***the*** [~~such~~] unit operation shall designate one (1) operator as unit operator and shall also make provision for the proportionate allocation to all operators of the costs and expenses of the unit operation, including a reasonable charge for supervision, which allocation shall be in the proportion that the separately owned tracts share in the production from the unit. In the absence of an agreement entered into by the operators and filed with the commission providing for sharing the costs of capital investments in wells and physical equipment, and intangible drilling costs, the commission shall provide by order for the sharing of ***the*** [~~such~~] costs in the same proportion as the costs and expenses of the unit operation; provided, that any operator who has not consented to the unitization shall not be required to contribute to the costs or expenses of the unit operation, or to the cost of capital investment in wells and physical equipment, and intangible drilling costs, except out of the proceeds from the sale of the production accruing to the interest of ***the*** [~~such~~] operator exclusive of any royalty or overriding royalty interest.

(3) The commission, after notice and hearing as provided above may from time to time by entry of a new or amending order enlarge the unit area by approving agreements adding to ***the*** [~~such~~] area a pool or any portion or combinations thereof not previously included. Any such order shall not become effective unless and until:

(a) All of the terms and provisions of the unitization agreement relating to the extension or enlargement of the unit area or to the addition of pools or portions or combinations thereof to unit operations have been fulfilled and satisfied and evidence thereof has been submitted to the commission; and

(b) The extension or addition effected by ***the*** [~~such~~] order has been agreed to in writing by the owners of at least seventy-five percent (75%) in interest as costs are shared in the pool or pools or portions or combinations thereof to be added to unit operations by ***the*** [~~such~~] order and by seventy-five percent (75%) in interest as production is to be allocated of the royalty owners in ***the*** [~~said~~] pool, pools, portions or combinations and evidence thereof has been submitted to the commission.

(4) Any agreement, in providing for allocation of production from the unit area, shall first allocate to each pool or ***added*** portion [~~thereof so added~~] a portion of the total production of oil and gas, or both, from all pools affected within the area, as enlarged, ***the*** [~~such~~] allocation to be in proportion to the contribution which added pool or portions or extensions thereof are expected to make, during the remaining course of unit operations, to the total production of oil or gas, or both, of the unit as enlarged. The remaining portion of unit production shall be allocated among the separately owned tracts within the previously established unit area in the same proportions as those specified prior to the enlargement.

Section 2. KRS 353.653 is amended to read as follows:

Each operator shall have the right to take in kind its share of any oil or gas produced from any drilling unit or pool unitized under KRS 353.510, 353.520, 353.565, 353.610, 353.651-353.654, 353.700, 353.991. ***The***[~~, provided, however that such~~] operator shall pay the expenses occasioned thereby and ***pay*** [~~pays~~] or ***account*** [~~accounts~~] to the unit operator for ***the*** [~~such~~] oil or gas or the value thereof if he has not paid his share of drilling, completing and operating costs. ***This section applies to deep well drilling units only.***

Section 3. KRS 353.654 is amended to read as follows:

Nothing contained in KRS 353.510, 353.520, 353.565, 353.610, 353.651-353.654, 353.700, 353.991 shall be construed as authorizing any operator, with or without an order of the commission, to drill upon, enter upon, or use in any manner the surface of any land without the consent of the owner thereof as evidenced by an oil or gas lease or otherwise. ***This section applies to deep well drilling units only.***

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 353.590 is amended to read as follows:

(1) Any person[~~,~~] seeking a permit required by KRS 353.570[~~,~~] shall submit to the department a written application in ***a*** [~~such~~] form [~~as may be~~] prescribed by the department.

(2) Each application shall be accompanied by a specified fee as follows:

(a) The fee shall be one hundred dollars ($100) for each well to be drilled, deepened or reopened for any purpose relating to the production, repressuring or storage of oil or gas, and for each water supply well, observation well, and geological or structure test hole.

(b) If the department receives delegation of authority for administration of the underground injection control program under Section 1425 of the Safe Drinking Water Act (Public Law 93-523 as amended), the department may, by regulation, establish a fee or schedule of fees in an amount not to exceed fifty dollars

($50.00) per well, in addition to the fees imposed by paragraph (a) of this subsection, upon each application to drill, deepen or reopen a well for any purpose relating to the production, repressuring or storage of oil or gas, and for each water supply well, observation well, and geological or structure test hole. The fees or schedule of fees to be established by regulation shall not exceed an amount sufficient to recover the costs incurred by the department in administering the underground injection control program less any other state or federal funds which are made available for ***this*** [~~such~~] purpose.

(c) All money paid to the State Treasurer for fees required by paragraph (b) of this subsection shall be for the sole use of the department in the administration of the underground injection control program under Section 1425 of the Safe Drinking Water Act (Public Law 93-523 as amended).

(3) All money paid to the State Treasurer for licenses and fees required by KRS 353.500 to 353.720 shall be for the sole use of the department and shall be in addition to any moneys appropriated by the General Assembly for the use of the department.

(4) Each application shall be accompanied by a plat, which shows the location and elevation of each well, prepared according to the [~~rules and~~] regulations promulgated under KRS 353.500 to 353.720. The plat shall be certified as accurate and correct by ***a land surveyor.*** [~~the applicant, a qualified employe of the applicant, a person approved by the department, or an engineer registered in Kentucky, provided that~~] When the location of the well is known to be underlaid by coal-bearing stratum, ***the*** [~~such~~] plat shall be certified accurate and correct [~~only~~] by ***both a land surveyor and*** an engineer registered in Kentucky. If any plat submitted by an applicant is determined by the department to be materially inaccurate or incomplete, the department may require that a new plat be prepared and submitted either by a person approved by the director or an engineer registered in Kentucky. The department may further require that all future plats submitted by ***the*** [~~such~~] an applicant be prepared either by a person approved by the director or an engineer registered in Kentucky.

(5) When any person submits to the department of mines and minerals an application for a permit to drill a well, or to reopen, deepen or temporarily abandon any well which is not covered by surety bond, the department shall except as provided in this section, require from the well operator a bond in the sum of ***five hundred dollars ($500) for a well to be drilled to a depth of five hundred feet (500') or less; one thousand dollars ($1,000) for a well to be drilled to a depth between five hundred and one feet (501') and one thousand feet (1,000'); one thousand five hundred dollars ($1,500) for a well to be drilled to a depth between one thousand and one feet (1,001') and one thousand five hundred feet (1,500'); two thousand dollars ($2,000) for a well to be drilled to a depth between one thousand five hundred and one feet (1,501') and two thousand feet (2,000'); two thousand five hundred dollars ($2,500) for a well to be drilled to a depth between two thousand and one feet (2,001') and two thousand five hundred feet (2,500'); three thousand dollars ($3,000) for a well to be drilled to a depth between two thousand five hundred and one feet (2,501') and three thousand feet (3,000'); three thousand five hundred dollars ($3,500) for a well to be drilled to a depth between three thousand and one feet (3,001') and three thousand five hundred feet (3,500'); four thousand dollars ($4,000) for a well to be drilled to a depth between three thousand five hundred and one feet (3,501') and four thousand feet (4,000'); and five thousand dollars ($5,000) for a well to be drilled to a depth of more than four thousand feet (4,000'). The bonds shall be made*** [~~$1,000~~] in favor of the Department of Mines and Minerals, conditioned that the ***wells*** [~~well~~] upon abandonment shall be plugged in accordance with the [~~rules and~~] regulations of the department and that all records required by the department be filed as specified. ***An operator may petition the department to amend the drilling depth and bond amount applicable to a particular well, and shall not proceed to drill to a depth greater than that authorized by the department until the operator is so authorized except pursuant to regulations promulgated by the department. The commission may establish a bond in a sum greater than five thousand dollars ($5,000) for any well to be drilled to a depth of more than four thousand feet (4,000') if the members of the commission determine that the particular circumstances of the drilling of the well warrant an increase in the bond amount established above. All bonds*** [~~The bond~~] shall remain in effect until the plugging of the well is approved by the department, or the bond is released by the department. Any well operator in lieu of ***the*** [~~such~~] bond may file with the department a blanket bond in a sum of ***ten thousand dollars ($10,000)*** [~~$5,000~~], covering all wells drilled or to be drilled in the Commonwealth by the principal in the bond, and the acceptance and approval by the department of ***the*** [~~such~~] blanket bond shall be in full compliance with the above provision requiring an individual well bond. ***A deposit in cash or a bank-issued irrevocable letter of credit may serve in lieu of either of the individual well or blanket bonds, and a property bond may be executed by an operator who owns all of the surface and mineral rights of a tract proposed for drilling. A certificate of deposit, the principal of which is pledged in lieu of a bond and whose interest is payable to the party making the pledge, may also be accepted by the department. If an operator is required to post individual well bonds exceeding a total of five thousand dollars ($5,000) or elects to post a blanket bond, the certificate of deposit shall be accepted by the department in lieu of that portion of the amount of the bonds exceeding five thousand dollars ($5,000).*** The bond or bonds referred to in this section shall be executed by the well operator as principal and, ***if a surety bond,*** by a corporate surety authorized to do business in the Commonwealth. A deposit in cash shall serve in lieu of either of the above bonds***; all cash bonds accepted by the department***

shall be deposited into an interest-bearing account, with the interest thereon payable to the special agency account known as the oil and gas well plugging fund, created in subsection (9) of this section, to be used in accordance with the purposes described therein. All cash bonds being held by the department on the date of enactment of this Act shall likewise be deposited in the interest-bearing account, with the proceeds to be used for the purposes established for the oil and gas well plugging fund. The bond amounts shall be applicable only to permits issued upon and after the effective date of this Act. All bonds posted for permits issued prior to the effective date of this Act shall remain in full force and effect for the duration of the permits.

(6) ***A successor to the well operator shall post bond and notify the department in writing in advance of commencing use or operation of a well or wells. The successor shall assume the obligations of this chapter as to a particular well or wells and relieve the original permittee of responsibility under this chapter with respect to the well or wells. It shall be the responsibility of the selling operator to require the successor operator to post bond before use or operation is commenced by the successor and relief of responsibility under this chapter is granted to the original permittee*** [~~Notification in writing to the department by a successor to the well operator with bond as provided in subsection (5) that said successor is assuming the obligations of this chapter as to a particular well or wells, will relieve the original permittee of responsibility under this chapter with respect to such well or wells~~].

(7) If the requirements of subsection (5) ***of this section*** with respect to proper plugging upon abandonment and submission of all required records on all well or wells have not been complied with within the time limits set by the department or by this chapter, the department shall cause a notice of noncompliance to be served upon the operator by certified mail, addressed to the permanent address shown on the application for a permit. The notice shall specify in what respects the operator has failed to comply with this chapter or the regulations or orders of the department. If the operator has not reached an agreement with the department or has not complied with the requirements set forth by it within forty-five (45) days after mailing of the notice, the bond shall [~~then~~] be forfeited to the department.

(8) ***A bond forfeited pursuant to the provisions of this chapter may be collected by an attorney for the department or by the Attorney General, after notice from the director*** [~~When a bond is forfeited pursuant to the provisions of this chapter, the director shall give notice to the attorney general, who shall collect the forfeiture~~].

(9) All sums received through the forfeiture of bonds shall be placed in the State Treasury and credited to a special agency account to be designated as the oil and gas well plugging fund, ***which shall be an interest-bearing account with the interest thereon payable to the fund.*** This fund shall be available to the department and ***shall*** [~~may~~] be expended for the plugging of any abandoned wells coming within the authority of the department pursuant to this chapter. The plugging of any well pursuant to this subsection shall not be construed to relieve the operator or any other person from civil or criminal liability which would exist except for ***the*** [~~such~~] plugging. Any unencumbered and any unexpended balance of this fund remaining at the end of any fiscal year shall not lapse but shall be carried forward for the purpose of the fund until expended or until appropriated by subsequent legislative action.

(10) Upon request by any person applying for a permit for a geological or structure test hole, the department shall keep the location and elevation of ***the*** [~~said~~] hole confidential until ***the*** [~~such~~] information is allowed to be released by the person obtaining such permit.

(11) For the purpose of this chapter, "water supply well" shall not include:

(a) Any well for a potable water supply for domestic use or for livestock***; or***[~~;~~]

(b) Any water well used primarily for cooling purposes in an industrial process.

HCR 75, A CONCURRENT RESOLUTION establishing a commission to study firefighting services in Kentucky.

WHEREAS, fire protection is an essential service needed by all Kentuckians; and

WHEREAS, there are currently over five hundred fire departments of various sorts in Kentucky, including municipal and county departments, taxing and non taxing special districts, non profit corporations, subscription departments and loosely organized volunteer associations; and

WHEREAS, the laws pertaining to fire departments are difficult to assimilate because they are scattered throughout the statutes; and

WHEREAS, fire districts in urbanizing areas are growing to sizes not contemplated when their enabling statutes were written, creating problems of administration, management and accountability; and

WHEREAS, fire protection is very difficult to provide in rural areas, especially those which are losing population; and

WHEREAS, the responsibilities of firefighters in maintaining civil order during disasters and emergencies are poorly defined; and

WHEREAS, Kentuckians would benefit if the responsibilities of fire departments were clearly delineated, the administrative and accounting practices were simple, clearly understood, and uniformly implemented, and problems of resources and manpower carefully analyzed;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 363.330 is amended to read as follows:

(1) As used in this section unless the context requires otherwise:

(a) "Commercial weighing and measuring device" includes any weight or measure or weighing or measuring device commercially used or employed in establishing the size, quantity, extent, area, or measurement of quantities, things, produce, or articles for distribution or consumption, purchased, offered, or submitted for sale, hire, or award, or in computing any basis of weight, or measure, and also includes any accessory attached to or used in connection with a commercial weighing or measuring device when such accessory is so designed or installed that its operation affects, or may affect, the accuracy of the device.

(b) "Registered serviceman" means any individual who for hire, award, commission, or any other payment of any kind, installs, services, repairs, or reconditions a commercial weighing or measuring device, and ***who*** [~~which voluntarily~~] registers [~~himself as such~~] with the director of weights and measures.

(c) "Registered service agency" means any agency, firm, company, or corporation which, for hire, award, commission, or any other payment of any kind, installs, services, repairs or reconditions a commercial weighing or measuring device, and which [~~voluntarily~~] registers [~~itself as such~~] with the director of weights and measures. Under agency registration, identification of individual servicemen shall [~~not~~] be required.

(2) It shall be the policy of the director of weights and measures, hereinafter referred to as "director," to accept [~~voluntary~~] registration of an individual or agency that provides acceptable evidence that he or it is fully qualified to install, service, repair, or recondition a commercial weighing or measuring device; has a thorough working knowledge of all appropriate weights and measures laws, orders, rules, and regulations; and has possession of, or available for use, weights and measures standards and testing equipment appropriate in design and adequate in amount. An employee of government shall not be eligible for registration. This policy shall in no way preclude or limit the right and privilege of any qualified individual or agency [~~not~~] registered with the director to install, service, repair, or recondition a commercial weighing or measuring device.

(3) The director may enter into an informal reciprocal agreement with any other state [~~or states~~] that has [~~or have~~] similar [~~voluntary~~] registration policies. Under ***a reciprocal*** [~~such~~] agreement, registered servicemen and registered service agencies of the states party to the reciprocal agreement ***shall be*** [~~are~~] granted full reciprocal authority, including reciprocal recognition of certification of standards and testing equipment, in all states party to ***the*** [~~such~~] agreement.

(4) There shall be charged by the director an annual fee of ***ten dollars ($10)*** [~~$1~~] per registered serviceman and ***twenty-five dollars ($25)*** [~~$5~~] per registered service agency to ***be applied toward the*** [~~cover~~] costs of administering the plan. The fee shall be paid to the director at the time application for registration is made, and annually, during the month of January, thereafter.

(5) An individual or agency ***shall*** [~~may~~] apply for [~~voluntary~~] registration to service weighing devices or measuring devices on an application form supplied by the director. The form, duly signed and witnessed, shall include certification by the applicant that the individual or agency is fully qualified to install, service, repair, or recondition whatever devices for the service of which competence is being registered; has in possession, or available for use, all necessary testing equipment and standards; and has full knowledge of all appropriate weights and measures laws, orders, rules, and regulations. An applicant also shall submit appropriate evidence or references as to qualifications.

(6) Upon receipt and acceptance of a properly executed application form, the director shall issue to the applicant a "certificate of registration," including an assigned registration number, which shall remain effective until either returned by the applicant or withdrawn by the director.

(7) A bearer of a certificate of registration shall have the authority to remove an official rejection tag or mark placed on a weighing or measuring device by the authority of the director; place in service, until such time as an official examination can be made, a weighing or measuring device that has been officially rejected; and place in service, until such time as an official examination can be made, a new or used weighing or measuring device.

(8) The director shall furnish each registered serviceman and registered service agency with a supply of report forms to be known as "Placed in Service Reports." ***This*** [~~Such a~~] form shall be executed in triplicate, shall include the assigned registration number, and shall be signed by a registered serviceman or by a serviceman representing a registered agency for each rejected device restored to service and for each newly installed device placed in service. Within twenty-four (24) hours after a device is restored to service, or placed in service, the original of the properly executed "Placed in Service Report," together with any official rejection tag removed from the device, shall be mailed to the director at Frankfort, Kentucky. The duplicate copy of the report shall be handed to the owner or operator of the device, and the triplicate copy of the report shall be retained by the registered servicemen or agency.

(9) A registered serviceman and a registered service agency shall submit, at least biennially to the director, for his examination and certification, any standards and testing equipment that are used, or are to be used, in the performance of the service and testing functions with respect to weighing and measuring devices for which competence is registered. A registered serviceman or agency shall not use in servicing commercial weighing or measuring devices any standards of testing equipment that have not been certified by the director.

(10) The director may, for good cause, after careful investigation and consideration, suspend or revoke a "certificate of registration."

(11) The director shall publish from time to time as he deems appropriate, and may supply upon request, lists of registered servicemen and registered service agencies.

(h) "Completion of the well" means completion of those processes necessary before production occurs, including the laying of flow lines and the construction of the tank battery. If the well is not productive, the date of completion of the well shall be the day it is plugged and abandoned.

(2) This Act shall be applicable only for the drilling operations of new wells except as provided in subsection (7) of this Act. This Act shall not apply for reworking operations on a well. This Act shall be applicable only when the surface owner has not consented in writing to the drilling operations and:

(a) There has been a complete severance of the ownership of the oil and gas from the ownership of the surface; or

(b) The surface owner owns an interest in the oil and gas.

(3) (a) Prior to commencement of the drilling of a well, the operator shall give written notice to the surface owner of the operator's intent to commence drilling operations.

(b) The operator shall, for the purpose of giving notice, secure from the property valuation administrator's office within ninety (90) days prior to the giving of the notice, a certification which shall identify the person in whose name the lands on which drilling operations are to be commenced and who is assessed at the time the certification is made. The written certification made by the property valuation administrator of the surface owner shall be conclusive evidence of the surface ownership.

4. An offer to discuss with the surface owner those matters set forth in subsection (4) of this Act prior to commencement of drilling operations.

(d) If the surface owner elects to meet the operator, the surface owner shall request the operator to schedule a meeting at a mutually agreed time and place within the limitations set forth herein. Failure of the surface owner to contact the operator at least five (5) days prior to the proposed commencement of drilling operations shall be conclusively deemed a waiver of the right to meet by the surface owner. The meeting shall be scheduled between the hours of nine o'clock in the morning and the setting of the sun of the same day and shall be at least three (3) days prior to commencement of drilling operations. Unless agreed to otherwise, the place shall be located within the county in which drilling operations are to be commenced where the operator or his agent shall be available to discuss with the surface owner or his agent those matters set forth in subsection (4) of this Act.

(e) The notice shall be given to the surface owner by either:

The surface owner shall be entitled to reasonable compensation from the operator for subsequent damages to growing crops, trees, shrubs, fences, roads, structures, improvements, and livestock caused by subsequent production operations of the operator thereon. The surface owner shall be entitled to reasonable compensation for all negligent acts of the operator that cause measurable damage to the productive capacity of the soil. In addition, the operator shall not utilize any more of the surface estate than is reasonably necessary for the exploration, production and development of the mineral estate.

(6) The compensation required pursuant to subsection (5) of this Act shall be paid in any manner mutually agreed upon by the operator and the surface owner, but the failure to agree upon, or make the compensation required, shall not prevent the operator from commencement of drilling operations. The operator shall tender to the surface owner payment by check or draft in accordance with the provisions of this Act no later than ninety (90) days after completion of the well. The surface owner's remedy shall be an action for compensation in the circuit court in which the lands, or the greater part thereof, are located on which drilling operations were conducted. If the operator fails to tender payment within the ninety (90) day period or if the tender is not reasonable, the surface owner shall be entitled to reasonable compensation as provided in this Act, as well as attorney's fees. If the operator relies on a third party appraiser or fair market value, the amount shall be conclusively deemed to be reasonable, and there shall be no award of attorney's fees.

(7) In conjunction with the plugging and abandonment of any well, the operator shall restore the surface to a condition as near as practicable to the condition of the surface prior to commencement of drilling operations. The surface owner and operator may waive this requirement in writing, subject to the approval of the department that the waiver is in accordance with its administrative regulations.

(8) Where practicable and absent a written agreement to the contrary with the surface owner, all flow lines and other underground structures shall be buried to a depth not less than thirty-six (36) inches from the surface.

(9) Nothing in this Act shall be construed to diminish the rights of the operator or surface owner as they exist by established common law. Any compensation paid pursuant to the provisions of subsections (5) and (6) of this Act, shall be a complete bar to the assertion of any other remedy for such damages.

Amend printed copy of **HB 46** on page 7, line 18, by deleting "*thirty-six inches*" and inserting in lieu thereof "*twenty-four (24) inches*"

(3) The fee shall be reported and paid to the Revenue Cabinet at the same time and in the same manner as is required for the reporting and payment of the gasoline and special fuels taxes as provided by law.

(4) The petroleum environmental assurance fee shall be set at a rate of four-tenths (4/10ths) of one cent (1) for each gallon until the unobligated balance of the fund reaches ten million dollars ($10,000,000) and shall drop at the beginning of the next calendar quarter to a rate that the commission determines is necessary to maintain a ten million dollar ($10,000,000) balance. The rate shall be increased at the beginning of the next calendar quarter after the unobligated fund balance drops to six million dollars ($6,000,000) or less and remain at the higher amount not to exceed four-tenths (4/10ths) of one cent (1) until the unobligated fund balance reaches ten million dollars ($10,000,000).

(5) The commission shall review the unobligated fund balance at least quarterly and report to the Revenue Cabinet the rate of the fee to be applied for the next quarter. The notice shall be given by the commission to the secretary of the Revenue Cabinet not later than the first day of the month immediately preceding the quarterly period to which the rate applies.

(6) All provisions of law related to the Revenue Cabinet's administration and enforcement of the gasoline and special fuels tax and all other powers generally conveyed to the Revenue Cabinet by the Kentucky Revised Statutes for the assessment and collection of taxes shall apply with regard to the fee levied by this Act.

consider all relevant circumstances including, but not limited to, the extent of harm or potential harm caused by the violation, the nature and duration of the violation, the number of past violations, and any corrective action taken by the underground tank owner or operator.

(3) No civil penalty may be imposed under this section if the underground storage tank owner or operator already has been penalized for the same violation under federal regulations.

(4) The United States Environmental Protection Agency, for purposes of collecting civil penalties, is not a third-party claimant under any of the provisions of this Act.

SECTION 12. A NEW SECTION OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

Each building, mobile home, or other structure shall be identified by county and property address, or property location in those instances where the address is insufficient to reveal the physical location of the property.

(2) The information provided shall be confidential and shall be used only for the purpose of making and maintaining accurate assessment records. The Revenue Cabinet shall provide to each electrical inspector the necessary forms and instructions for filing the report required under subsection (1).

SECTION 2. A NEW SECTION OF KRS CHAPTER 382 IS CREATED TO READ AS FOLLOWS:

(1) At the time a conveyance document is presented to the county clerk to be recorded, there shall be filed a declaration signed by at least one (1) of the transferors, or his attorney or agent, and by at least one (1) of the transferees, or his attorney or agent. In the absence of an agreement between the parties as to the contents of a joint declaration, more than one (1) declaration shall be filed. Each individual declaration shall be signed by a transferor or transferee, or by a transferor's or transferee's attorney or agent, or by multiple transferors, transferees, attorneys or agents. Each declaration shall state:

(b) The address of the property;

(c) The date of the conveyance document's execution;

(d) The actual date the beneficial ownership was transferred, if different from the date in (c) above;

(e) Whether the transfer includes an interest in land, the improvements affixed to land, or both, or an interest in a portion of the land, improvements, or both, as may be included in the property;

(m) Any family or business relationship between any transferor and any transferee; and

(n) The legal description of the property as contained in the conveyance document, a copy of which may be attached to the declaration.

(2) The filing of the declaration in accordance with this section shall be a condition for recording the conveyance document. The county clerk's office shall not record the declaration, but shall enter thereon the recording date and conveyance document number assigned to the instrument submitted for recording.

(3) The county clerk shall submit the declaration to the property valuation administrator of the county where the property is located. The declaration shall be considered a listing by the property owner for the following January 1 assessment date.
